Please contact Neal Thomas at (407) 836-1451 with any questions.

Real Estate Management Review

Roads & Drainage Review

There is a Board approved PSP for this property that approves the modifications of the ponds (with a condition of approval that the construction plans cannot be approved until the vacation is approved). This will be a public subdivision with the ponds dedicated to the perpetual use and maintained by stormwater with an MSBU. The Board approval overrules any objections to this vacation.

Please contact Julie McDevitt at (407) 836-7918 with any questions.
