4. If the County fails to exercise any one or more of the above functions from time-to-time, this will not be deemed a waiver of the County's right to exercise any or all of such functions.

ARTICLE 7
UNION BUSINESS

1. Union officers and Union representatives shall be paid by the County only when they perform assigned fire and rescue duties and/or work directed by the County. To the extent that these employees wish to perform Union duties (such as negotiations, grievance processing, attending Union conventions, etc.) during their normal work schedules, they may utilize union pool leave, personal leave, or shift exchange; provided, however, that they comply with the rules otherwise applicable to union pool time, personal leave, or shift exchanges.

2. The County agrees to establish a Union Time Pool not to exceed 600 hours in each fiscal year of this Agreement. The County will contribute 300 hours to the Pool on the first day of the first full pay period after October 1 of each year of this Agreement. The hours contributed by the County shall be maintained in the pool on an hour for hour basis. Hours contributed by the County not used at the end of the fiscal year shall not be rolled over to any subsequent fiscal year. 240 of the hours contributed by the County shall be used exclusively for activities that benefit a member or members of this bargaining unit.

3. Upon 80% exhaustion of the County contributed hours, the Union may request that a 2-week Union Time Pool contribution period be initiated. Bargaining unit employees may contribute up to 300 hours of personal leave, not to exceed twelve (12) hours per employee, during this 2-week contribution period. Only one Union Time Pool contribution period can be conducted in any fiscal year. The hours contributed by employees will be maintained in the pool as a dollar amount using the contributing employee's base hourly rate. Hours contributed by employees may be rolled over to a subsequent fiscal year; provided, however, that donations for the subsequent fiscal year shall be allowed only up to the point where the Time Pool contains 300 hours of leave donated by employees. Roll over hours shall be utilized during the subsequent fiscal year upon exhaustion of the County contributed hours.

4. The Union Time Pool may be used by no more than two (2) employees per twenty-four (24) hour day for Union business. Requests for such time off shall be in writing, using the designated Request for Withdrawal form, and shall be submitted to the Chief or his designee for approval at least forty-eight (48) hours prior to the time of such requested time off, unless circumstances beyond the Union's control warrant less notice, whereupon the request may be submitted verbally with the need for the shorter notice substantiated and later confirmed in writing. The Chief or his designee shall notify the employee within a reasonable period of time prior to the requested time off of approval or denial of the request. Any request which fails to comply with these requirements shall be denied. Otherwise, approval for the use of Union Time Pool shall be withheld only upon operational need or where the granting of the request will result in overtime cost to the County.

5. The Department shall submit the designated Request for Withdrawal form to the Payroll Department for each bargaining unit employee requesting to use time from the pool within the deadline established by the Payroll Department.

6. Any corrections, revisions or adjustments necessary for any reason will be made

7. The Union Time Pool hours contributed by the County shall be charged on an hour for hour basis. The Union Time Pool hours contributed by the employees shall be charged by multiplying the hours being requested times the leave user's hourly rate of pay, and deducting that amount from the Time Pool balance. Dollar amounts shall be rounded to the nearest whole cent.

8. Any injury received or accident incurred by a Union member whose time is being paid for by the Union Time Pool, or while engaged in activities paid for by the Union Time Pool shall not be a considered line of duty injury, nor shall such injury or accident be considered to have been incurred in the course and scope of employment by the County within the meaning of Chapter 440, Florida Statutes, as amended. This section shall not include benefits attainable through Florida Statutes 112.181.

9. The Union agrees to indemnify and hold harmless the County, its agents, employees and officials from and against any claims, demands, damages or causes of action (including but not limited to claims, etc., based on clerical or accounting errors caused by negligence), or any nature whatsoever, asserted by any person, firm or entity, based on or relating to any payroll deduction required or undertaken under this article, and agrees to defend at its sole expense any such claims against the County or its agents, employees or officials. The term officials as used herein includes elected or appointed officials.

10. Management maintains the authority, in its sole discretion, to authorize leave with pay for union activities when it is believed to be in the best interest of the department and /or the County. Hours authorized under this provision will not be deducted from the Union Time Pool.

ARTICLE 8
SEVERABILITY

1. If any provision of this Agreement is rendered or declared invalid by any court action or by reason of any existing or subsequently enacted legislation, the remaining provisions of this Agreement shall remain in full force and effect for the term of this Agreement. In the event any provision of this Agreement is lawfully declared invalid, the County and the Union shall meet as soon as practicable to negotiate a replacement provision.

ARTICLE 9
RULES AND REGULATIONS

1. Except as modified by a specific provision of this Agreement, the Orange County Policy Manual, Rules and Regulations, Administrative Regulations, Department SOP's, General Orders, or any other recognized County or Departmental Policies shall govern the employees covered hereunder.

All amendments or modifications shall include underlined and strike through language. The Fire Chief may on a temporary basis (no more than 30 days), implement with Union involvement when possible, an Emergency SOP when operational or administrative actions are warranted.

