

Interoffice Memorandum

November 21, 2019

TO: Mayor Jerry L. Demings
and the Board of County Commissioners

FROM: *CM* Carrie Mathes, Manager, Procurement Division

CONTACT: Rafael Mena, Chief Information Officer, Information Systems and Services
Division

Phone: 407-836-5200

SUBJECT: Selection of Contractors, Request for Proposals Y19-1038-TJ, Staff Augmentation
for Information Systems and Services

RECOMMENDATION:

Selection of three firms and two ranked alternates to provide Staff Augmentation for Information Systems and Services, Request for Proposals Y19-1038-TJ, from the following firms listed alphabetically. Further request authorization for the Procurement Division to negotiate and execute 3-year contracts within a combined budget of \$5,000,000 annually and renew the contracts for two additional 1-year terms.

- A.B. Closing Corporation dba Kavaliro
- Allegis Group Holdings, Inc., dba TEK Systems, Inc.
- Cogent Infotech Corporation
- OST, Inc.
- SDTR Consulting, LLC
- SoftHQ, Inc.
- Software Resources, Inc.
- Visium Resources, Inc.

This item was evaluated by the Procurement Committee on September 18, 2019. Commissioner Moore was assigned to the Procurement Committee.

PROCUREMENT:

The selected contractors will provide qualified individuals to augment Information Systems and Services Division (ISS) staff and assist other departments and divisions with project-specific information technology tasks on an as-needed basis.

DISCUSSION:

The County contracts with information technology staffing contractors to provide technical expertise on new technologies, enhancements and support services on existing hardware and software platforms, and staff support to ensure the continuity of essential systems and projects. The outsourcing of these services is common in the information technologies business, today, due to the dramatic pace of advancements in this field. Through ISS, other divisions and department may use these contracts to obtain consultants for technology projects that are being developed expressly for their areas.

Selection of Contractors, Request for Proposals Y19-1038-TJ, Staff Augmentation for Information Systems and Services

Once a requirement for service is identified, a scope of services is provided to the contractors who then submit resumes of their qualified candidates. All candidates must meet the minimum requirements established in the contract. Selection will be based on qualifications and hourly rates specified in the contract. Since this is a competitive process, contractors may submit proposals based on the hourly rates in the contracts or they may lower them to be more competitive. The hourly rates, however, cannot be increased beyond the contract rates. Multiple contracts are necessary to ensure the County will be able to locate individuals with the necessary skill sets based on the particular needs of each project.

Thirty-six proposals were received in response to this Request for Proposals. Ebyte Technologies Inc., Elegant Enterprise-Wide Solutions, Inc., Object Technology Solutions, Inc., and Paloma Technologies, LLC were deemed non-responsive for failure to acknowledge addendums.

The proposals submitted from the following firms scored too low for Board consideration:

- 22nd Century Technologies, Inc.
- Abacus Service Corporation
- Apex Systems
- Beacon Systems, Inc.
- Brandt Information Services, Inc.
- Business Information Technology Solutions.com, Inc. dba ABT Solutions
- CCS Global Tech
- Dataman USA, LLC
- Diskriter, Inc.
- Epic Engineering & Consulting Group, LLC
- Information Systems Consultants, Inc.
- INSI Cloud, Inc.
- Kolter Consulting LLC dba Kolter Solutions
- Kyra Solutions dba Kyra Infotech, Inc.
- Mirage Software Inc. dba Bourntec Solutions Inc.

- PCMG, Inc.
- Precision Staffing, Inc. dba AP Recruiters & Associates
- Production Modeling Corporation
- SkyBridge Resources
- SVAM International, Inc.
- Technology Management Corporation
- Vitaver and Associates, Inc.

Apex Systems filed a timely protest. A protest hearing was held on October 28, 2019, resulting in a unanimous vote to uphold the scores approved by the procurement committee on September 18, 2019. No appeal was filed.

The scores from the procurement committee are attached.
