SUBJ: **Installation of "No Parking" signs on Ferguson Drive starting at Old Winter Garden Road**

A concerned citizen has requested that "No Parking" signs be installed on the west side on Ferguson Drive starting at Old Winter Garden Road extending south 440 feet.

Traffic Engineering staff has determined that the parking of vehicles along the unpaved shoulder of Ferguson Drive is damaging the roadway. The increased number of trucks has caused pavement failure and shoulder erosion creating unstable drop-off conditions. Therefore, staff recommends the installation of "No Parking" signs.

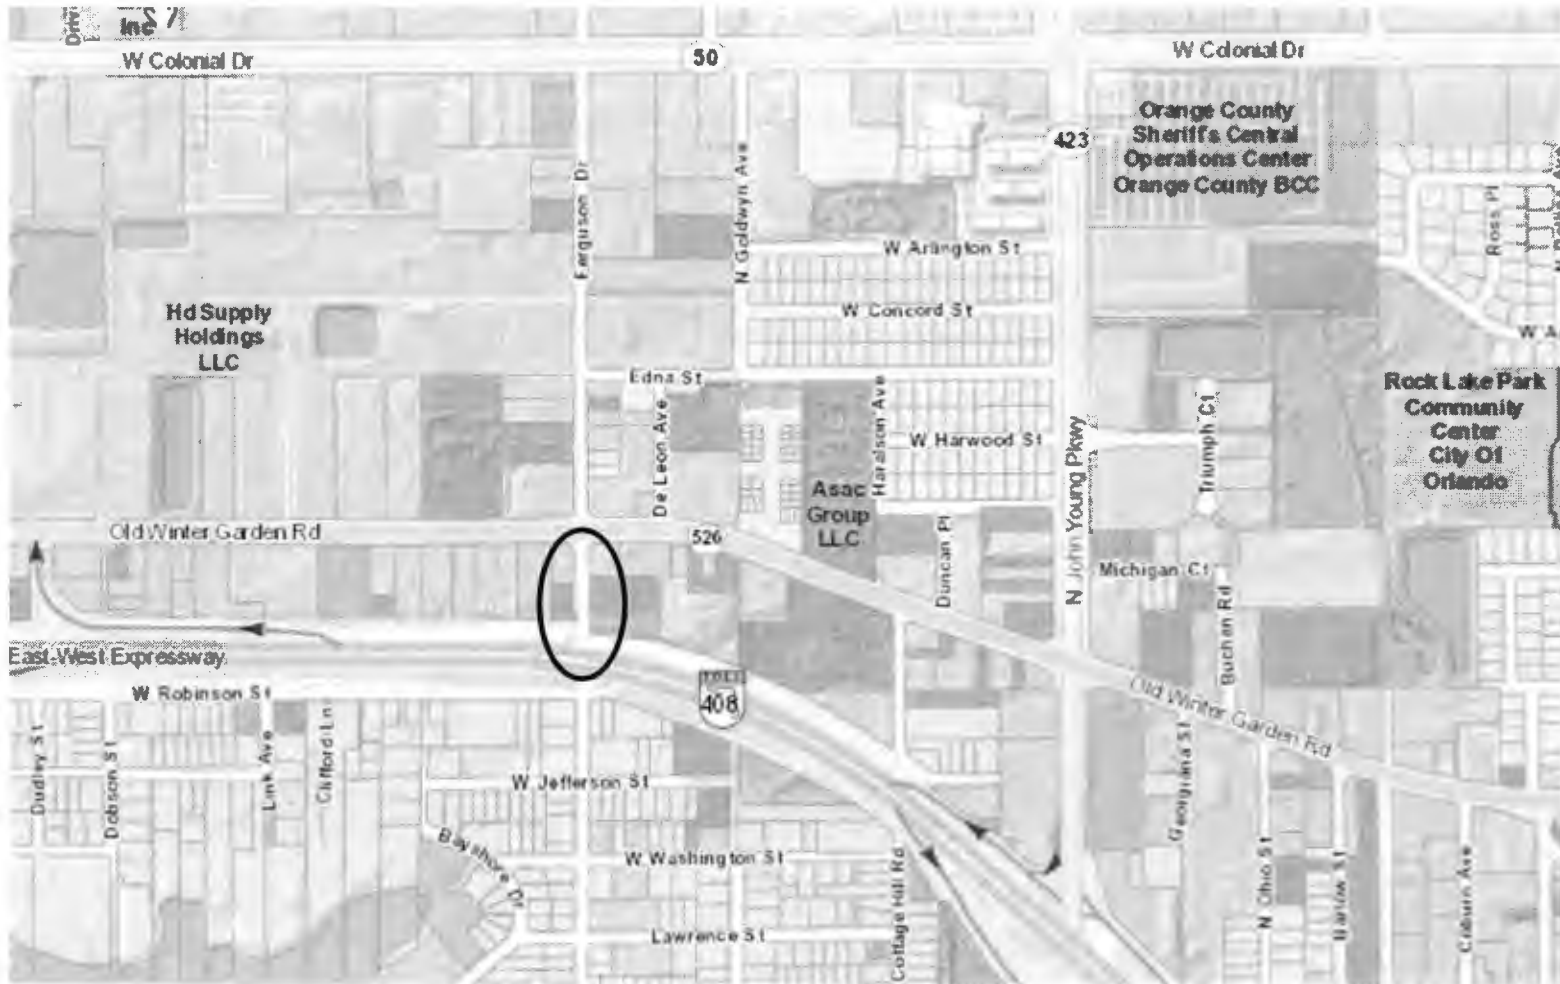

Staff recommends that the Board approve the "No Parking" signs installation on Ferguson Drive starting at Old Winter Garden Road extending south 440 feet to the west.

Action Requested: Approval of "No Parking" signs installation on Ferguson Drive starting at Old Winter Garden Road extending south 440 feet to the west. District 6.