3. Amendments, revisions or modifications of rules, regulations, SOP's, or policies that conflict with the terms of this Agreement are invalid unless this Agreement is likewise altered as agreed to by the parties.

4. Employees shall comply with all applicable rules, regulations, SOP's, general orders, or policies. No disciplinary action will be taken for violation of a posted rule, regulation, SOP, or policy until at least ninety-six (96) hours after posting. "Posting" may be accomplished through electronic mail, telecommunication, bulletin board posting, or any other appropriate means.

ARTICLE 10
DISCIPLINE

1. The Fire Chief, or his designee, may discipline any bargaining unit employee for just cause. The types of discipline authorized under these policies include discharge, suspension without pay, demotion, written reprimands and oral reprimands. Counseling is not considered discipline.

- A. The seriousness and circumstances of the particular offense.
- B. The past record of the employee and his length of service.
- C. The lapse of time since the employee last required disciplinary action.
- D. The County practice in similar cases.

The parties recognize, however, that certain serious offenses will be basis for immediate discharge without regard to prior record, length of service or other considerations (such as discipline or discharge under Article 15).

3. In the event that a suspension, demotion or discharge action is to be taken against a bargaining unit employee, he/she shall be furnished a written statement specifying the grounds that may exist for such action and the opportunity for a pre-determination hearing in accordance with applicable County/Department policy. Bargaining unit employees may be relieved from duty with pay pending an investigation and/or disciplinary action. An employee who is arrested may be automatically relieved from duty without pay pending criminal investigation. If an employee is convicted of a felony, pleads nolo contendere to a felony, or if adjudication is withheld, management may, in its sole discretion, and without regard to paragraph 1 above, terminate the employee.

4. All new hires shall serve a probationary period of one year. Likewise all newly promoted or appointed bargaining unit employees shall serve a probationary period of one year. Additionally, non-probationary employees may be placed on probation for either disciplinary or performance-related reasons. Initial hire probationary employment is at will, and initial hire probationary employees may be separated from employment at any time during their probationary period based on unsatisfactory performance or for disciplinary reasons, as determined by the Fire Chief in his sole discretion. Newly promoted or appointed probationary employees may be returned to their former position at any time during their probationary period based on unsatisfactory performance or for disciplinary reasons; and grievance for such actions may not be advanced past Step Three of the grievance provisions of this Agreement.

5. Investigations conducted by the Fire Rescue Department into alleged employee misconduct shall be completed within forty-five (45) calendar days of the date of the commencement of the investigation, except where the Department determines that additional time is necessary to complete the investigation due to circumstances beyond the Department's control. Investigations not completed either within forty-five (45) calendar days or within the time

extended due to circumstances beyond the Department's control shall be limited to a discipline no more severe than written reprimand.

6. Disciplinary actions below the level of suspension without pay shall not be advanced past Step Three of the grievance and/or arbitration provisions of this Agreement.

7. Bargaining unit employees shall not be subject to the County's disciplinary or grievance/appeal procedures. This Agreement shall establish the exclusive procedures for taking disciplinary action as well as grievances/appeals therefrom.

ARTICLE 11
STRIKES

1. The Union and/or the bargaining unit employees shall not instigate, support, or participate in any manner in a strike against the County.

2. Any violation of this Article shall subject the violator to the penalties provided under F. S. Chapter 447.507, up to and including termination.

ARTICLE 12
GRIEVANCE AND ARBITRATION PROCEDURES

1. Bargaining unit employees will follow all written and verbal orders given by superiors even if such orders are alleged to be in conflict with this Agreement. Compliance with such orders will not prejudice the right to file a grievance within the time limits contained herein, nor shall compliance affect the ultimate resolution of the grievance.

2. A "grievance" is defined as a dispute regarding the interpretation or application of this Agreement. Grievances are limited to claims that are dependent for resolution exclusively upon interpretation or application of one or more express provisions of this Agreement, including any rules or regulations incorporated by reference therein. No grievance will or need be entertained or processed which does not meet this definition, is not presented in the manner described herein, and/or is not filed in a manner provided herein within the time limit prescribed herein. A grievance may be filed by a bargaining unit employee or the Union. Grievances filed by a bargaining unit employee shall be limited to matters personally affecting that employee. In either case, the procedure to be followed will be the same. The grievant (whether it be the Union or an individual employee) and management may agree to waive Step One in any grievance.

3. Grievances will be processed in the following manner and strictly in accordance with the following stated time limits:

STEP ONE: An aggrieved employee or the Union shall present in writing the grievance to the Human Resources Service Center at Fire Rescue within ten (10) working days of the occurrence of the event(s) which gave rise to the grievance on the prescribed grievance forms which shall be standard forms used throughout the grievance procedure. Upon receipt of the grievance, the Human Resources Service Center at Fire Rescue will forward the grievance to the appropriate Division Manager for a Step I determination. The grievance shall be signed by the employee and shall state: (a) the date of the alleged events which gave rise to the grievance; (b) the specific Article or Articles and paragraphs of this Agreement allegedly violated; (c) statement of fact pertaining to or giving rise to the alleged grievance; and (d) the specific relief requested. The Division Manager or designee shall, within ten (10) working days after receipt of the grievance, render his or her decision on the grievance in writing, with copies to the grievant (if an individual employee), the Union, the Fire Chief and the Human Resources Division.

