Dear Emily Bonilla:

SUBJECT: NAVAL SUPPORT ACTIVITY ORLANDO TRAFFIC IMPACTS

Traffic congestion in East Orange County in the vicinity of the Central Florida Research Park has become a challenge for NSA Orlando. I am concerned for the welfare of the Department of Defense (DoD) workforce operating in this area as well as the security of the installation. I look forward to partnering with you and your staff on creative solutions to this challenge.

Please contact my point of contact, Ms. Cassie Muffley, at 407-579-3487 or cassie.muffley@navy.mil with questions or concerns. Thank you for your continued support of NSA Orlando.
