**Good afternoon Mr. Mayor and County Commissioners,**

**My name is Jose O. Rosa. My background is in sports massage therapy. I've been a Florida resident since 1994. I have two beautiful daughters, Heather Nicole (30yrs-old), Candice Zipporah (29yrs old). My wife (Yalisa) and I are currently expecting a baby boy that's due on the 20<sup>th</sup> of this month. I also have four beautiful grandchildren. Together we have enjoyed many peaceful and blessed moments at Cypress Grove Park that will forever enrich the Rosa family album. I am originally from New York City; New York City houses the world-famous Central Park in mid-town Manhattan. One of the interesting things about New York's Central Park is that although surrounded by incessant hub bub, towering Skyscrapers, busy people going a mile a minute, there sits this "contradiction" in the middle of it all! - hence its name. Cypress Grove Park reminds me of that but in a much significant way. It's the park of many a barbecue, plenty of baby showers, New Year's resolutions, birthday parties, challenging walks and runs, concerts etc. It's the park that personally helped me therapeutically during one of the most difficult times. The park that offered solace, peace and strengthened my walk with the Lord offering serious reflexion and change. It's a park that is also a contradiction of its environment. The beautiful towering trees and protective shade served to remind me of "abiding under the shadow of the almighty" Psalms 91;1 The fast-running Orange Avenue on one side and the "heavy marketed" Orange Blossom Trail on the other. Right between these two races is the green oasis of Cypress Grove Park planted for the benefit and blessing of its surrounding friends and families. Many of our friends deeply cherish and enjoy the memories formed here. They would be forever compromised if the park would in any way be changed from its original layout. It's an incredible task to express in words what the park means to us personally but if you ask me, I would honestly have to respond that it means one thing very special in the Winter! Something totally different in the Spring! Another heartfelt experience in the Summer and an altogether refreshing experience in the fall!!! Its' the park of the community. It's our Park. It's God's Park. On behalf of our family, Mr. Mayor and County Commissioners, please save our Park.**

**Thank you for your time.**

**Jose O. Rosa**