STEP TWO: Any grievance which cannot be satisfactorily settled with the Division Manager shall then be taken up by the Fire Chief or his designee. The grievance, as specified in writing within STEP ONE above, shall be filed with the Fire Chief or his designee within ten (10) working days after the due date for the Division Manager's response in STEP ONE above. The Fire Chief or his designee shall meet with the grievant or the union within fifteen (15) days after receipt of the grievance. The Fire Chief or his designee, within ten (10) working days after meeting with the grievant or the union, shall render his decision on the grievance in writing.

STEP THREE: Any grievance which cannot be satisfactorily settled in STEP TWO above shall then be taken up with the Grievance Adjustment Board by filing a request for such Grievance Adjustment Board with the Human Resources Service Center at Fire Rescue within ten (10) working days after the due date for the Fire Chief's or his designee's response in STEP TWO above. The grievance will then be forwarded to the Human Resources Division for scheduling. The Grievance Adjustment Board shall consist of the County Administrator, or his designee, the Union President, or his designee, and a Department Head (other than the Fire Chief), or his/her designee. The Grievance Adjustment Board shall be scheduled within ten (10) working days after receipt of the grievance unless such scheduling is delayed as a result of the unavailability of one (or more) of the Board members. The grievant's presentation to the Board shall be limited to the issues and request for relief set forth in the grievance filed at STEP TWO of the grievance procedure. The majority decision of the Grievance Adjustment Board shall conclusively determine the grievance. The proceedings of the Grievance Adjustment Board shall be recorded, and it shall be the obligation of the grievant (or his/her Union representative) to present all evidence and arguments in support of his/her position.

4. If any grievance is not determined in STEP THREE above, the grievant may request arbitration by hand delivery or by certified or registered mail of a written notice to the County Administrator within ten (10) working days of the Board's decision (or the deadline for issuance of the Board's decision). Said written notice of arbitration shall include a written statement of the position of the Union (or the individual grievant) with respect to the issues upon which arbitration is being sought. The grievant's presentation at arbitration shall be limited to the issues and request for relief set forth in the original grievance filed at STEP ONE of the grievance procedure. A bargaining unit employee shall not have the right to advance a grievance to arbitration on his/her own behalf, except if the Union declines to advance the grievance to arbitration because the employee is not a dues paying Union member.

5. Within ten (10) working days from receipt of such notice of arbitration, the parties shall meet to select an arbitrator. In the event the parties cannot agree on an arbitrator, the party requesting arbitration shall, within ten (10) working days, request a list of nine (9) qualified arbitrators who reside within the State of Florida from the Federal Mediation and Conciliation Service. The party requesting arbitration will strike an initial name from the list of arbitrators, with the parties thereafter alternately eliminating, one at a time, from said list of names, persons not acceptable, until only one (1) remains, and this person will be the arbitrator.

6. As promptly as possible after the arbitrator has been selected, he or she shall conduct a hearing between the parties and consider the grievance. The decision of the arbitrator will be served upon the individual employee or employees involved, the County and the Union, in writing. It shall be the obligation of the arbitrator to make his/her best effort to rule within thirty (30) working days after the hearing. The expenses of the arbitration, including the fee and expenses of the arbitrator, shall be borne equally by the parties. Any party desiring a transcript of the hearing shall bear the cost of such transcript unless both parties mutually agree to share the cost. Each party shall bear the expense of its own witnesses and of its own representatives, including attorneys, for purposes of the arbitration hearing.

7. The arbitrator shall confine his or her consideration and determination to the written grievance presented in STEP ONE of the grievance procedure. The arbitrator shall have no authority to substitute his or her judgment for that of management in any area identified in this Agreement or by law as a management right, and/or change, amend, add to, subtract from, or otherwise alter or supplement this Agreement or any part thereof or amended thereto. The arbitrator shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration or is not a grievance as defined in this Agreement.

8. The arbitrator may not issue declaratory opinions and shall confine him or herself exclusively to the question that is presented to him or her, which question must be actual and existing. The decision of the arbitrator shall be binding, subject to any appeal or review rights. Either party shall be entitled to seek judicial review of the arbitrator's decision in accordance with Florida law.

9. No decision of any arbitrator or the County in any one case shall create a basis for retroactive adjustment in any other cases. All claims for back wages shall be limited to the amount of wages that the employee otherwise would have earned from the County, less any employment compensation and/or interim earnings that he/she may or might have received during the period involved.

