WHEREAS, the Owner intends to develop a multi-family rental affordable housing project to be known as **Southwick Commons**, (the "**Project**") on the Property; and

WHEREAS, the County and the School Board find creating affordable housing opportunities for low to extremely low-income residents of Orange County, Florida to be a valid public purpose under the laws of the State of Florida; and

WHEREAS, in accordance with Section 163.31801, F.S., as may be amended from time to time, the County adopted Ordinance No. 2021-28, which, in part, provided an opportunity for exemption from the payment of SIF for certain affordable housing projects; and

WHEREAS, the County supports the exemption of all or a portion of SIF, and the School Board supports the exemption of all or a portion of SIF for the purpose of providing affordable rental units for lower income Orange County, Florida residents.

WHEREAS, in accordance with Section 23-142(a)(2) of the SIF Ordinance, the Project lies within the municipal boundaries of the City, and, as such, the City is responsible for collecting SIF and then transferring the fees to the School Board; and

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, the parties agree as follows:

Section 1. Recitals. The above recitals are true and correct and are incorporated herein as a material part of this Agreement.

Section 2. Definitions. In construing this Agreement, the following words, phrases, and terms shall have the following meanings, unless the context requires otherwise:

- A. *Affordable* shall be defined as a rental development in which monthly rents including utilities do not exceed thirty percent (30%) of that amount which represents the percentage of the median adjusted gross annual income for an Eligible Household, as defined in 420.9071(11), Florida Statutes, and as may be amended.
- B. *Affordable Units* shall be defined as those rental units described in Section 3 hereof.
- C. *Orlando Metropolitan Statistical Area ("MSA")* shall include the counties of Orange, Lake, Seminole, and Osceola in the State of Florida as well as the municipalities within their respective jurisdictions.

Section 3. Scope of Project.

The Project shall consist of one hundred ninety-two (192) multi-family units. Specifically, five (5) units shall be set aside and rented only to those households whose household income does not exceed twenty-two percent (22%) of the MSA median income, twenty-nine (29) units shall be set aside and rented only to those households whose household income does not exceed thirty percent (30%) of the MSA median income, one hundred twenty-three (123) units shall be set aside and rented only to those households whose income does not exceed sixty percent (60%) of the MSA median income, and thirty-five (35) units shall be set aside and rented only to those households whose income does not exceed eighty percent (80%) of the MSA median income; provided, however, the Owner may alter the foregoing unit mix with the County's, the City's, and the School Board's prior consent and approval (not to be unreasonably withheld, conditioned or delayed), so long as the average income of the Project's residential tenants is no greater than 60% AMI. To the extent permitted by all applicable governing law, Owner will give priority consideration to Orange County Public School employees for up to ten (10) housing units based on the applicant's ability to meet eligibility standards and requirements. This obligation shall not be considered to supersede Owner's existing obligations relative to the units for which they have financial or regulatory responsibility.

Section 4. Exemption of Payment of School Impact Fees; Credit Account.

- A. Section 23-161(b) of Article V, Chapter 23, Orange County Code, provides that the payment of all or a portion of SIF may be exempted for housing that meets or exceeds the definition of "affordable" pursuant to Section 163.31801(11), Florida Statutes, 2024, as may be amended, provided the level and duration of such affordability is documented to the County's and City's satisfaction prior to the granting of any impact fee exemption.

- B. Upon execution of this Agreement, and assuming continued compliance with the terms hereof, the Owner shall have documented the affordability of the Project to the County's and City's satisfaction; provided, however, that only those units defined as Affordable Units hereunder shall be entitled to an exemption from SIF. The total amount of SIF exempted under this agreement is One Million Two Hundred Ninety-Six Thousand One Hundred Ninety-Two Dollars (\$1,296,192).

Section 5. Restrictive Covenant.

