<b>Previous Contact with Orange County Staff (If Any) Regarding This Matter (Name/Department):</b> tried to contact Myra Uribe no answer regarding Code enforcement	
<b>Submitted By:</b> Mary Ellen Handley	
<b>Subject:</b> It recently came to my attention that there several Code Enforcement Liens on the property that my mother owns. I would like to explain the situation that caused these liens to be placed on the property and to request that the liens be removed from the property. My mother Lynda Westfall , became the owner of the property in 2015 upon her sisters death. My brother and myself were added to the deed because of my mothers poor health. My mother resided in the property as her primary residence. My mother developed early onset dementia at the age of 65 and was no longer to live by herself. My mother is now with with me I am her full time caregiver. She is currently bedridden and requires 24 hour care. My brother agreed to take care of our mothers house until we decided what to do with the house. Unfortunately my brother is in poor health and did not let me know he was usable to continue upkeep. I would respectfully request that the Code Enforcement Liens are removed or reduced see below