10. It is agreed with respect to this grievance and arbitration procedure that:

(a) It is the intent of the parties that a grievance must be raised at the earliest possible time. Any grievance, in order to be entertained and processed, must be submitted in a timely manner by the grievant (whether the grievant is the Union or an individual employee).

(b) Grievances not submitted by the grievant in a timely manner shall be conclusively barred on the merits following the expiration of the prescribed time limit. Such a time-barred grievance need not be entertained or processed, and only facts disputed as to the timing will be subject to any arbitration resulting from the matter. A grievance that is, for any reason, not the subject of a timely response by the County or by the Department shall be deemed denied at that step and the grievant may proceed to the next step. The failure to proceed on a timely basis to the next step shall bar the grievance.

11. Bargaining unit employees may not avail themselves of the grievance procedure set forth in the County's Policies. The filing of a lawsuit or an administrative charge/complaint shall bar the filing of a grievance, and/or operate as an automatic withdrawal of a previously filed grievance, arising out of the same operative facts as the lawsuit or the administrative charge/complaint.

12. Any grievance filed on behalf of or for the benefit of any employee or employees must specifically name all such employees, and may not be amended after completion of STEP ONE to add names. No monetary or other relief shall be granted or awarded to any employee not so named.

13. In all cases requiring the aggrieved employee or the Union to timely present ~~or~~ ~~advance~~ a grievance, the grievance shall be presented via facsimile, email, or hand delivery during the hours of 9:00 a.m. until 5:00 p.m., Monday through Friday, except holidays referenced in this Agreement, to the Human Resources Service Center at Fire Rescue For those grievances submitted via facsimile or email, the grievant must simultaneously forward the original hard copy grievance form by interoffice mail. A grievance must be advanced in person by the grievant or union during the hours outlined above.

2. All materials to be placed on the bulletin boards by the Union will be signed by the Union President or his designee. Copies of any material will be delivered to the Fire Chief or his designee for approval within forty-eight (48) hours prior to actual posting.

3. Material placed on the bulletin board shall pertain only to Union business and activities and shall not contain anything political, controversial, or anything reflecting negatively upon the County, any of its employees, elected officials or officers, its constituents or independent agencies, and shall not, in any event, violate the provisions of the County's Code of Conduct. ARTICLE 15
EMPLOYEE DRUG AND ALCOHOL TESTING

1. The County and the Union mutually agree that employee substance and alcohol abuse constitutes a danger to the employee, fellow employees, and the general public. It is further agreed that the safety of public property and equipment is placed in jeopardy if an employee is under the influence of a controlled substance, narcotic, drug or alcohol. Furthermore, the Union and the County will work together to provide a drug-free workplace as defined under Florida Statute 440.102. It is further understood that if the above-referenced statute is amended or changed in any manner that the impact shall not automatically be passed on to the employee.

2. To allay public concerns regarding substance and alcohol abuse by Public Safety employees and to mitigate the danger to other employees in the work place and to citizens generally, the County and the Union mutually agree that the following provisions will be implemented:

- A. The Fire Chief or his designee may order an employee to submit to any type of toxicology or alcohol testing deemed appropriate under any of the following circumstances: (1) upon reasonable suspicion that an employee has been on duty or has reported for duty with any controlled substance, narcotic, drug or alcohol in his/her system; (2) if an employee has been arrested for any drug related offense; (3) upon a motor vehicle accident or workplace injury; or (4) pursuant to random selection process. Thereafter, the provision of paragraphs B, C, D, and E, below, shall apply. For the purpose of this paragraph the term "reasonable suspicion" shall mean a belief on the part of the Fire Chief, or designee, that the information upon which the suspicion is based is reliable. For documentation purposes, this information shall be reduced to writing at the time of the order to submit to testing. Employees shall be selected for random testing in such a manner as to ensure that each employee will have an equal chance of selection.
- B. Testing will be conducted in accordance with CDL regulations by a certified laboratory or agency.
- C. Upon written request from the employee, a different certified laboratory or agency will conduct a test on the second portion of the original specimen if the request is received within seventy-two (72) hours of the time the employee is notified of a positive test result on the original sample.

If requested to conduct a test on the second sample, the certified laboratory will confirm any positive test result by a gas chromatography test on the second sample of the original specimen.
- D. For alcohol testing purposes, employees will be asked to provide test samples that will be submitted to an appropriate alcohol testing procedure. A 0.04 or greater blood/alcohol level will deem the employee to be impaired and will be considered a positive test result. A positive test may result in disciplinary action up to and

including dismissal.

