SUBJ: **Installation of "No Parking" signs on both sides of Whispering Cypress Lane from Oakshire Boulevard to 100 feet north of Oakshire Boulevard**

A concerned citizen has requested that the Traffic Engineering Division install "No Parking" signs on both sides of Whispering Cypress Lane from Oakshire Boulevard to 100 feet north of Oakshire Boulevard. Oakshire Elementary School is located south of Oakshire Boulevard and parents are parking on the roadway to let students out of their cars and avoid the parent drop-off/pick-up loop.

Traffic Engineering staff have determined that drivers used the traveled way to drop-off/pick-up students creates a safety hazard for both pedestrians and drivers on Whispering Cypress Lane.

Staff recommends the Board approve installation of "No Parking" signs on both sides of Whispering Cypress Lane from Oakshire Boulevard to 100 feet north of Oakshire Boulevard.

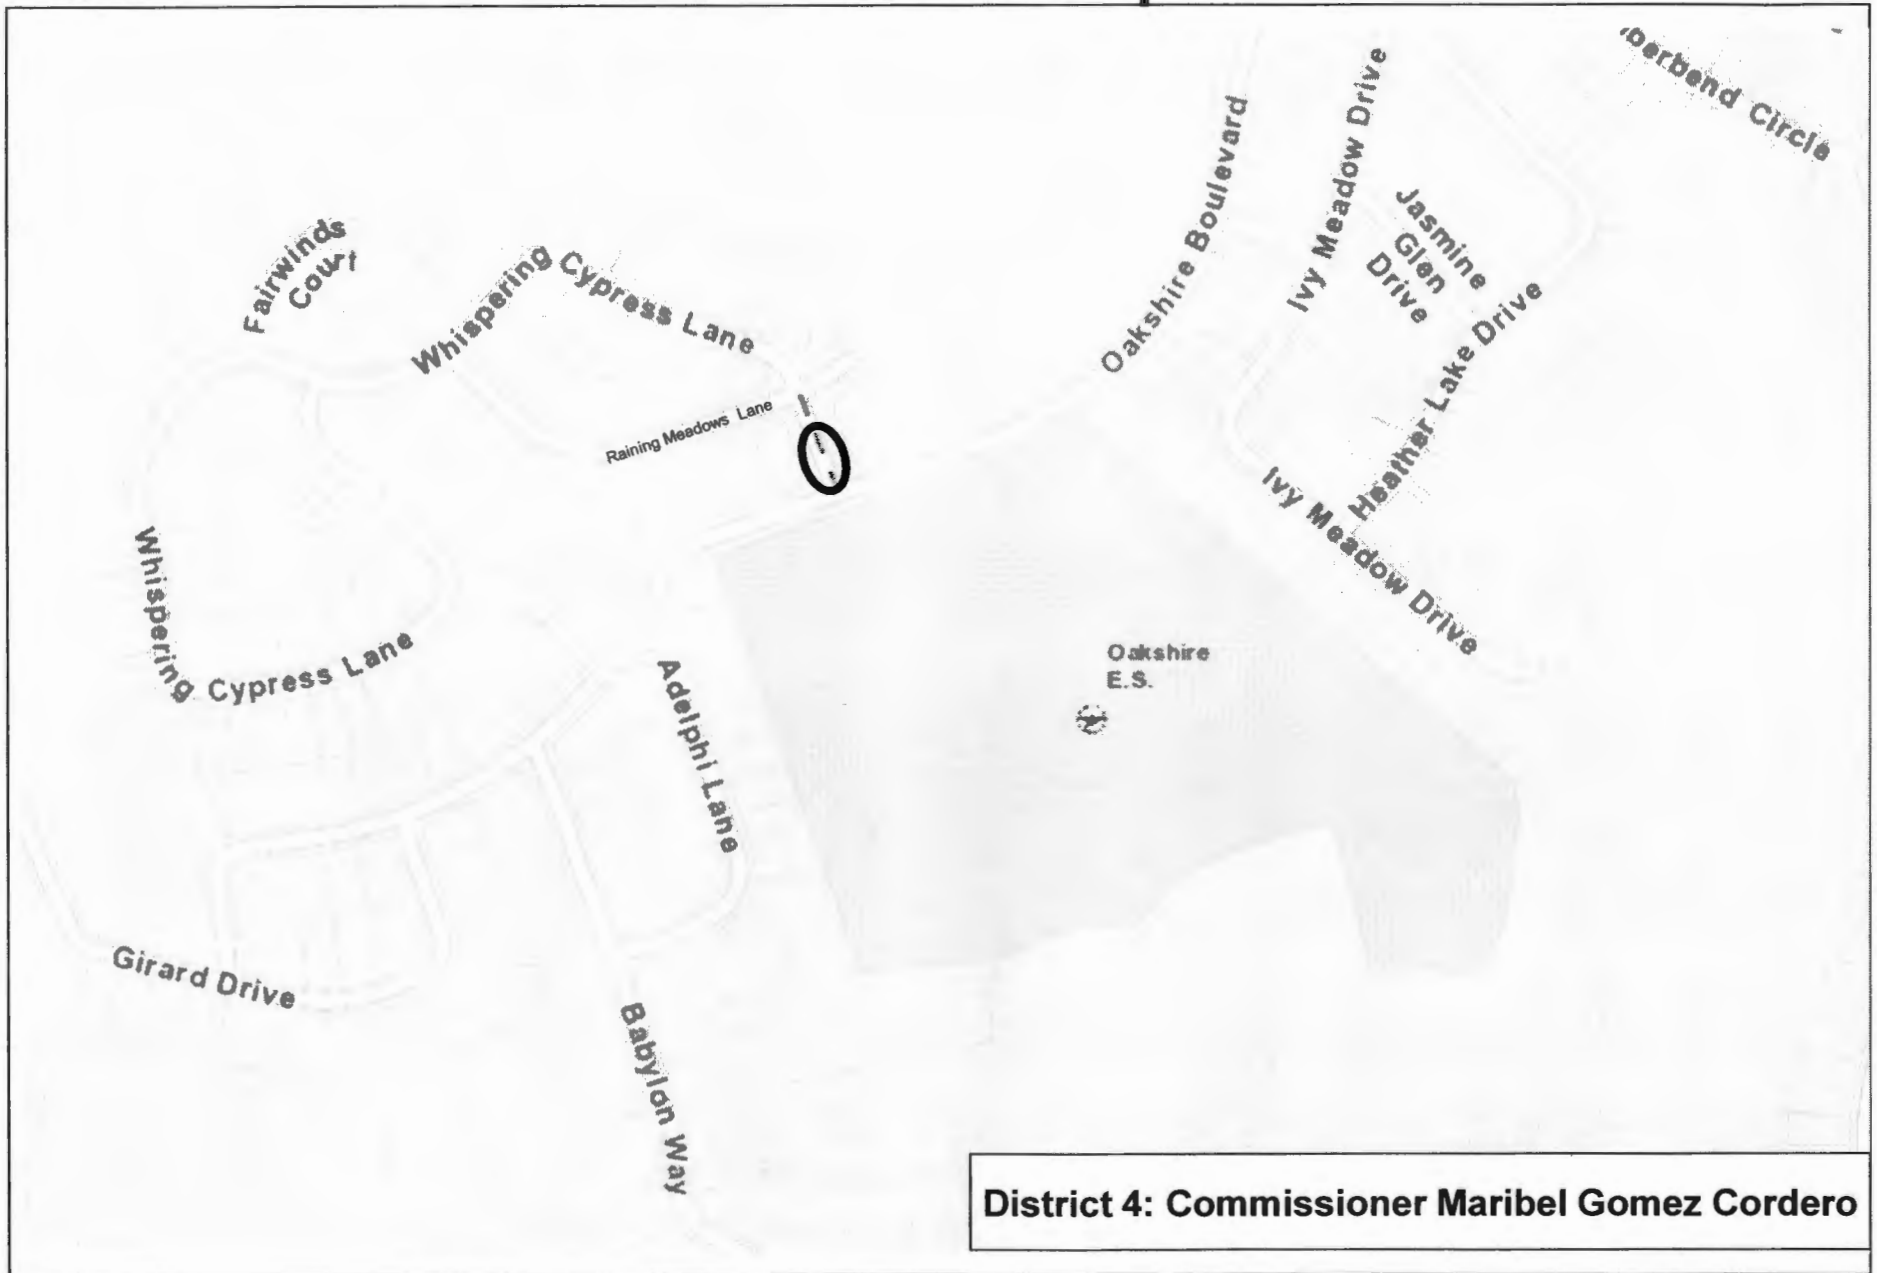

Action Requested: Approval of "No Parking" signs installation on both sides of Whispering Cypress Lane from Oakshire Boulevard to 100 feet north of Oakshire Boulevard. District 4.
