Existing Conditions

Site Plan

Considerations

- Project reviewed in accordance with Chapter 33, Article II.
- Neighbor to the west has an adjoining seawall.
- Existing wood seawall is beginning to buckle and fail.
- Rip rap and plantings are not being requested to avoid navigation concerns because the property is located on a canal.
- Notification of the public hearing was sent to property owners within 500 feet of the project site.

Action Requested

Approval of Shoreline Alteration/Dredge and Fill permit application (SADF-18-06-015) for John and Karen Edmondson, subject to the conditions listed in the staff report.
