County Commissioners

THRU: Raul Pino, MD, MPH, Department Director
Health Services Department 

FROM: Claudia Yabrudy, Manager
Fiscal and Operational Support
Contact: (407) 836-6583

SUBJECT: Ryan White Part A Fiscal Year 2023-2024 Award Acceptance
Consent Agenda – February 21, 2023

The Ryan White Part A Program is a federally-funded program of health and support services for persons with human immunodeficiency virus (HIV) living in Orange, Osceola, Seminole, and Lake Counties. The program provides funding for core and support services to consumers affected by HIV. Core services consist of medical and dental care, nutritional supplements, insurance co-pay and premium payments, medical case management, pharmaceutical drug reimbursement, mental health counseling, and substance abuse treatment. Food, transportation, and psychosocial support services complement the program as support components. Services are provided by community agencies under contract with the County.

In addition to direct services for consumers, the grant also provides funding for administration, quality management, and support of the HIV Health Services Planning Council. County employees funded by the grant fill the roles for administration and quality management. The Planning Council is an appointed group of providers, lay persons, and consumers that offer guidance for administration of the program. Staff support for the Planning Council is provided by a contracted agency.

The upcoming Federal Ryan White Part A Fiscal Year is March 1, 2023 through February 29, 2024. Notification of the actual amount of the grant award for that time period is expected to be received from the Federal Health Resources and Services Administration (HRSA) in April 2023. The award is expected to be approximately \$11,677,151 which is nearly \$556,054 more than the award for the 2022-2023 grant. In order to execute contracts beginning March 1, 2023, and continue services from the current year, Board approval to accept the award is needed prior to the time that the actual amount of the award is known.

The Health Services Planning Council must allocate awarded funds in accordance to HRSA guidelines for the approved services planned. In order to expedite the use of any additional funding, approval is requested to authorize the County Mayor or designee to approve acceptance of any additional funding received under this grant during the period of March 1, 2023 through February 29, 2024.

ACTION REQUESTED: Approval to accept the Federal Health Resources and Services Administration Grant Award for Ryan White Part A funding in the estimated amount of \$11,677,151 for the period of March 1, 2023 through February 29, 2024 and authorization for the County Mayor or designee to approve any increases or decreases in the award amount. **(Health Services Department)**

Cc: John Goodrich, Deputy Director
