Orange Blossom Trail Development Board

Licences/Certificates Information: Not Listed

Personal History: Over the past ten years IÂ’ve had to opportunity to serve the Orange Blossom Trail community through a variety of outreach programs, neighborhood associations, partnership with local organizations, residents and businesses. Together we have worked toward creating a safer, more vibrant community. Initiatives have focused on addressing economic challenges, improving public safety and enhancing the overall quality of life for everyone in the OBT area. The collective efforts of volunteers, community leaders and locals have played a crucial role in building stronger connections and empowering the people who call Orange Blossom Trail Home. Being part of a board that influences the Orange Blossom Trail community presents a unique opportunity to directly contribute to the areaÂ’s growth, revitalization, and long-term success. Over the years, the trail has seen a transformation, and now, more than ever, itÂ’s vital to ensure that the communityÂ’s needs, challenges, and aspirations are addressed in a thoughtful and inclusive way. Given the opportunity to be involved on the Orange Blossom Trail Development board would offer a chance to be at the heart of that changeÂ’shaping policies, programs, and initiatives that can uplift the community and enhance the lives of its residents. Whether it's addressing local economic development, improving public safety, or promoting cultural and social vibrancy, I would love the opportunity to be a voice and present ideas which could help influence the trajectory of one of OrlandoÂ’s most vital corridors. Moreover, with Orange Blossom Trail being a historically diverse area, it provides a platform to advocate for equity and inclusion, ensuring that all voices are heard and respected in the decision-making process. A position on the board would allow the collaborative efforts to create an environment where small businesses thrive, families feel safe, and the broader community can access resources that make a real difference in everyday lives.
