Orlando, Florida 32802-1393

**Project:** Orange County Fire Station #48 (Avalon Road)

**THIS IS A DONATION**

**CROSS-ACCESS, UTILITY, AND DRAINAGE EASEMENT AGREEMENT**

**THIS CROSS-ACCESS, UTILITY, AND DRAINAGE EASEMENT AGREEMENT** (this “**Agreement**”) is made and entered into as of the date last executed below (the “**Effective Date**”), by and between **HAMLIN LAND PARTNERS, LLC**, a Delaware limited liability company, formerly known as SLF IV/BOYD HORIZON WEST JV, LLC, a Delaware limited liability company, whose address is 14422 Shoreside Way, Suite 130, Winter Garden, Florida 34787 (“**HLP**”), **MCLANE-PALM PARKWAY, LLC**, a Florida limited liability company, whose address is 10407 Rocket Boulevard, Orlando, Florida 32824 (“**MPP**”), and **ORANGE COUNTY**, a charter county and political subdivision of the State of Florida, its successors and/or assigns, whose address is P.O. Box 1393, Orlando, Florida 32802-1393 (“**County**”) (**HLP**, **MPP**, and the **County**, hereinafter each a “**Party**”, and collectively, the “**Parties**”).

**WITNESSETH:**

**WHEREAS**, **HLP** owns certain tracts of real property identified by the Orange County Property Appraiser (“**OCPA**”) as Parcel ID Nos. 19-23-27-5840-12-110 and 20-23-27-2710-02-000 (collectively, the “**HLP Property**”); and

**WHEREAS**, **MPP** owns certain real property identified by **OCPA** as Parcel ID No. 20-23-27-2710-02-002 (the “**MPP Property**”); and

**WHEREAS**, the **County** owns certain real property identified by **OCPA** as Parcel ID No. 20-23-27-2710-02-001 (the “**County Property**”); and

**WHEREAS**, the **HLP Properties**, **MPP Property**, and **County Property** shall hereinafter be referred to collectively as the “**Benefited Properties**” and individually as a “**Benefited Property**”; and

**WHEREAS**, the **Parties** desire to create perpetual, non-exclusive easements for: (i) the construction, use and maintenance of certain access roads providing ingress and egress over and

across portions of the Benefited Properties providing for the free flow of vehicular traffic through and on such portions of the Benefited Properties, and (ii) the installation, maintenance, and joint use of certain underground utilities and drainage improvements that may be constructed under and within certain portions of the Benefited Properties.

**NOW, THEREFORE**, in consideration of the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties further agree as follows:

**1. Recitals.** The recitals set forth above are true and correct and incorporated herein by reference.

**2. Defined Terms.** The following terms, when used in this Agreement, shall have the following meanings:

a) “**Access Improvements**” means those certain access roads to be hereafter constructed within the HLP Easement Area, MPP Easement Area, and County Easement Area (defined below) in order to provide Vehicular Access (defined below) within and across the Benefited Properties.

b) “**Easement Areas**” shall refer collectively to those easements which are the subject of this Agreement, including the HLP Easement Area, MPP Easement Area, and County Easement Area.

c) “**Owner(s)**” means the record owner of the fee simple title to any of the Benefited Properties.

d) “**User(s)**” means those persons or entities in physical possession and control of a Benefitted Property, or any portion thereof, whether as Owner, tenant, subtenant, concessionaire or licensee, and their respective customers, employees, agents, and invitees.

e) “**Utility Improvements**” mean those certain drainage pipes, manholes, water lines, waste waterlines, and reclaimed waterlines to be constructed under the Access Improvements and/or within the Utility Easement Areas (as that term is defined herein).

f) “**Vehicular Access**” means vehicular ingress and egress in common with others (including construction access during construction of improvements on a Benefited Property) for the purpose of installation, operation, use maintenance and repair of the Access Improvements to and from any public roadway or from another Benefited Property.

