

Interoffice Memorandum

July 20, 2018

TO: Mayor Teresa Jacobs
and the Board of County Commissioners

FROM:  Carrie Mathes, Manager, Procurement Division

CONTACT: Mark Massaro, P.E., Director, Public Works Department
(407) 836-7971

SUBJECT: Approval of Purchase Order M91568, Barry Street Area Drainage
Improvements

ACTION REQUESTED:

Approval of Purchase Order M91568, Barry Street Area Drainage Improvements, with Stage Door II, Inc., in the amount of \$242,526.43.

PROCUREMENT:

To provide upgrades to the drainage pipes along Fairvilla Road and under State Road 50.

FUNDING:

Funding is available in account 1004 072 3010 6330.

APPROVALS:

The Public Works Department concurs with this recommendation.

REMARKS:

This project was solicited twice on April 13, 2017 and October 12, 2017, both attempts resulted in prices exceeding the engineers estimate. The reason for the price difference was determined to be the jack & bore and asphalt milling services since this services are required to be performed by a Florida Department of Transportation (FDOT) certified contractor. A value engineering analysis was done and recommended to split the work between our existing term contract with Stage Door II, Inc. and sole source the remaining work to them as they have an FDOT certified contractor that can provide the services.

Price reasonableness was determined based on comparison of the 2017 solicitations, resulting in a savings of \$85,473.57. Stage Door II, Inc. has a satisfactory record of performance for this type of work and has been determined to be responsible.