- E. Employees who refuse to comply with the provisions of this Article, including but not limited to refusing to report for drug testing at the time and place directed, shall be terminated.
- F. In accordance with the provisions of Florida Statutes, the test results and all other medical reports shall remain confidential and are not subject to public release. However, the results and reports may be disclosed in any arbitration or litigation involving the employee.
- G. Employees may request Union representation during any of the testing procedures, provided that the Union representative does not in any manner interfere with or delay the testing procedures or jeopardize the security of the tests.
- H. The County, in its sole discretion, and without limiting its rights under sub-section J below, may provide the opportunity for employees to enter a County-approved/sponsored rehabilitation program. The parties agree that the County has the sole authority to determine whether to maintain and/or continue any County-approved/sponsored rehabilitation program and that any approval for an employee to enter any rehabilitation program may be limited by the County to one opportunity during an employee's employment. An employee may be allowed to voluntarily enter a County-approved/sponsored rehabilitation program, assuming that the employee has had no history of substance influence or use, that no disciplinary action is pending (and further that the employee has done nothing for which he could be subject to disciplinary action), and that no accident, injury, reasonable suspicion request, or random selection has occurred at the time of such request. The County and Union encourage employees to volunteer in seeking assistance by way of professional counseling.
- I. If an employee enters a County-approved/sponsored rehabilitation program in accordance with paragraph J. above, then, upon successful completion of rehabilitation (as determined by a County-designated physician) the employee shall be returned to his regular duty assignment or the equivalent thereof. If follow-up care is prescribed after treatment, such may be imposed by the County as a condition of continued employment. The County shall be allowed complete access to the employee's medical file and counseling records.

Immediately upon an employee's discharge from a rehabilitation program, the employee will provide the County with documentation of the follow-up care requirements as well as permission for the County to ascertain whether the employee has been and/or is abiding by the program requirements. Moreover, the parties agree that entry into such a rehabilitation program shall be deemed to constitute reasonable suspicion that the employee has in his system or is using controlled substances, narcotics, drugs or alcohol, and that, accordingly, the employee may be subject to testing procedures in accordance with paragraphs B

and C above, as required by management, for period not to exceed two (2) years from the date that the employee returns to duty. Should an employee refuse to submit to testing in accordance with the provisions of this paragraph, to voluntarily enter a County-approved/sponsored rehabilitation program, to successfully complete and otherwise comply with the requirements of such program, to comply with the requirements of any follow-up care; or, should the employee test positive for drugs or controlled substances, narcotics, or drugs or alcohol during the aforesaid two (2) years period, the employee shall be immediately dismissed.

J. The County retains the absolute right to determine whether a single positive test result warrants discharge or a lesser disciplinary action. The failure of the County to impose a particular disciplinary action in one situation will not prejudice the County's right to impose such (or a different) disciplinary action in another situation. Nothing in this Agreement shall be interpreted as restricting, in any way, the absolute right of the County to terminate employment for a single positive drug or alcohol test result.

K. The County and Union agree that each employee will undergo annual drug testing as part of their annual physicals. All employees that do not receive annual physicals will be drug tested within a two week period of time from their anniversary date.

3. The County maintains the right to require any bargaining unit employee, at County expense, to undergo a fitness-for-duty test (physical and/or psychological) where the County determines that cause exists for such test.

4. As part of the Fire/Rescue Department Respiratory Protection Program, annual medical examinations will be provided to all Special Risk certified personnel. Examinations will be paid for by the Department, will be scheduled during off-duty time, and will be compensated in accordance with this agreement. Forty-hour employees will schedule their medical examination during working hours.

6. The primary purpose of this program is to identify and inform personnel of any possible health risks. Employees will be notified within thirty (30) days of any abnormal finding requiring medical follow up. All follow up medical appointments will be made during off duty time.

7. Upon request, employees may obtain a copy of their blood test results from the medical facility.

1. The County shall provide insurance for all bargaining unit employees and their dependents in the same manner as all other County employees. The County shall also provide any additional insurance required by law.

2. Employees who retire may continue their group medical insurance coverage. The retiree will pay full premium. To assist in this cost, the County will provide a monthly subsidy to retired employees who have retired from service under the Board of County Commissioners and are receiving Florida Retirement System benefits. The monthly subsidy will begin after the Human Resources Division's benefits section has received proof that the employee has health insurance. Subsidy payments are not retroactive. The subsidy will provide a \$3.00 per month for every year of service to a maximum of 30 years; up to the cost of the employee premium, whichever is lower. In the event the County increases this subsidy for all County employees, the bargaining unit members shall receive the same increase.

For those employees forced to retire by the County due to an illness or injury from which a workers' compensation award has been issued, the subsidy will provide \$5.00 per month for every year of service to a maximum of 30 years, up to the cost of the employee premium, whichever is lower. The minimum subsidy shall be \$75.00 per month. Employees will be eligible for only one of the subsidy rates stated above. In the event the County increases this subsidy for all County employees, the bargaining unit members shall receive the same increase.

ARTICLE 19
WAGES AND INCENTIVES

1. Bargaining unit employees shall receive wage increases, as follows:

- A. Fiscal Year 2014-15

Effective the date of Board approval of this Agreement, all bargaining unit employees employed under this Agreement as of the first full pay period after the date of Board approval of this Agreement will have their base wages recalculated by deducting the paramedic incentive added to their base wages upon promotion to a position within this bargaining unit. The resulting recalculated base wages shall be known as the "Base Wage" and shall be used in all latter Fiscal Years Base Wage calculations.