**3. HLP Grant of Easement.** HLP does hereby grant and convey, for the benefit of the Owners and Users of all the Benefitted Properties, a nonexclusive, perpetual easement to encumber a certain portion of the HLP Property, as more particularly described in the attached **Exhibit A** (the “**HLP Easement Area**”) for Vehicular Access over, upon, and across the HLP Easement Area and for utility and drainage purposes in, to, under, and across the HLP Easement area for the purpose of installation, operation, and use of the Utility Improvements.

**4. MPP Grant of Easement.** MPP does hereby grant and convey, for the benefit of the Owners and Users of all the Benefitted Properties, a nonexclusive, perpetual easement to encumber a certain portion of the MPP Property, as more particularly described in the attached **Exhibit B** (the “**MPP Easement Area**”) for Vehicular Access over, upon, and across the MPP Easement Area and for utility and drainage purposes in, to, under, and across the MPP Easement area for the purpose of installation, operation, and use of the Utility Improvements.

**5. County Grant of Easement.** County does hereby grant and convey, for the benefit of the Owners and Users of all the Benefitted Properties, a nonexclusive, perpetual easement to encumber a certain portion of the County Property, as more particularly described in the attached **Exhibit C** (the “**County Easement Area**”) for Vehicular Access over, upon, and across the County Easement Area and for utility and drainage purposes in, to, under, and across the County Easement area for the purpose of installation, operation, and use of the Utility Improvements.

**6. Utilities and Drainage.** The Parties hereby agree that all Utility Improvements shall be underground except: (i) pad mounted electrical transformers, if any, which shall be designed and located in a manner to minimize their visual impact; (ii) as may be necessary during period of construction, reconstruction, repair, or temporary service; (iii) as may be required by governmental agencies having jurisdiction over the Benefitted Properties; or (iv) as may be required by the provider of such service.

**7. Construction of Access Improvements and Utility Improvements.**

**a) Construction.** County shall, as soon as practicable after the effective date of this Agreement, and at its sole cost and expense, commence design, engineering, permitting and construction of the Access Improvements and Utility Improvements. Prior to any construction, County shall have plans prepared for construction of the Access Improvements and Utility Improvements (the “**Plans**”) and shall submit these Plans to HLP and MPP for their approval, which shall not be unreasonably withheld. If HLP and MPP do not provide written approval of the Plans, County shall use commercially reasonable efforts to obtain such approval and to address any concerns, and to the extent necessary, submit revised Plans to HLP and MPP. If any material changes to the Plans are made after submission and approval by HLP and MPP, County shall provide such revised Plans to HLP and MPP for review and approval prior to construction.

**b) HLP and MPP Right to Construct.** Notwithstanding the foregoing, if County has not yet commenced construction of all or any portion of the Access Improvements and Utility Improvements, and HLP and/or MPP determine, in their sole discretion, that commencement of the construction of these improvements, or any portion thereof, is necessary as part of the development of the HLP Property and/or MPP Property, HLP and/or MPP may, upon prior written notice to all Parties, construct such improvements themselves, and at their sole cost and expense.

**8. Temporary Construction Easement.** The Parties hereby grant to each other a temporary, non-exclusive easement (“**Temporary Easement**”) to use such portions of the HLP Properties and MPP Property (or the County Property to the extent that HLP or MPP elect to construct the Access Improvements and Utility Improvements) as and to the extent reasonably necessary to perform construction of the Access Improvements and Utility Improvements. The Temporary Easement shall automatically terminate upon the earlier of i) completion of the Access

Improvements and Utility Improvements; or ii) seven (7) years from the Effective Date of this Agreement. Upon request to any Party having been granted this Temporary Easement, said Party shall provide written confirmation upon completion of construction that the Temporary Easement has terminated, which written confirmation may be recorded, at the sole cost and expense of the requesting Party.

**9. Insurance.** Any party performing construction of the access improvements and utility improvements, which includes work on the real property of another party to this Agreement, shall cause its contractors and subcontractors to carry and keep in force, at a minimum, the following insurance coverage during the performance of such work:

a) **Commercial General Liability** insurance with limits of not less than \$1,000,000.00 per occurrence.

b) **Business Automobile Liability** insurance with limits of not less than \$1,000,000.00 per occurrence, covering all owned, hired, and non-owned vehicles used in connection with the work.

c) **Worker's Compensation Insurance** as required by the laws of the State of Florida including Employer's Liability coverage.

d) **Pollution Liability Insurance** with limits of not less than \$1,000,000.00 per occurrence.

