9. Holding children's items for 72 hours after a child is released.

B. The Agency's Roles and Responsibilities. The Agency shall be responsible for:

1. Delivering a comprehensive array of foster care and related services as defined in Sections 409.986 and 409.988, Florida Statutes, to eligible children and families in Orange, Osceola, and Seminole County while ensuring each child's safety, well-being, and permanency;
2. Working in partnership with the County on the implementation and ongoing management of this Agreement, which includes the County's right of first refusal to children that are residents of Orange County and are being considered for placement with the County's residential group care services;
3. Referring children in need of residential group care and emergency shelter services to the County with priority given to children from Orange, Osceola, and Seminole County;
4. Completing and submitting the bed hold request form within 24 hours of Orange County requesting the form. This documentation must be done on Orange County approved and contract required documentation;
5. Referrals being complete and accurate, including FSFN information before being sent to Orange County;
6. Ensuring that the County is given the right of first refusal to the placement of all Orange County children entering a residential group care program;
7. Provide the County a log showing efforts made on any Agency decision not to place an Orange County child with the County's residential group care program;

CONTRACT NO. Y20-1085

8. When the County notifies the Agency and appropriate caregiver support manager about a child who is no longer residing at the County's residential group care program, the County will charge the Agency the equivalent to one bed day rate if the child's items are not picked up by the caregiver support manager or a representative of the agency within 72 hours after notice;
9. If a child's behavior is a danger to himself or others at the County residential group care program, the Agency's Utilization Management Department will respond within six hours to a request for assistance in addressing the behavior;
10. If critical information is missing from an intake-screening or from an intake packet for a child that was previously in the custody of the Agency and said missing information would change the admission criteria, then the Agency agrees to remove the youth within 24 hours;

If the Agency learns of new information that would have resulted in a denial, then the Agency agrees to meet and discuss the needs of the child within two (2) hours. If the needs of the Child cannot be met by Orange County's residential group care program, the Agency will remove the child within 24 hours;

11. If a child is admitted to the County's residential group care program and was previously in the custody of the Agency, then the Agency will provide a copy of the EPSDT upon intake with the County, or within 24 hours, as applicable;
12. If, after repeated meetings or staffings, a youth continues to display concerning behaviors, then the County will notify the Agency that the youth shall be removed and the Agency will remove the youth from the County's residential group care program within seven (7) days of receiving the County's notice. Removal pursuant to this subsection will not count as a Request for Removal against the County; and
13. After the Agency's submission of a complete intake packet to the County for an Orange County youth's placement with the County's residential group care program, the Agency may continue to seek alternative placement for the youth, but the Agency shall not formally or officially place the youth with an alternative residential group care entity until after the County has denied the youth's placement or failed to respond required by the "Referral and Denial Process" provision of this *Roles and Responsibilities*. The County will confirm with the Agency that the screening is being reviewed within one (1) hour of receipt of a completed intake packet. During the intake process, while the County is determining whether a youth can be placed in the County's residential group care program, the Agency shall respond to all of the County's placement related questions within one (1) hour of the County submitting said placement related question to the Agency. The Agency's failure to submit a timely response to the

CONTRACT NO. Y20-1085

County's placement related questions may result in a delay of the County's written approval or denial of placement, as further described in the "Referral and Denial Process" provision of this *Roles and Responsibilities*.

III. Referral and Denial Process.

- A. The Agency shall submit a written request to the County to place children in need of residential group care and emergency shelter services with the County. The Agency shall refer all Orange County children to the County first prior to referring the children to any other residential group care entity.
- B. Provided that the Agency timely responds to all of the County's placement related questions, the County shall submit a written approval or denial of placement to the Agency within 4 hours of receiving the Agency's written request for placement. Should the Agency fail to provide a timely response to the County's placement related questions, the County's written approval or denial will not be provided to the Agency within 4 hours, will result in the County closing the screening, and will require the Agency to submit a new intake packet complete with the County's previously requested information.
- C. All written denials must cite the specific admission criteria, as defined in the County-DCF Contract, which is the basis for the denial. Denials based on a child not meeting the admission criteria will not count against the County as a denial.
- D. Upon receiving a written denial from the County, the Agency will secure alternative placement in accordance with the terms and conditions of all applicable Companion Agreements. If the County fails to provide the Agency a written approval or denial of placement within 4 hours of receiving a completed intake packet from the Agency, and provided that the Agency has sufficiently and timely responded to all of the County's placement related questions during the referral or screening process, then the Agency may formally or officially place the youth with an alternative residential group care entity.