Following the above recalculation of the base wages, effective October 12, 2014, all bargaining unit employees employed under this Agreement as of the first full pay period after the date of Board approval of this Agreement who have not previously received a Fiscal Year 2014-15 wage increase shall receive a 5% Base Wage increase. Retroactivity will occur only to those bargaining unit employees employed under this Agreement as of the first full pay period after the date of Board approval of this Agreement. The retroactive portion of the Base Wage increase will be paid in a lump sum to those employees in the bargaining unit as of October 12, 2014 and continuing to be in the bargaining unit, on active payroll, upon implementation (pay-out) of the Base Wage increase. This retroactive portion of the Base Wage increase will be calculated by multiplying the sum of Fiscal Year 2014-15 Base Wages only (excluding Work Back and Paramedic Incentive - addressed separately below) while in a bargaining unit position under this Agreement from the first full pay period in Fiscal Year 2014-15 through the last full pay period in 2014-15 by 5%. There will be no retroactive salary/wage recalculations as a result of promotions occurring during the Fiscal Year 2014-15.

Bargaining unit members eligible for Paramedic incentive shall receive retroactive pay in accordance with Article 19 (4). The retroactive portion of the Paramedic Incentive will be paid in a lump sum to those employees in the bargaining unit as of the first full pay period after the date of Board approval of this Agreement and continuing to be in the bargaining unit, on active payroll upon implementation (payout) of the Paramedic Incentive.

Bargaining unit members eligible for Work-back pay shall, in accordance with Article 23, be retroactively paid the difference between the work-back incentive

The retroactive portion of the Work-back will be retroactively paid in a lump sum to those employees in the bargaining unit as of the first full pay period after the date of Board approval of this Agreement and continuing to be in the bargaining unit, on active payroll upon implementation (payout) of the new Work-back rates.

The retroactive portion of the base wage increase will be paid in a lump sum to those employees in the bargaining unit as of October 11, 2015 and continuing to be in the bargaining unit, on active payroll, upon implementation (pay-out) of the base wage increase. This retroactive portion of the base wage increase will be calculated by multiplying the sum of Fiscal Year 2015-16 Base Wages only (excluding Work Back and Paramedic Incentive - addressed separately below), while in a bargaining unit position under this Agreement from the first full pay period in Fiscal Year 2015-16 through the last full pay period in 2015-16 by 4.5%. There will be no retroactive salary/wage recalculations as a result of promotions occurring during the Fiscal Year 2015-16.

The retroactive portion of the base wage increase will be paid in a lump sum to those employees in the bargaining unit as of October 9, 2016 and continuing to be in the bargaining unit, on active payroll, upon implementation (pay-out) of the base wage increase. This retroactive portion of the base wage increase will be calculated by multiplying the sum of Fiscal Year 2016-17 Base Wages only (excluding Work Back and Paramedic Incentive - addressed separately below), while in a bargaining unit position under this Agreement from the first full pay period in Fiscal Year 2016-17 until implementation of the above cited 2016-17 Base Wage increase by 4.5%. Layoffs or authorized leaves of absence without pay shall not constitute a break in service; however, any time lost in these occurrences shall not be counted as time worked for calculating years of service unless the employee returns to work in their former position within one year of layoff and longevity shall be bridged. If the bargaining unit employee is at or near the maximum of the pay range, the seniority incentive shall be reduced to an amount that will place the bargaining unit employee at the maximum of the pay range.

TOBACCO USE

1. It is understood that smoking and/or the use of any and all tobacco products is a known hazard to the health of employees, including members of the bargaining unit. The purpose of this article is to reduce the number of health insurance claims related to the use of tobacco products. It is agreed that the following policy regarding the use of tobacco products shall be adhered to.

2. All bargaining unit members hired on or after October 1, 1989, shall be non tobacco users at the time of hire as a condition of employment and shall be required, as an absolute condition of continued employment, to refrain from smoking cigarettes, cigars, pipes, or use of any type tobacco products of any kind at all times, whether on or off duty. Smoking and the use of tobacco products shall be prohibited when in contact with the general public; in all fire/rescue vehicles; and in areas of the fire department and County facilities, except for designated smoking areas. Any bargaining unit member who violates this provision will be subject to disciplinary action.

4. Bargaining unit employees may be subject to tobacco or nicotine testing.

ARTICLE 21
SAFETY AND HEALTH

1. The County and the Union will cooperate in the continuing objective of eliminating accidents and health hazards. The County and the Union will cooperate in the enforcement of safety rules and regulations and shall promote sound safety practices for the protection of employees.

2. The Union may consult with the County's safety representative and make recommendations in safety matters.

3. All protective devices, wearing apparel, and other equipment deemed reasonable and prudent by the Orange County Fire Rescue Department to protect employees from injury shall be provided by the County. Such protective devices, apparel and equipment, when provided, must be used. The Union agrees that neglect or failure by an employee to obey safety regulations or to use or maintain the safety equipment furnished hereunder by the County shall be basis for disciplinary action up to and including discharge. Additionally, an employee who loses or damages County or Department devices, apparel, or equipment of any type, due to gross neglect or intentional acts, shall reimburse the County for the cost thereof, or the cost of repairing the item (assuming it can be repaired by the County/Department), up to \$500.

