**SUBJ: Approval to Decrease the Speed Limit on John Young Parkway**

Concerned citizens have requested Orange County to analyze the posted speed along John Young Parkway from Equity Row to Central Florida Greenway. They expressed that the posted speed is too high and presents a safety risk.

Vehicular/pedestrian safety and recent accident statistics were the primary considerations for a speed reduction analysis along the John Young Parkway corridor. Observations of prevailing speeds indicate that the current 85<sup>th</sup> percentile speeds range from 48 mph to 67 mph. USLIMITS2 indicates that the speed limit should be set to 45 mph.

Traffic Engineering recommends that the posted speed limit on John Young Parkway from Equity Row to Central Florida Greenway be reduced from 55 mph to 45 mph.

**Action Requested: Approval to decrease the speed limit on John Young Parkway from Equity Row to Central Florida Greenway from 55 mph to 45 mph. Districts 1, 3, 4 and 6.**