IV. Financial Obligations.

A. The County's Financial Obligations.

- 1. Upon the Agency's submission of a timely and completed Invoice and Invoice for Services (as later defined) to the County, and the County's receipt of Unexpended Funds (as later defined) from DCF, the County will pay the Agency the Unexpended Funds.
- 2. **Availability of Funds.** The County's performance and obligation to pay the Agency for the Unexpended Funds under this Agreement is contingent upon an appropriation for its purpose by DCF, HHS, or other specified funding sources.

CONTRACT NO. Y20-1085

3. The County is only responsible for payments to the Agency for which the County is provided funding by the HHS or DCF. If HHS or DCF determines that a specific cost or expense invoiced by the Agency to the County is not permitted for reimbursement under the terms and conditions of the Federal Award or the County-DCF Contract, then the County shall not be responsible for making payment to the Agency for said cost or expense.
4. Should HHS or DCF withhold or deny funding to the County for any reason, the County may subsequently withhold or deny funding to the Agency without incurring any responsibility to make payment to the Agency.
5. At no point shall the County be expected to, or be responsible for, using general fund dollars to make payment to the Agency for any costs or expenses incurred by the Agency pursuant, or related, to this Agreement, or the terms of any other agreement or contract to which the County is subject related to this Federal Award.
6. **Local Government Prompt Payment Act.** The County shall make all payments to the Agency required by the Companion Agreements in accordance with the Local Government Prompt Payment Act, Section 218.70 et. seq, Florida Statutes.

B. The Agency's Financial Obligations.

1. The Agency shall provide residential group care services on a cost-reimbursement basis in accordance with the *Scope of Work* and the Agency-DCF Contract.
2. The Agency shall be responsible for any costs or expenses incurred by the Agency that exceed the funding available at the time of invoice, are in excess of the Unexpended Funds, or are incurred outside of the terms of the Companion Agreements.
3. The Agency shall ensure that the financial assistance provided by HHS in this Agreement is only used to provide services and fund expenses permitted by this Agreement.
4. The Agency may not accept duplicate funding for any cost, position, service, or deliverable funded by the Federal Award. Duplicative funding is defined as more than one hundred percent (100%) payment from all funding sources for any cost, position, service, or deliverable. If duplicate funding is discovered, the County has the sole discretion to determine whether this Agreement may: (1) be suspended while the extent of the overpayment is determined; or (2) be terminated for cause.
5. At no point shall the Agency be expected to, or be responsible to make payment to the County for any costs or expenses incurred by the County pursuant, or

CONTRACT NO. Y20-1085

related, to this Agreement, or for the provision of the County's residential group care program.

V. Unexpended Funds Process.

- A. Unexpended Funds shall mean the amount of the Subaward remaining at the end of a Period of Performance less any amount owed to the County by DCF pursuant to the County-DCF Contract.
- B. Any Unexpended Funds may be recouped by the Agency in accordance with, and to the extent permitted by, Section F-5.2, on Page 40, of the County-DCF Contract.
- C. Any unexpended funds must be requested through the submission of a properly completed invoice using the *Invoice for Services*, attached to this Agreement as **Exhibit "F"** and attached to the County-DCF Contract as Attachment 2. The Agency shall submit a completed *Invoice for Services* with its *Invoice Form* and supporting documentation to the County no later than the first week of the July following the Period of Performance for which the Agency provided Services and is seeking Unexpended Funds.
- D. Upon the County's receipt of a timely and completed *Invoice Form*, *Invoice for Services*, and supporting documentation from the Agency, the County will request Unexpended Funds from DCF by July 6th of the year in which the Unexpended Funds occurred. Upon the County's receipt of Unexpended Funds from DCF, the County will pay the Agency said Unexpended Funds.
- E. The County does not guarantee the availability of any Unexpended Funds under this Agreement.

VI. Shared Vision. The parties hereby establish the following shared vision for the community-based care system of care:

- A. The provision of nurturing care and supervision while ensuring that each child's safety and well-being is protected;
- B. The provision of clinical, educational, and support services that are individualized, integrated, and consistent with each child's case plan and permanency plan goals; and
- C. The provision of education, teaching of skills, and provision of support to prepare children for a permanent placement or independent living.

VII. Community Support and Services. The parties shall make a good faith effort to integrate community support and services into the community-based care system of care in order to improve outcomes for families involved in the child welfare system.

SCOPE OF WORK

1. **Subcontracted Services:** The purpose of this Agreement is for the County to contract with the Agency for residential group care services only.

2. **Payment.** Payment under this Agreement shall be provided on a “per unit” basis. Subject to the availability of Unexpended Funds, the County will pay the Agency for delivery of service units provided by its subcontractors for residential group care services for a total amount not to exceed the amount of Unexpended Funds available.

2.1. The Units of Service will be reimbursed as follows:

Service	Service Units	Unit Price Per Bed Day/Child
