School Concurrency Mitigation Agreement OC-19-038
The Addison on Lake Bryan Parcel ID#: A portion of #26-24-28-
4735-00-010

On September 16, 2008, the Board amended Chapter 30, Orange County Code ("Code"), to include the legislative requirements of school concurrency. The provisions in the Code are based on statutory requirements and on the terms of the First Amended and Restated Interlocal Agreement for Public School Facility Planning and Implementation of School Concurrency entered into by the County, The School Board of Orange County ("School Board") and municipalities within the County (June 10, 2008, as amended from time to time, "Interlocal Agreement"). Section 30-622 of the Code requires applicants to submit proposed school proportionate share mitigation agreements to the Concurrency Management Official, following negotiation with the School Board and the County Attorney's Office, for review and recommendation to the Board.

The subject School Concurrency Mitigation Agreement ("Mitigation Agreement") is among the County, the School Board, and Porto Orlando, LLC, a Florida limited liability company. The project consists of 266 multi-family residential units located on International Drive, just north of World Center Drive and SR 417 in District 1. The Mitigation Agreement is necessary because the project affects certain area middle and high schools, which currently operate below the adopted level of service standard.

School Concurrency Mitigation Agreement OC-19-038

The Addison on Lake Bryan Parcel ID#: 26-24-28-4735-00-010

Pursuant to Section 30-622 of the Code, if there is insufficient available school capacity within a Concurrency Service Area to meet the demand created by the proposed residential development, and the applicant and the School Board have agreed upon mitigation to satisfy the school concurrency requirements for the proposed residential development, then the applicant, School Board, and County must memorialize the terms of the mitigation in an agreement. In accordance with the formula set forth in Section 30-622(4)(b)9 of the Code, the School Board has calculated the proportionate share mitigation payment to be \$957,081.

Pursuant to Section 163.3180, Florida Statutes, the applicant is entitled to impact fee credits on a dollar for dollar basis for any proportionate share mitigation paid for the same need. Therefore, the School Board has included provisions in the Mitigation Agreement allowing for a School Impact Fee credit account. The Mitigation Agreement also requires payment of Capacity Reservation Fees prior to issuance of building permits for this project.

The School Board approved this Mitigation Agreement on September 10, 2019.

ACTON REQUESTED: Approval and execution of School Concurrency Mitigation Agreement OC-19-038 Project Name: The Addison on Lake Bryan Parcel ID#: A portion of # 26-24-28-4735-00-010 by The School Board of Orange County, Florida, Orange County, Florida, and Porto Orlando, LLC for a proportionate share mitigation payment in the amount of \$957,081. OC-19-038

Project Name: The Addison on Lake Bryan

Parcel ID#: A portion of # 26-24-28-4735-00-010

THIS SCHOOL CONCURRENCY MITIGATION AGREEMENT (“Agreement”), is entered into by **THE SCHOOL BOARD OF ORANGE COUNTY, FLORIDA**, a body corporate and political subdivision of the State of Florida (“School Board”); **ORANGE COUNTY, FLORIDA**, a charter county and political subdivision of the State of Florida, (“County” or “Applicable Local Government”); and **PORTO ORLANDO, LLC**, a Florida limited liability company whose address is 215 North Eola Drive, Orlando, FL 32801 (the “Applicant”), collectively referred to herein as the “Parties.”

RECITALS:

WHEREAS, the School Board, Orange County, and the municipalities within Orange County have entered into that certain “First Amended and Restated Interlocal Agreement For Public School Facility Planning and Implementation of Concurrency” (the “Interlocal Agreement”); and

WHEREAS, pursuant to Section 18.6 of the Interlocal Agreement, an applicant submitting a School Concurrency Determination Application for approval of a Site Plan that will generate additional students in a School Concurrency Service Area in which there is insufficient Available School Capacity to accommodate the anticipated additional students must enter into a Proportionate Share Mitigation Agreement to prevent school overcrowding attributable to the anticipated additional students generated by the Residential Development as specified in the Interlocal Agreement; and

WHEREAS, an Applicant must submit the School Concurrency Determination Application along with a Development Analysis which identifies the proposed location of the Residential Development, the number of Residential Units that will be created, a phasing schedule (if applicable), a map demonstrating land use and zoning classifications for the Applicant’s property, as well as all other information required pursuant to Section 18.5 of the Interlocal Agreement, to the County; and

APPROVED
School Board Meeting: 9/10/19
Agenda Item: 15.01

WHEREAS, Applicant is the fee simple owner, or authorized agent of the owner, of that certain tract of land located in County Commission District 1 in Orange County, Florida, as more particularly described on **Exhibit "A,"** attached hereto and incorporated herein by reference (the "Property"), the location of which is illustrated by a map attached hereto as **Exhibit "B,"** and incorporated herein by reference; and

