SUBJECT: Aviation Noise Abatement Committee Nomination
CONSENT AGENDA ITEM MARCH 22, 2022

The Aviation Noise Abatement Committee (ANAC) was established by interlocal agreement between Orange County and the Greater Orlando Aviation Authority (GOAA) on November 1, 1977. ANAC makes recommendations for establishing noise abatement procedures and monitors the implementation of such procedures. Orange County nominates all local government representatives for appointment, including those from the City of Orlando and Osceola County. GOAA makes the appointments. Terms are for four years.

There is one vacancy on ANAC due to the final term expiration of Simon Snyder (representative of North Orange County (Winter Park)). In addition, the term of John D. Hermann (representative of an unincorporated noise-impacted area (Conway)) will expire April 4, 2022.

Commissioner Uribe would like to nominate John D. Hermann for reappointment in the representative of an unincorporated noise-impacted area (Conway) category with a term expiring April 4, 2026.

ACTION REQUESTED: Approval of the nomination for reappointment by the Greater Orlando Aviation Authority to the Aviation Noise Abatement Committee of John D. Hermann in the representative of an unincorporated noise-impacted area of Orange County (Conway) category with a term expiring April 4, 2026.
