**SUBJ: Approval to Increase the Speed Limit on Nova Road.**

A concerned citizen has requested Orange County to review the posted speed limits on Nova Road from State Road 520 to Orange County/Osceola County limits. The posted speed limit on Nova Road is 30 mph. The citizen believes the current posted 30 mph speed limit is too low and creates a safety concern.

A speed study conducted by staff shows an 85<sup>th</sup> percentile speed of 60 mph on Nova Road. Based on the results of the speed study and a field review of traffic conditions, our staff recommends that the Board approve an increase in the posted speed limit from 30 mph to 50 mph on Nova Road from State Road 520 to Orange County/Osceola County limits.

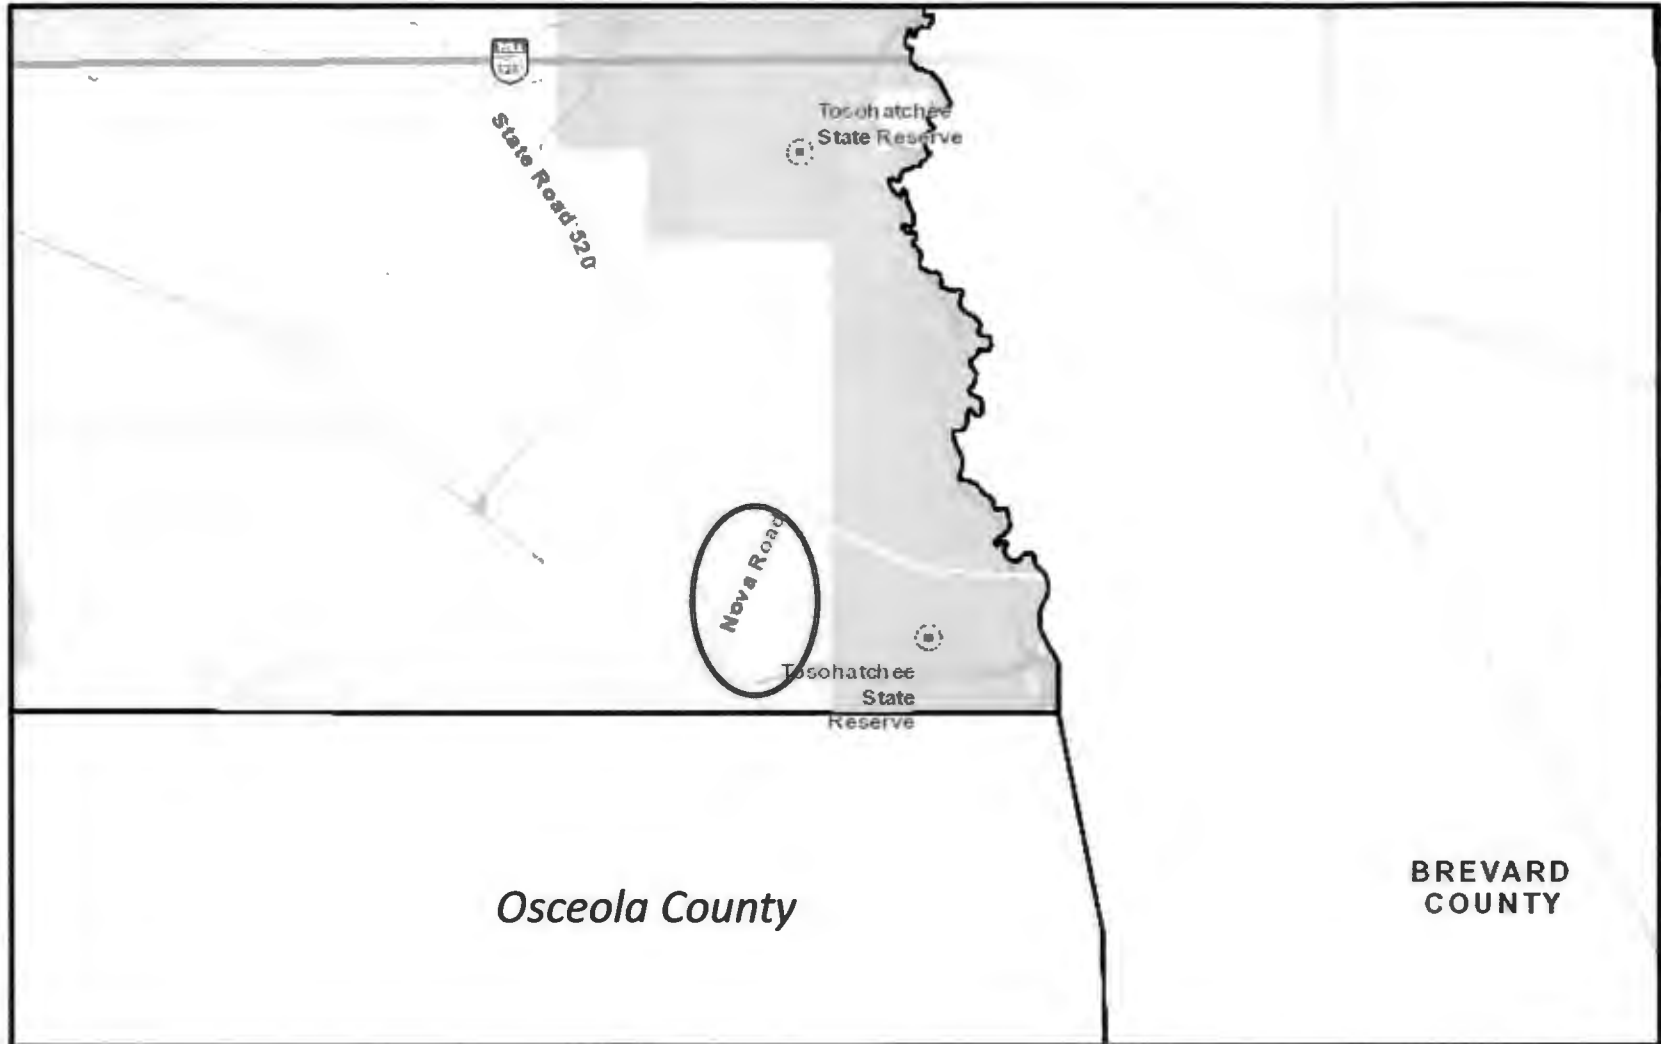

**Action Requested: Approval to increase the speed limit on Nova Road between State Road 520 and Orange County/Osceola County limits from 30 mph to 50 mph. District 4.**
