Budget Resolution

The International Drive Community Redevelopment Area (CRA) was created in 1998 pursuant to Florida Statutes, Part III of Chapter 163 to address statutorily defined blight within the International Drive area. A budget for the CRA must be adopted annually by the International Drive Community Redevelopment Agency.

Staff will present an overview of the International Drive CRA, which will include past accomplishments, current projects, and a summary of the proposed budget for FY 2020-21 as recommended by the International Drive CRA Advisory Committee. Additionally, staff will provide an update on the status of current efforts to update the previously adopted International Drive CRA Redevelopment Plan. This update to the Redevelopment Plan is being completed to identify opportunities to expand the scope of the CRA's redevelopment activities based upon updated data and analysis of the needs within this area.

ACTION REQUESTED: Approval and adoption of Resolution of the International Drive Community Redevelopment Agency relating to the Fiscal Year 2020/21 budget of the International Drive Community Redevelopment Agency. Districts 1 and 6.
