SUBJECT: August 9, 2022 – Consent Item
Proportionate Share Agreement for NWC Commercial Building I
Avalon Road/CR 545

The Roadway Agreement Committee has reviewed a Proportionate Share Agreement for NWC Commercial Building I Avalon Road/CR 545 ("Agreement") by and between Hamlin Retail Partners North, LLC and Orange County for a proportionate share payment in the amount of \$83,877. Pursuant to Section 163.3180(5)(h), Florida Statutes, an applicant may mitigate capacity deficiencies by entering into a proportionate share agreement and contributing a proportionate share payment. The proportionate share payment is due within 90 days of the effective date of this Agreement.

The Agreement follows the recommendation of the Roadway Agreement Committee providing for the mitigation of road impacts for three deficient trips on the road segments of Avalon Road/CR 545 from New Independence Parkway to Malcom Road in the amount of \$15,826 per trip and three deficient trips on the road segments of Avalon Road/CR 545 from Porter Road to New Independence Parkway in the amount of \$12,133 per trip.

This project is located in the Town Center Village of Horizon West, and is subject to the Town Center East Road Network Agreement approved by the Board on December 11, 2011, as amended. Pursuant to the 2011 agreement, trips in excess of the authorized amount may be processed consistent with the County's concurrency ordinance. The project impacts a deficient segment of Avalon Road/CR 545 and requires a proportionate share payment as mitigation. The particular segment of Avalon Road is a partnership project addressed under the Town Center West (Silverleaf) Road Network Agreement approved by the Board on September 1, 2020 and amended on July 13, 2021. While a typical proportionate share agreement would have the payment come to the County, this Agreement provides that the mitigation payment be delivered to the escrow agent managing the partnership dollars for that project and will be subject to the Amended and Restated Town Center West (Silverleaf) Escrow Agreement for receipt of

additional funds as authorized by the County for the completion of Avalon Road/CR 545 improvements. This Agreement also directs any additional impact fee payments for the project to the escrow agent to accelerate the Avalon Road improvements.

The Roadway Agreement Committee recommended approval on July 6, 2022. The Specific Project Expenditure Report and Relationship Disclosure Forms are on file with the Transportation Planning Division.

If you have any questions, please feel free to contact me at 407-836-5393.

ACTION REQUESTED: Approval and execution of Proportionate Share Agreement for NWC Commercial Building I Avalon Road/CR 545 by and between Hamlin Retail Partners North, LLC and Orange County directing both the proportionate share payment in the amount of \$83,877 and future transportation impact fee payments that may be associated with the project to be utilized towards the completion of Avalon Road/CR 545 improvements pursuant to the Amended and Restated Escrow Agreement for Town Center West (Silverleaf). **PROPORTIONATE SHARE AGREEMENT FOR
NWC COMMERCIAL BUILDING I**

AVALON ROAD/CR 545

This Proportionate Share Agreement (the “**Agreement**”), effective as of the latest date of execution (the “**Effective Date**”), is made and entered into by and between HAMLIN RETAIL PARTNERS NORTH, LLC, a Florida limited liability company (“**Owner**”), whose principal place of business is 14422 Shoreside Way, Suite 130, Winter Garden, Florida 34787, and ORANGE COUNTY, a charter county and political subdivision of the State of Florida (“**County**”), whose address is P.O. Box 1393, Orlando, Florida 32802-1393.

WHEREAS, Owner is the owner of fee simple title to certain real property, as generally depicted on **Exhibit “A”** and more particularly described on **Exhibit “B”**, both of which exhibits are attached hereto and incorporated herein by this reference (the “**Property**”); and

WHEREAS, the Property is located in County Commission District 1, within the Town Center of Horizon West, and the proceeds of the PS Payment, as defined herein, will be allocated to Avalon Road/CR 545; and

WHEREAS, Owner intends to develop the Property as a 10,000 SF commercial retail building, referred to and known as NWC Commercial Building I (the “**Project**”); and

WHEREAS, Owner received a letter from County dated May 19, 2022 stating that Owner’s Capacity Encumbrance Letter (“**CEL**”) application #21-12-105 for the Project was denied; and

WHEREAS, the Project will generate three (3) deficient PM Peak Hour trips (the “**Excess Trips 1**”) for the deficient roadway segment on Avalon Road/CR 545 from New Independence Parkway to Malcom Road (the “**Deficient Segment 1**”), and Zero (0) PM Peak Hour trips were available on Deficient Segment 1 on the date the CEL was denied, as further described in **Exhibit “C”** attached hereto and incorporated herein; and

