SUBJ: Installation of a "No Parking" Zone at the Intersection of White Isle Lane
and Econ Landing Boulevard

Residents of Econ Landing neighborhood have requested that a "No Parking" zone be established at the intersection of White Isle Lane and Econ Landing Boulevard.

The Traffic Engineering Division has determined that parking of vehicles on the east side of White Isle Lane and the west side Econ Landing Boulevard is causing a traffic hazard to homeowners due to sight restrictions. The Traffic Engineering Division is requesting a "No Parking" zone be established on White Isle Lane and Econ Landing Boulevard to eliminate the sight restriction.

Staff recommends that the Board approve the installation of a "No Parking" Zone at the intersection of White Isle Lane and Econ Landing Boulevard extending 100 feet north on the east side of White Isle Lane and 100 feet north on the west side of Econ Landing Boulevard.

Action Requested: Approval of "No Parking" Zone installation at the intersection of White Isle Lane and Econ Landing Boulevard extending 100 feet north on the east side of White Isle Lane and 100 feet north on the west side of Econ Landing Boulevard. District 3.
