

# INTERNATIONAL DRIVE PEDESTRIAN OVERPASS

## ANALYSIS & CONCEPTUAL DESIGN STUDY

ORANGE COUNTY MAYOR  
**JERRY L. DEMINGS**

DISTRICT 6 COMMISSIONER  
**MICHAEL "MIKE" SCOTT**

ISSUE #2 – May 2025

## BOARD OF COUNTY COMMISSIONERS MEETING SCHEDULED FOR JUNE 17, 2025

Orange County is finalizing the design of a pedestrian overpass at the intersection of Sand Lake Road and International Drive with the goals of improving pedestrian safety and creating an aesthetic gateway to one of Orange County's most-heavily traveled corridors.

The recommended alternative involves an elevated pedestrian bridge over the intersection to provide a safe, walkable alternative for foot and bicycle traffic. The bridge will provide access using switchback stairways and elevators to travel between all four corners of the intersection. The Study involves significant data collection, including current and future traffic volumes, current and future land use along the corridor, and right of way needs. The Study also involves thorough environmental analysis to evaluate potential impacts to protected and endangered species, wetlands, or other natural resources.

The County invites you to attend a public community meeting to review the preferred alternative under consideration and to provide input on **Tuesday, June 17, 2025, at the Orange County Commission Chambers, 201 S. Rosalind Avenue, Orlando, FL 32801 at 2PM (or shortly thereafter).**

**PEDESTRIAN BRIDGE LOCATION - SAND LAKE ROAD & INTERNATIONAL DRIVE**

Maps and displays depicting project information will be available for public review and comment. Project representatives will also be present to discuss the project and answer any questions.