WHEREAS, the Project will generate three (3) deficient PM Peak Hour trips (the “**Excess Trips 2**”) for the deficient roadway segment on Avalon Road/CR 545 from Porter Road to New Independence Parkway (the “**Deficient Segment 2**”), and zero (0) PM Peak Hour trips were available on Deficient Segment 2 on the date the CEL was denied, as further described in **Exhibit “C”** attached hereto and incorporated herein; and

WHEREAS the Excess Trips 1 and Excess Trips 2 shall be referred to herein collectively as the **Excess Trips**; and

WHEREAS, the Deficient Segment 1 and Deficient Segment 2 shall be referred to herein collectively as the **Deficient Segments**; and

WHEREAS, the Excess Trips will cause the Deficient Segments to operate below adopted Level of Service standards; therefore, pursuant to Section §163.3180(5)(h), Florida Statutes, as amended, the Owner shall provide the County with proportionate share mitigation for the Excess Trips; and

WHEREAS, Owner and County have agreed that the proportionate share payment necessary to mitigate the impact of the Excess Trips on the Deficient Segments through the current anticipated Project buildout is Eighty-Three Thousand Eight Hundred Seventy-Seven and 00/100 Dollars (\$83,877.00) (the “**PS Payment**”); and

WHEREAS, County and Owner desire to set forth certain terms, conditions, and agreements between them as to the development of the Property into the Project.

NOW, THEREFORE, in consideration of the premises contained herein and other good and valuable consideration exchanged by and between Owner and County, the receipt and sufficiency of which are hereby acknowledged, the parties hereto stipulate and agree as follows:

Section 1. Recitals. The above recitals are true and correct and are incorporated herein by this reference.

Section 2. PS Payment; CEL.

(a) *Calculation of PS Payment:* The amount of the PS Payment for the Deficient Segments, as described in **Exhibit “C”**, totals Eighty-Three Thousand Eight Hundred Seventy-Seven and 00/100 Dollars (\$83,877.00). This PS Payment was calculated in accordance with the methodology outlined in Section §163.3180, Florida Statutes. Owner and County agree that the Excess Trips will constitute the Project’s impact on the aforementioned Deficient Segments based upon (i) Owner’s Traffic Study titled “NWC Commercial, Building I” prepared by VHB, dated May 2020 for Owner (the “**Traffic Study**”), which is incorporated herein by this reference, and (ii) upon the calculations described in **Exhibit “C”**. The Traffic Study was accepted by the Orange County Transportation Planning Division on April 21, 2022, and is on file and available for inspection with that division (CMS #2021105). Owner and County further acknowledge and agree that the PS Payment as set forth above shall be the final and binding calculation of the amount the Owner is required to pay through the buildout of the currently approved Project as proportionate share mitigation for impacts of the Project upon roadways within Orange County’s jurisdiction.

notwithstanding any subsequent variance in the actual cost of improvement to the Deficient Segments or actual traffic impacts created by the Project; provided, however, that if Owner subsequently increases the number of units and/or square footage, as applicable, of the Project, the Project may then be subject to an additional concurrency evaluation and proportionate share agreement as set forth in Section 2(d) below. Owner and County further acknowledge and agree that the calculation of, and agreement regarding, the amount of the PS Payment constitute material inducements for the parties to enter into this Agreement.

(b) *Timing of PS Payment, Issuance of CEL.* Within ninety (90) days following the Effective Date, Owner shall deliver a check to County in the amount of the PS Payment. The check shall be made payable to "Shutts & Bowen LLP Escrow Account" and shall be delivered to the Fiscal and Operational Support Division of the Orange County Planning, Environmental, and Developmental Services Department for acknowledgment of receipt and transmittal to Shutts & Bowen LLP for deposit into the Town Center West (Silverleaf) Road Network Agreement escrow account maintained by Shutts & Bowen LLP, as "**Escrow Agent**" pursuant to the Escrow Agreement for the Town Center West (Silverleaf) Road Network Agreement (the "**Escrow Agreement**") approved by the Orange County Board of County Commissioners on September 1, 2020 and amended on July 13, 2021. The County hereby determines that because the improvement of Avalon Road/CR 545 is an objective of the Town Center West (Silverleaf) Road Network Agreement approved by the County Board of County Commissioners on September 1, 2020 recorded at Document No. 20200467436, as amended by that certain First Amendment recorded July 20, 2021 at Document No. 20210435632, Public Records of Orange County, Florida (the "**Road Agreement**"). it is in the best interest of the County to accelerate improvement of Avalon Road/CR 545 by directing the PS Payment to Escrow Agent to be held and disbursed as part of the "**Escrowed Funds**" in accordance with, and as defined in, the Escrow Agreement and the Road Agreement.

