

(Date#, 10/1/19)

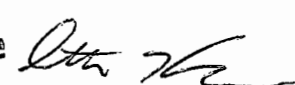

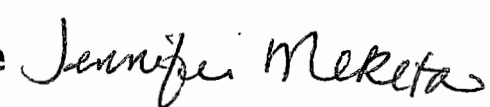

A Petition; Letter of Opposition of Application;

The proposed plan is to change the Future Land Use Map designation on the subject property from **Parks and Recreation/Open To: C-1 (Retail Commercial District) and R-Space to Commercial (C) (Rural Settlement) (RS) and Low Medium Density Residential (LMDR)**. We also anticipate a 1A (Single-Family Dwelling District) request to change the zoning of the property from **A-2 (Farmland Rural District) to C-1 (Retail Commercial District) and R-2 (Residential District) or R-3 (Multi-Family District)**. The request would convert the warehouse (golf cart barn) to allow six short- term rental accommodations and to allow the development of additional six townhome dwellings for a total of 12 new units. The subject property is less than ten (10) acres so the change is considered to be a small scale amendment to the Future Land Use Map, and requires a public hearing before the Local Planning Agency (LPA) and then the Board of County Commissioners (BCC).

A Petition; Letter of Opposition of Application;

The proposed plan is to change the Future Land Use Map designation on the subject property from Parks and Recreation/Open To: C-1 (Retail Commercial District) and R-Space to Commercial (C) (Rural Settlement) (RS) and Low Medium Density Residential (LMDR). We also anticipate a 1A (Single-Family Dwelling District) request to change the zoning of the property from A-2 (Farmland Rural District) to C-1 (Retail Commercial District) and R-2 (Residential District) or R-3 (Multi-Family District). The request would convert the warehouse (golf cart barn) to allow six short-term rental accommodations and to allow the development of additional six townhome dwellings for a total of 12 new units. The subject property is less than ten (10) acres so the change is considered to be a small scale amendment to the Future Land Use Map, and requires a public hearing before the Local Planning Agency (LPA) and then the Board of County Commissioners (BCC).

A Petition; Letter of Opposition of Application;

The proposed plan is to change the Future Land Use Map designation on the subject property from Parks and Recreation/Open To: C-1 (Retail Commercial District) and R-Space to Commercial (C) (Rural Settlement) (RS) and Low Medium Density Residential (LMDR). We also anticipate a 1A (Single-Family Dwelling District) request to change the zoning of the property from A-2 (Farmland Rural District) to C-1 (Retail Commercial District) and R-2 (Residential District) or R-3 (Multi-Family District). The request would convert the warehouse (golf cart barn) to allow six short-term rental accommodations and to allow the development of additional six townhome dwellings for a total of 12 new units. The subject property is less than ten (10) acres so the change is considered to be a small scale amendment to the Future Land Use Map, and requires a public hearing before the Local Planning Agency (LPA) and then the Board of County Commissioners (BCC).
