Considerations

- Project reviewed in accordance with Chapter 33, Article II and the review criteria and conditions of issuance therein.
- EPD staff received a letter from a Professional Engineer stating the construction of a new vertical seawall is the only practical method to stabilize and prevent further erosion of the shoreline.
- Riprap and plantings will be installed waterward of the seawall.
- Notification of the public hearing was sent to property owners within 500 feet of the project site; no objections were received.

Finding

- Pursuant to Orange County Code, Chapter 33, Article II, EPD staff has evaluated the proposed Shoreline Alteration/Dredge and Fill application and required documents and has made a finding that the request is consistent with Section 33-37.

Action Requested

- **Acceptance of the findings and recommendation of the Environmental Protection Division staff and approval of the Shoreline Alteration/Dredge and Fill Permit SADF-20-02-003 for John and Rebecca Madonna, subject to the conditions listed in the staff report. District 3**