Within twenty-one (21) days following its receipt of the PS Payment, if the Property's future land use designation and zoning are consistent with the Project's proposed development, County shall issue a CEL sufficient to encumber traffic capacity for the Project, irrespective of any actual traffic deficiency on the Deficient Segments. Within the time frame provided in the CEL, the Owner must reserve the encumbered trips by obtaining a Capacity Reservation Certificate as provided in Section §30-591 of the Orange County Code, as may be amended. An amount equal to the PS Payment shall be applied toward the amount of the initial capacity reservation payment (and any subsequent reservation payment(s), if the initial reservation payment does not exceed the amount of the PS Payment) as further set forth in Section 3 below. In the event Owner has not paid the PS Payment within ninety (90) days of the Effective Date, one extension of ninety (90) days may be granted by the manager of County's Transportation Planning Division. In the event Owner has not paid the PS Payment to County within one hundred eighty (180) days after the Effective Date, this Agreement shall become null and void.

(c) *Project Development.* Recordation of a subdivision plat or approval of a commercial site plan for the Project shall not be permitted prior to the issuance of a Capacity Reservation Certificate as contemplated in subparagraph 2(b) above.

(d) *Increase in Project Trips.* Any change to the Project which increases the unit count and/or square footage, as applicable, may result in an increase in trips on the Deficient Segments or other segments within the transportation impact area, as defined by County. Owner understands and agrees that any such additional trips are neither vested nor otherwise permitted under this Agreement, and that Owner is precluded from asserting any such vesting. In addition, Owner understands and agrees that any such changes resulting in an increase in trips may cause this Agreement to become null and void, and/or may require application for and execution of an additional Proportionate Share Agreement, along with any other required documentation, for the number of increased trips.

(e) *Satisfaction of Transportation Improvement Requirements.* County hereby acknowledges and agrees that upon Owner's payment of the PS Payment as required herein, and absent any change in the Project increasing the number of trips as set forth in subparagraph 2(d) above, Owner shall be deemed to have satisfied all requirements for the mitigation of the traffic impacts of the Project on all roads affected by the Project within County's jurisdiction through buildout of the Project. Owner shall be entitled to fully and completely develop the Project, without regard to whether the improvements to the Deficient Segments are actually constructed; provided, however, Owner shall be required to obtain a Capacity Reservation Certificate prior to the expiration of Owner's Capacity Encumbrance Letter and shall be required to maintain the validity of the Capacity Reservation Certificate in accordance with its terms. Additionally, nothing herein shall be construed to exempt Owner from meeting the requirements of all other applicable laws, regulations, and/or Orange County Code provisions or from making the required payment of transportation impact fees applicable to the Project, subject to credits as set forth in Section 3 below.

Section 3. Transportation Impact Fee Credits. County and Owner agree that Owner shall be entitled to receive transportation impact fee credits on a dollar for dollar basis in an amount up to but not exceeding the PS Payment in accordance with Section §163.3180, Florida Statutes, and as specifically described in Exhibit "C". County further agrees that such credits may be applied on a dollar for dollar basis against capacity reservation fees at such time as capacity reservation fees may be required to be paid by Owner in connection with the issuance of a Capacity Reservation Certificate as contemplated in Section 2 above. In no event shall Owner receive credits in excess of the PS Payment and in the event the PS Payment exceeds either the applicable transportation impact fees or capacity reservation fees, as the case may be, Owner shall not be entitled to a refund for the amount of the PS Payment in excess of such transportation impact fees or capacity reservation fees.

Section 4. No Refund. The PS Payment (including any capacity reservation fees paid with the PS Payment) is non-refundable.

Section 5. Notice. With the exception of the timing of the PS Payment as set forth in Section 2(b) hereof, the parties acknowledge and agree that no party shall be considered in default for failure to perform under this Agreement until such party has received written notice specifying the nature of such default or failure to perform and said party fails to cure said default or fails to perform within thirty (30) days of receipt of written notice. Any notice delivered with respect to this Agreement shall be in writing and be deemed to be delivered (whether or not actually received)

(i) when hand delivered to the person(s) hereinafter designated, or (ii) upon deposit of such notice in the United States Mail, postage prepaid, certified mail, return receipt requested, addressed to the person at the address set forth opposite the party's name below, or to such other address or other person as the party shall have specified by written notice to the other party delivered in accordance herewith:

This Agreement shall be binding and shall inure to the benefit and burden of the heirs, legal representatives, successors, and assigns of the parties, and shall be a covenant running with the Property and be binding upon the successors and assigns of the Owner and upon any person, firm, corporation, or entity who may become the successor in interest to the Property.

If any provision of this Agreement, the deletion of which would not adversely affect the receipt of any material benefits by any party hereunder or substantially increase the burden of any party hereunder, shall be held to be invalid or unenforceable to any extent by a court of competent jurisdiction, the same shall not affect in any respect whatsoever the validity or enforceability of the remainder of this Agreement.