4. The County and the Department will maintain such health and safety conditions as are required under applicable federal, state, and local law. Battalion Chiefs shall be responsible for enforcing safety and health requirements adopted by the Department.

5. Bargaining unit members may be required to take and pass an annual physical abilities test, the timing and content of which shall be determined by the Fire Chief or his designee with prior input from the Union.

ARTICLE 22
SENIORITY/LONGEVITY

1. **LONGEVITY:** Longevity, for the purpose of this Agreement, is defined to be the length of continuous uninterrupted service in the Orange County Fire Rescue Department, including any continuous uninterrupted service as firefighters of the abolished Fire Control Districts. Longevity continues to accrue during all types of leave.

Exception: When a member is on leave of absence without pay for a period exceeding thirty consecutive days. The total time accumulated over the 30-day period shall not be counted toward longevity accrual. Leave of absence without pay for periods of 30 days, or less, shall not cause an adjustment in longevity accrual. Longevity is used to calculate certain benefits attributable to the member which benefits are based on accrual rates.

2. **SENIORITY:** Seniority for the purpose of this Agreement is defined to be the accumulated length of service in a rank or classification, as covered by this Agreement. It is not necessary that the accumulated service is consecutive, that is without break. Seniority continues to accrue during all types of leave.

Exception: When a member is on leave of absence without pay for a period exceeding thirty consecutive days. The total time accumulated over the 30-day period shall not be counted toward seniority accrual. Leave of absence without pay for periods of 30 days, or less, shall not cause an adjustment in seniority accrual.

When more than one member accumulates the same length of service, seniority in a rank or classification determines the order. In the event seniority is identical, the longevity, as described above shall be used to determine the outcome. In the event seniority or longevity are the same, then the affected members shall draw lots to determine the outcome. Administration of the lot drawing shall be by the Union. Seniority begins on the date of hire, or promotion. It ceases in that rank, or classification, on the date of promotion to a new rank, or classification, and shall be kept in each member's Fire Department personnel record. Seniority, as referred to in this contract, shall be used in the determination of vacation scheduling and any other procedures referenced in this Article relating to seniority. Nothing in this provision shall be construed to effect negatively employees acquired through the consolidation of departments.

ARTICLE 23
HOURS OF WORK AND WORK-BACK

1. Bargaining unit employees are primarily responsible for performing non-manual work directly related to management policies or the general operations of the Department, or are primarily responsible for managing a unit within the Department, including the supervision of two or more employees. Bargaining unit employees also regularly exercise discretion and independent judgment in performing their job duties. Moreover, bargaining unit employees are paid on a salary basis, and that nothing in this Agreement is intended to convert the bargaining unit employees to hourly employees. It is therefore understood and agreed that bargaining unit employees are exempt from the overtime requirements of the Fair Labor Standards Act.

2. Bargaining unit employees will normally be assigned to work 8, 10, or 24 hour shifts. Qualified bargaining unit employees may be required to work additional hours as deemed necessary by management. Compensation for additional hours of work assigned by higher authority shall be in accordance with the Fire Rescue Department's work-back compensation policy and practice, except as modified herein. Both 56-hour and 40-hour employees shall be eligible for work-back compensation. Block Pay amounts for work-back compensation shall be as follows and paid retroactively in accordance with Article 19 of this Agreement:

Hours Worked Compensation

	<u>Effective</u> 10/12/14	<u>Effective</u> 10/11/15
1-4 Hours	\$149.91	\$156.66
5-9 Hours	\$335.60	\$350.70
10-14 Hours	\$522.05	\$545.54
15-24 Hours	\$899.43	\$939.90

Additional compensation, if any, shall not alter the bargaining unit employees' FLSA overtime exempt status.

3. Shift vacancies for 56-hour Battalion Chiefs shall be filled using a volunteer list for work-back selection if the entire shift (all combat positions) is below established departmental staffing levels, or if the vacancy brings the entire shift (all combat positions) below established departmental staffing levels. If no Battalion Chief on the volunteer list for work-back selection accepts the assignment, then the Department may fill the vacancy with a qualified Captain or Lieutenant. Shift vacancies for 56-hour Battalion Chiefs shall be filled with a qualified Lieutenant or Captain if the entire shift (all combat positions) is at or above established departmental staffing levels or if there are available qualified Lieutenants or Captains when lower ranking positions cannot be filled. For long-term vacancies, (more than four (4) shifts or when the Department is notified that a vacancy of more than four (4) shifts will occur) the Department may assign, at its discretion, a qualified Lieutenant, Captain, or Battalion Chief to fill the vacancy for all or part of the entire vacancy. However, if the vacancy will result in less than fifty percent (50%) of the

regular Battalion Chiefs being on duty, and no Battalion Chief on the volunteer list accepts the assignment, then the Department may fill the vacancy using the Battalion Chief mandatory work-back list.

