SUBJECT: Dangerous Dog Ordinance Revisions
Work Session Agenda – September 26, 2023

The current dangerous dog program hasn't been updated since 2005 when the current ordinance was adopted. Since then, there has been a court ruling, which affects how the ordinance is enforced.

The September 26, 2023, work session will present background on the current ordinance, 4th District Court of Appeals ruling, and proposed ordinance changes. Finally, the work session will detail next steps, including a public hearing, where the board will consider approval of ordinance changes discussed at the work session.