- A. The Owner acknowledges that this Agreement creates a restrictive covenant and that such covenant shall run with the Property.
- B. The Owner, its successors and assigns shall utilize the Property for the rental of one hundred ninety-two (192) multi-family housing units. Specifically, five (5) units shall be set aside and rented only to those households whose household income does not exceed twenty-two percent (22%) of the MSA median income, twenty-nine (29) units shall be set aside and rented only to those households whose household income does not exceed thirty percent (30%) of the MSA median income, one hundred twenty-three (123) units shall be set aside and rented only to those households whose income does not exceed sixty percent (60%) of the MSA median income, and thirty-five (35) units shall be set aside and rented only to those households whose income does not exceed eighty percent (80%) of the MSA median income; provided, however, the imputed incomes of the units may be changed throughout the Affordability Period to the extent permitted by FHFC, as long as after such change the average of the imputed incomes for the units remains at or below 60% of AMI. Rent levels of the 192 units shall be in accordance with Section 7 of this Agreement, for a period of thirty (30) years from the date of issuance of the first certificate of occupancy (the "Project Affordability Period"). Provided further, however, that Owner's senior lender, junior lenders or any subsequent mortgagee shall, at its option, have the right to foreclose on the Property with this restrictive covenant in place or, in the alternative, to pay the County, the principal amount of One Million Two Hundred Ninety-Six Thousand One Hundred Ninety-Two Dollars (\$1,296,192) in order to obtain from the County a release of the restrictive covenant provisions as set forth herein. Owner's senior lender, junior lenders or subsequent mortgagee shall pay for the cost of recording any such release and any other expenses incident thereto.

Section 6. Income Verification.

- A. The Owner shall verify the household income of the occupants of the Affordable Units prior to the initial occupancy of such units. Income verifications shall be performed for such units on an annual basis thereafter.
- B. The Owner shall maintain complete and accurate records of the income for each of the qualifying occupants and the rents charged for the Affordable Units. All records shall be maintained in accordance with Chapter 67-37, Florida Administrative Code, or the HUD income limits, whichever is more restrictive. The Owner shall permit any duly authorized representative of the County or School Board to inspect the books and records upon reasonable notice.
- C. The Owner shall furnish to the County's Housing and Community Development Division an Annual Report demonstrating all Affordable Units are in compliance with this Agreement. Similar reports required by Florida Housing Finance Corporation may be used to satisfy this requirement. Copies shall be submitted on annual basis subsequent to the

issuance of the first certificate of occupancy for the Project. Owner shall provide a copy to School Board's Facilities Planning Department.

Section 7. Rents, Lease Provisions, and Administration.

- A. The Owner agrees that the initial gross rents charged for the Affordable Units shall comply with the gross rent restrictions established by the Florida Housing Finance Corporation or the HUD rent limits, whichever is more restrictive, adjusted for family size and number of bedrooms.
- B. The Owner may, for good cause, refuse to rent the Affordable Units to individuals or families who otherwise meet the income and eligibility guidelines set forth herein. Good cause may include, but shall not be limited to, the failure of the applicant to comply with the terms and conditions of past rental agreements.
- C. For purposes of complying with the requirements of this Agreement, if the income of an individual or family renting an Affordable Unit initially meets the applicable income limitation at the commencement of occupancy of the unit, the income of such individual or family shall be treated as continuing to not exceed the applicable income limits so long as the rent charged for such Affordable Unit remains in accordance with the gross rent restrictions established by the Florida Housing Finance Corporation and Section 7 of this Agreement. The preceding sentence shall cease to apply to any individual or family whose income, as of the most recent determination, exceeds one hundred forty percent (140%) of the applicable income limit.
- D. Owner shall not be deemed to have breached this Agreement if in verifying the household income of the occupants of the Affordable Units, Owner (i) has relied in good faith upon information supplied to Owner by the occupant; (ii) has no reason to believe such information is false; and (iii) shall have complied with all requirements of this Agreement with respect to verification of household income.
- E. The Owner or its management company shall obtain a certification of income for each prospective tenant prior to admission to the Project. Source documentation for each adult household member shall be obtained to support income claims. The form of certification shall be as required by the Florida Housing Finance Corporation. Should the annual income recertification of such households result in non-compliance with income occupancy requirements, the next available unit must be rented to a qualifying household to ensure continuing compliance of the Project.
- F. The Owner shall not discriminate against any person or family on the grounds of race, color, national origin, religion, familial status, sex, sexual orientation, or disability. The Owner shall comply with the applicable provisions of the Human Rights Ordinance, Chapter 22 of the Orange County Code, including, but not limited to, the Fair Housing provisions contained in Article IV, thereof, all as may be amended from time to time. The Owner shall abide by the following:
 - 1. The Owner shall provide rental information and attract eligible persons in the housing market area without regard to race, color, national origin, religion, sex, sexual orientation or disability.
 - 2. The Owner shall employ the Equal Housing Opportunity slogan, logo or statement in all solicitations for tenants and posters with the fair housing logo will be prominently displayed at the Project.