4. Bargaining unit employees who are directed by a higher authority to work additional hours during states of emergency declared by the County will be paid block pay for all such additional time worked and any additional pay in accordance with applicable local rule or state or federal regulation. Off-duty time or non-assigned time shall not be considered time worked for the purpose of this paragraph.

ARTICLE 24
RECERTIFICATION AND MANDATORY TRAINING

1. It is agreed and understood that compliance with State and County recertification requirements is the responsibility of the individual employees covered hereunder. The Department will make appropriate recertification courses available during normal duty hours at Departmental facilities to the extent management determines such to be feasible. Otherwise it shall be the employees' responsibility to attend such courses off duty at the location where they are offered. Nothing herein shall require the Department to compensate any bargaining unit employee for attending recertification courses off duty.

2. Formal scheduled mandatory training will be conducted at times specified by the Department. Formal scheduled mandatory training shall not be conducted on County recognized holidays.

If the Department mandates an employee to attend training off-duty that is not offered by the Department on-duty, the employee will be eligible for work-back compensation.

ARTICLE 25
PREVAILING RIGHTS

1. All negotiable terms and conditions of employment enjoyed by the bargaining unit employees which are not specifically included in this Agreement shall remain in full force during the term of this Agreement unless changed as authorized by this Agreement, or in accordance with applicable law.

ARTICLE 26

VOTING

1. Employees who are unable to vote during their off-duty hours due to the location of their voting precincts, the unavailability of early voting options, and their work schedules may be permitted leave with pay (not to exceed two hours) to enable them to vote. To qualify for such leave with pay, the employee shall file a written request with his/her Division Manager advising him/her of the reasons for requesting leave and providing him/her with confirmation of precinct location and voter registration. Such request must be made at least seven (7) calendar days in advance, unless circumstances beyond the employee's control (including extra duty assignment) mandate less notice.

2. Upon receipt of a timely and proper request in accordance with paragraph 1 above, the Division Manager shall schedule the employee's voting time in such a manner as to not interfere with operational requirements. It is understood that employees covered hereunder are normally aware of their upcoming work schedule, and, therefore, can vote by absentee ballot or other early voting options if their work schedule causes a conflict with their ability to vote. It, therefore, is further understood that there is no entitlement to leave with pay for voting and that operating requirements may preclude such time off (even if previously authorized by the Division Manager).

ARTICLE 27
PROFESSIONAL COUNSELING

1. The County agrees to provide professional counseling services, such as the current Employee Assistance Program ("EAP"), to bargaining unit members and their families. In the event an employee volunteers for assistance, each employee's situation will be reviewed on a case-by-case basis. When the employee voluntarily seeks counseling, all matters relating to counseling shall remain confidential and shall not be released to the County unless approved by the employee or as required by law. However, the results and reports may be disclosed in any arbitration or litigation involving the employee.

2. The County, in its discretion, may refer an employee covered hereunder to the Employee Assistance Program, a psychologist or psychiatrist, and/or a physician for counseling and/or evaluation where the County has reason to question the employee's fitness for duty or where the County believes that such counseling or evaluation would be of assistance to the employee with respect to his/her personal well-being and/or his/her job performance. In cases of supervisory referrals or other requests by the County that the employee seek professional counseling, whether through the EAP or otherwise, including drug and alcohol counseling, program attendance, program compliance, program completion, and fitness-for-duty information shall be provided to the County, upon its request to the counselor or the employee.

The County maintains sole discretion to determine the serviceability of any leather helmet and can require that leather helmets be removed from service for any reason, including safety concerns and appearance.

3. No insignia other than insignia approved by the Fire Chief shall be worn with any required uniform or other apparel. Employees may request in writing to the Fire Chief for authorization to wear one Union pin no larger than one inch in size on dress uniforms.

1. The County agrees to reimburse the full cost of prescription eye glasses and contact lenses not to exceed two hundred dollars (\$200.00) and up to one hundred dollars (\$100.00) for wrist watches damaged in the line of duty, provided adequate proof of such damage, the circumstances of the event and proof of value of the damaged items are presented to the Fire Rescue Department's Safety Officer for processing and verification of loss. Should the County recall an employee to a bargaining unit employee, he/she shall be given at least ten (10) days' notice prior to the date he/she is required to report.
4. The right to lay off employees in bargaining unit positions and recall employees in such positions shall be within the exclusive discretion of the County, and shall be based on factors such as documented job performance, work/disciplinary history (for which grievance rights have been exhausted), and seniority.
5. Bargaining unit employees shall be allowed, in lieu of layoff, to roll back into any previously held position within the Fire Rescue Department for which they are still qualified and to bump less senior employees; provided such is allowed by the rank-and-file collective bargaining agreement.
