

Interoffice Memorandum

April 9, 2019

TO: Mayor Jerry L. Demings
and Board of County Commissioners

FROM: Mark V. Massaro, P. E., Director, Public Works Department

CONTACT PERSON: **Christine N. Lofye, P. E., Manager**
Traffic Engineering Division

PHONE NUMBER: (407) 836-7890

SUBJ: **“All Way Stop” Condition with Improvements at the Intersection of
Wyndham Lakes Boulevard at Brewton Lane/Callaway Drive**

At the request of a concerned citizen, Traffic Engineering staff have evaluated a sight distance concern for vehicles approaching the intersection of Wyndham Lakes Boulevard at Brewton Lane/Callaway Drive. The evaluation uncovered a sight line issue that decreases visibility and safe operations for side street vehicles. Traffic Engineering supports an “All Way Stop” condition with the addition of “Stop Ahead” signs, pavement messages on the Wyndham Lakes Boulevard approaches, and larger stop signs on all approaches.

Staff recommends that the Board approve maintaining the “All Way Stop” condition at the intersection of Wyndham Lakes Boulevard at Brewton Lane/Callaway Drive with improvements.

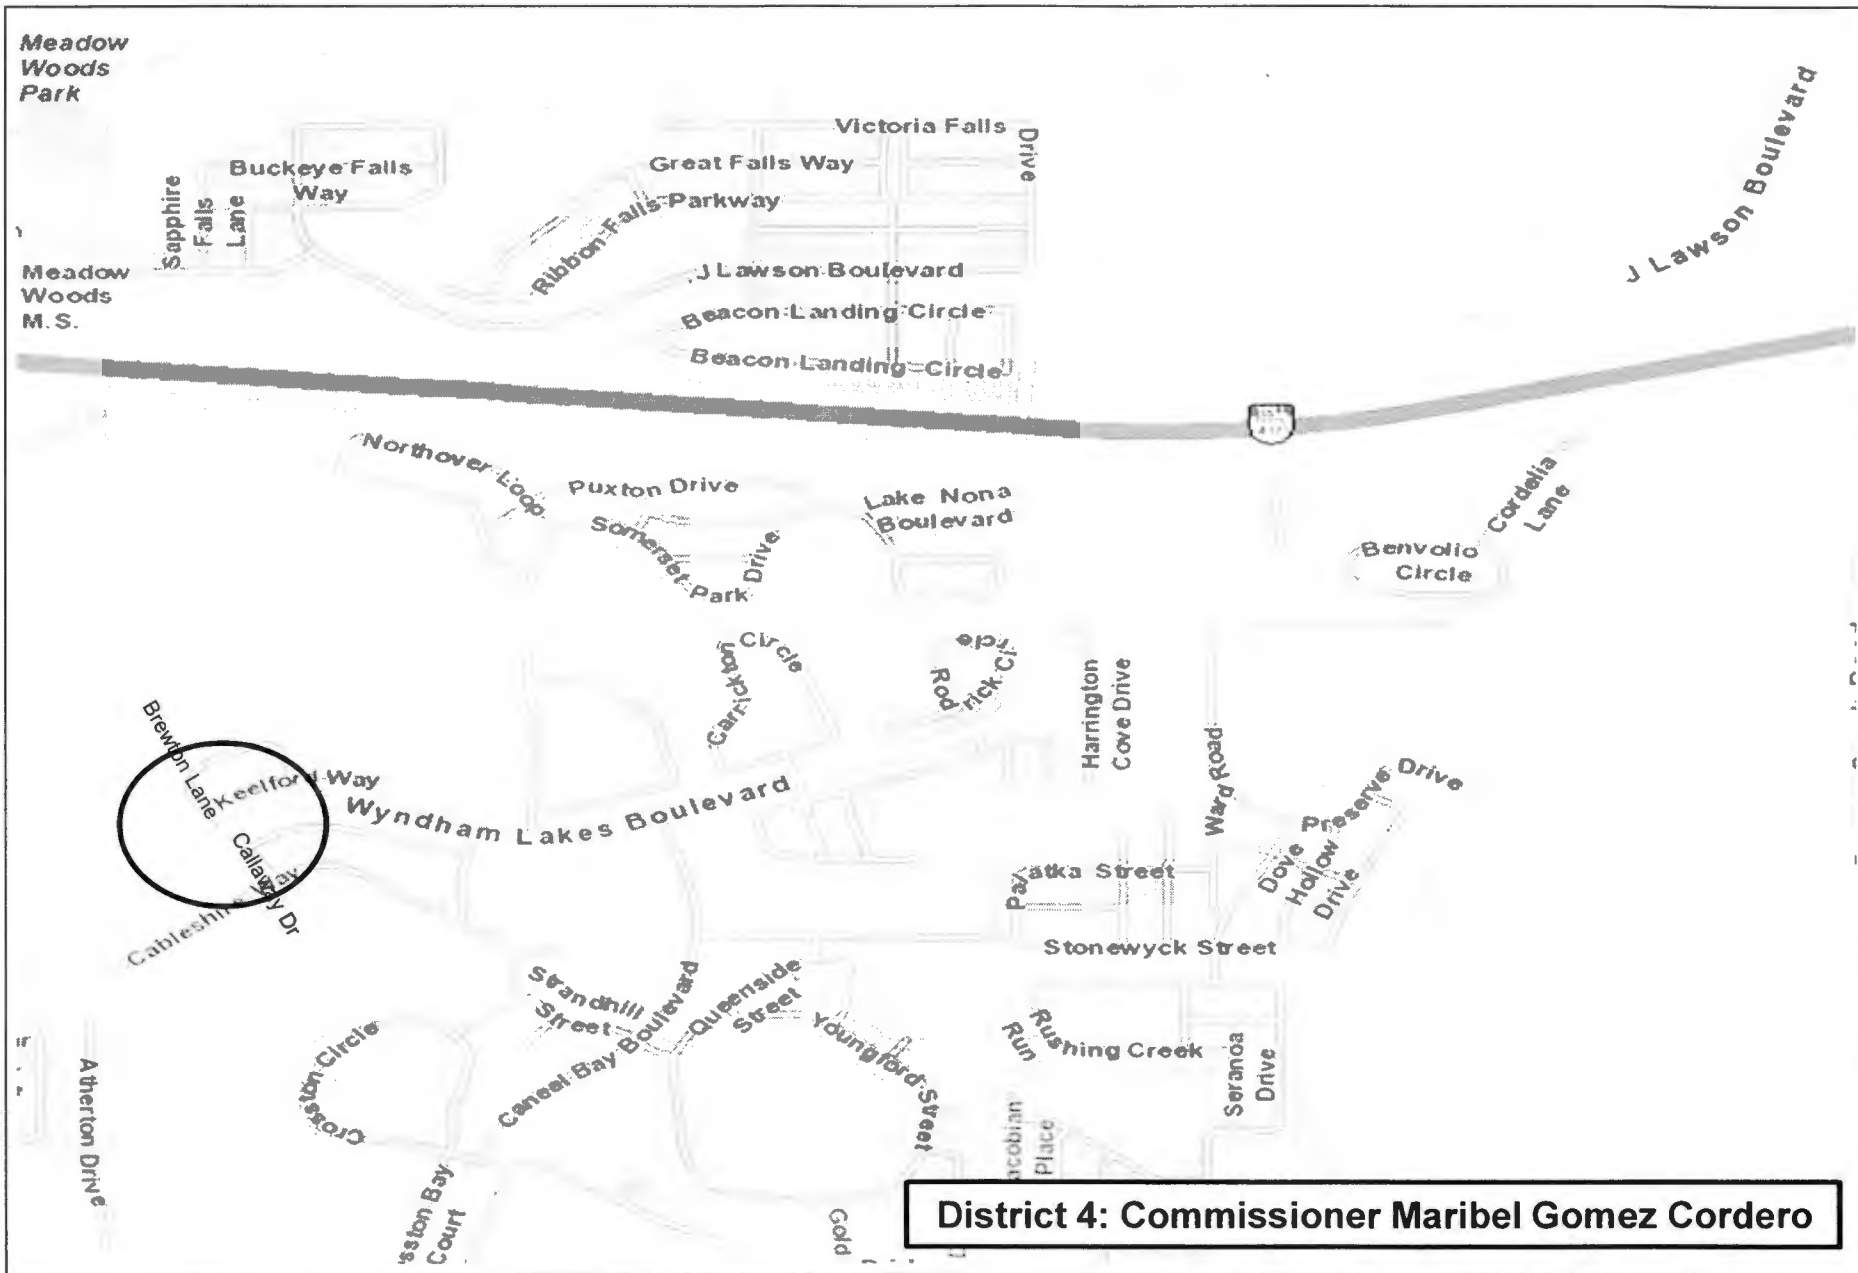

**Action Requested: Approval to maintain the “All Way Stop” condition with
improvements at the intersection of Wyndham Lakes
Boulevard at Brewton Lane/Callaway Drive. District 4.**
