

Interoffice Memorandum

March 27, 2020

TO: Mayor Jerry L. Demings
and Board of County Commissioners

FROM: Joseph C. Kunkel, P.E., Director, Public Works Department

CONTACT PERSON: Humberto L. Castellero, P. E., PTOE, Interim Manager
Traffic Engineering Division

PHONE NUMBER: (407) 836-7891

SUBJ: Installation of "No Parking" signs on Hermit Smith Road

The Roads and Drainage Division has requested "No Parking" signs be installed on both sides of Hermit Smith Road between West Orange Blossom Trail and Valeview Drive.

Traffic Engineering staff have determined that vehicles parking along the unpaved shoulder of Hermit Smith Road are damaging the roadway. The increased number of trucks on this roadway have caused pavement failure and shoulder erosion creating unstable drop-off conditions; therefore, staff recommends the installation of "No Parking" signs.

Staff recommends the Board approve the installation of "No Parking" signs on both sides of Hermit Smith Road between West Orange Blossom Trail and Valeview Drive.

Action Requested: Approval of "No Parking" signs installation on both sides of Hermit Smith Road between West Orange Blossom Trail and Valeview Drive. District 2.