All such policies shall name each party to this Agreement as additional insureds.

**10. Indemnification.** Subject to the rights and protections set forth in Section 768.28, Florida Statutes, any Party performing construction activities pursuant to this Agreement covenants and agrees to indemnify and hold harmless the non-constructing Parties, their successors and assigns, against any loss, cost, expense, lien, or other claim incurred by the constructing Party due to the exercise of their rights under the Temporary Easement and/or performance of construction activities permitted by this Agreement. In the event a lien is recorded against any of the Benefited Properties for which the constructing Party is responsible, the constructing Party shall cause such lien to be removed, either by satisfaction or transfer to bond, within thirty (30) days of the recordation of such lien. County, as a local government, is subject to Section 255.05, Florida Statutes for the aforementioned liens. County, upon notification of a lien under this section, may alternatively proceed under 255.05 to remove any such liens, including any performance or payment bonds related thereto. This provision shall survive the termination or abandonment of this Agreement.

**11. Maintenance.** Except as otherwise set forth below, HLP and MPP shall be responsible for the maintenance, repair and upkeep of the Access Improvements and/or Utility Improvements located on their respective Benefited Property, unless such maintenance has been delegated to a property owners or condominium owners' association pursuant to a recorded declaration for such Benefited Property.

**12. Maintenance of County's Easement Area.** County shall be responsible for the maintenance, repair, and upkeep of Access Improvements and Utility Improvements to be constructed within or under the County's Easement Area.

**13. Use.** Notwithstanding anything to the contrary contained herein, each Party reserves for itself and its heirs, successors, and assigns the right to continue to use and enjoy the Easement Areas on its respective Benefited Property for all purposes that do not unreasonably interfere with or interrupt the use or enjoyment of the easements granted herein to any other Party.

**14. Parking.** No cross-parking shall be permitted within or upon the Access Improvements, it being the Parties' intent that the easements granted by this Agreement are for cross-access only, and not for parking, standing, storing or leaving vehicles unattended.

**15. Miscellaneous.**

**a) Construction.** The fact that a Party may be deemed to have drafted or structured any provision hereof shall not be considered in construing the particular provision, either in favor of or against such Party.

**b) Captions.** The captions at the beginning of the paragraphs of this Agreement are not a part of this Agreement, but merely are labels to assist in locating and reading the respective paragraphs hereof.

**c) Severability.** If any provision of this Agreement is declared by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Agreement (or the application of such provision to persons or circumstances other than those in respect of which the determination of invalidity or unenforceability was made) shall not be affected, and each other provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

**d) Governing Law.** All questions concerning the meaning, execution, construction, effect and validity of this Agreement shall be judged and resolved in accordance with the laws of the State of Florida.

**e) Modification.** No changes, alterations, modifications, additions or qualifications to the terms of this Agreement shall be binding upon the Parties hereto, unless made in writing and signed by the parties to be bound thereby.

**f) Approvals.** When approval by any Party is required under this Agreement, such approval shall not be unreasonably withheld, conditioned or delayed. Absent a reference to a specific period of time, the period of time in which approval shall be granted or denied shall be thirty (30) days from the date of written notice. If a Party neither approves nor disapproves a proposed action within such period, such Party will be deemed to have given such Party's approval.

**g) Notices.** All notices, statements, demands, approvals and other communications ("Notices") given pursuant to this Agreement shall be in writing and sent to the Parties at the addresses for each Party set forth above. All Notices given in accordance with this Agreement shall be deemed to have been given and received on the date of personal delivery, or, if sent by (1) certified mail, on the third (3rd) business day after the date of deposit in the U.S. mail, or (2)

Project: Orange County Fire Station #48 (Avalon Road)

overnight courier, on the next business day after delivery to the courier. A Party may change its address for notice purposes by delivering a Notice to the other Parties in the manner provided for in this paragraph.