3. The Owner shall maintain records of its affirmative marketing efforts and keep them available for review by the County's Housing and Community Development Division staff.
 4. The Owner shall assess the success of its affirmative action efforts and when applicable, undertake all necessary corrective actions as mandated by the County, when affirmative marketing requirements are not met.
- G. The Owner shall not evict or terminate the tenancy of any tenant of any unit within the Project other than for good cause and shall not increase the gross rent with respect to any Affordable Unit in excess of the amount allowed herein.
- H. Upon receipt of the first certificate of occupancy, the Owner shall provide notice to the County that they have received their certificate of occupancy.

Section 8. Default; Remedies.

- A. If the Owner breaches any provision set forth in this Agreement, other than the affordability levels contained in Section 5 and the rental requirements contained in Section 7, the Owner shall cure the breach within thirty (30) days of receiving notice of such breach. If the Owner is unable to cure the breach within the allotted thirty (30) days, the Owner shall request an extension of time not to exceed ninety (90) days. Any such request for extension shall be made in writing and shall be submitted to the County within the first thirty (30) days' time period. In such instances where the Owner is unable to correct the breach within the allotted thirty (30) daytime period, the Owner shall commence such correction(s) within the ninety (90) days, and thereafter diligently pursue the same to completion within such period. If the Owner fails to comply with the requirements of this Section, the Owner shall pay to the County the principal amount of One Million Two Hundred Ninety-Six Thousand One Hundred Ninety-Two Dollars (\$1,296,192), which is equal to the total sum of impact fees exempted pursuant to Section 4, hereof. Upon full repayment by the Owner to the County of the total sum of the exempted impact fees, this Agreement shall become null and void and shall automatically terminate.
- B. If the Owner rents any of the Affordable Units to individuals or families whose income is not in accordance with the affordability level provided for in Section 5 of this Agreement or rents any such unit above the applicable rental rate required in Section 7, the Owner shall be deemed to be in default of this Agreement resulting in the disqualification of the Affordable Units. Upon the disqualification of any Affordable Unit(s) by Orange County, Owner shall pay to the County the principal amount of One Million Two Hundred Ninety-Six Thousand One Hundred Ninety-Two Dollars (\$1,296,192), which is equal to the total sum of impact fees exempted pursuant to Section 4, hereof. Upon full repayment by the Owner to the County of the total sum of the exempted impact fees, this Agreement shall become null and void and shall automatically terminate.
- C. Notwithstanding the foregoing, the senior lender, junior lenders or subsequent mortgagee shall have the right, but not the obligation, to cure any default and the parties hereto agree that any cure of any default made or tendered by the senior lender, junior lenders or subsequent mortgagee shall be deemed to be a cure by the Owner and shall be accepted or rejected as if made or tendered by the Owner.
- D. In addition to any other remedies contained herein, in the event of a breach of any material term of this Agreement, the County may avail itself of any remedy available at law or

equity.

Section 9. Foreclosure.

- A. If the Owner's senior lender, junior lenders or subsequent mortgagee (other than HUD) forecloses on the Property, such lender or subsequent mortgagee shall, at its option, have the right to foreclose with the restrictive covenant contained in Section 5 in place or, in the alternative, pay the County the principal amount of One Million Two Hundred Ninety-Six Thousand One Hundred Ninety-Two Dollars (\$1,296,192) in order to obtain from the County, City, and School Board a release of the restrictive covenant provision contained herein.
- B. Owner's senior lender, junior lenders or subsequent mortgagee (other than HUD) shall pay for the cost of recording any such release and any other expenses incident thereto. To the extent required by law, the rights, duties, and obligations in this Agreement shall be subordinate to the provisions of the first mortgage.

Section 10. Sale or Transfer of the Project or any Building. The Owner shall not sell, exchange, assign, convey, transfer or otherwise dispose of the Property, the Project, or any building in the Project without prior written notice to the County, City, and School Board. The restrictions set forth in this Section 10 shall not be applicable to any transfer pursuant to or in lieu of a foreclosure or any exercise of remedies pursuant to the provisions of the first mortgage.

Section 11. Waiver of Breach. Waiver of breach of one covenant or condition of this Agreement is not a waiver of breach of other covenants and conditions of this Agreement, or of a subsequent breach of the waived covenants or conditions.

Section 12. Applicable Law. The laws of the State of Florida shall govern the interpretation and enforcement of this Agreement, all legal action necessary to enforce the provisions of this Agreement will be held in Orange County, Florida. Venue for any litigation involving this Agreement shall be the Circuit Court in and for Orange County, Florida.