WHEREAS, the Applicant has submitted a School Concurrency Determination Application (CEL-19-03-021) and Development Analysis to the County in connection with a proposal to obtain approval for a development plan in order to develop 266 multi-family Residential Units on that certain portion of the Property more particularly described on **Exhibit "C,"** attached hereto and incorporated herein by reference (the "Project") and the County has forwarded the School Concurrency Determination Application and Development Analysis to the School Board; and

WHEREAS, the Project is subject to and benefitted by that certain School Mitigation Agreement for Capacity Enhancement by and between the School Board of Orange County, Florida, and the Applicant, which was recorded on April 10, 2019 in Document #20190219151 in connection with LUPA-18-09-297 and provided Capacity Enhancement Mitigation for 126 multi-family New Units (the "CEA #OC-18-039"); and

WHEREAS, the School Board has reviewed and evaluated the Applicant's School Concurrency Determination Application and Development Analysis as required by Section 18.6 of the Interlocal Agreement, and has determined that based on the current adopted Level of Service standards for the School Concurrency Service Areas within which the Property is located and the anticipated new School Capacity that will be available in the first three (3) years of the current District Facilities Work Program to serve the proposed Residential Development, there is insufficient Available School Capacity at the middle and high school level to serve the new 266 Residential Units within the School Concurrency Service Areas for the Project or within adjacent School Concurrency Service Areas as determined by an Adjacency Review; and

WHEREAS, approving the School Concurrency Determination Application without requiring Proportionate Share Mitigation for the impacts of the proposed new Residential Units will either create or worsen school overcrowding in the applicable School Concurrency Service Areas; and

WHEREAS, the Applicant has agreed to enter into this Agreement with the School Board and County to provide Proportionate Share Mitigation proportionate to the demand for Public School Facilities to be created by the Project, as more particularly set forth herein.

NOW, THEREFORE, in consideration of the foregoing, the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto, intending to be legally bound, agree as follows:

1. INCORPORATION OF RECITALS. The foregoing recitals are true and correct and are hereby incorporated into this Agreement by reference as if fully set forth herein.
2. DEFINITION OF MATERIAL TERMS. Any capitalized terms used herein but not defined shall have the meaning attributed to such term in the Interlocal Agreement.

3. LEGALLY BINDING COMMITMENT. This Agreement constitutes a legally binding commitment by the Applicant to mitigate for the impacts of the new Residential Units for which the Applicant is seeking approval pursuant to the School Concurrency Determination Application and is intended to satisfy the requirements of Florida law and the Orange County Code.

4. PROPORTIONATE SHARE MITIGATION. The Parties hereby agree that the Applicant shall provide Proportionate Share Mitigation (as hereinafter defined) in order to meet the demand for School Capacity created by the Project and to provide additional capacity for 16.8 middle school students and 18.6 high school students, as follows, in accordance with Section 19.2 of the Interlocal Agreement:

Payment in the amount of NINE HUNDRED FIFTY-SEVEN THOUSAND EIGHTY-ONE AND 00/100 DOLLARS (\$957,081.00) to cover the Proportionate Share Mitigation associated with providing the necessary capacity to complete the Project (the "Proportionate Share Mitigation") to the School Board. Such payment shall be due and payable prior to the time a building permit for vertical construction is issued for the Project and has been calculated in accordance with the formula found in Section 19.2 of the Interlocal Agreement. The Capital Contribution required under CEA #OC-18-039 is ONE HUNDRED THOUSAND THREE HUNDRED FORTY-SIX AND 40/100 DOLLARS (\$100,346.40), which amount is included in the Proportionate Share Mitigation required in this Section 4 and will be applied as a credit against the Proportionate Share Mitigation.

5. USE OF PROPORTIONATE SHARE MITIGATION. The School Board shall direct the Proportionate Share Mitigation to a School Capacity improvement identified in the capital improvement schedule in the five (5) year district work plan of the School Board's District Facilities Work Program which satisfies the demands from the proposed Residential Development. If such a School Capacity improvement does not exist in the District Facilities Work Program, the School Board may, in its sole discretion, add a School Capacity improvement to its District Facilities Work Program to mitigate the impacts from the Project, as provided in Section 19.6 of the Interlocal Agreement.

6. IMPACT FEE CREDIT. The Proportionate Share Mitigation paid pursuant to this Agreement shall be credited against the School Impact Fee on a dollar for dollar basis at fair market value.

Upon payment of the Proportionate Share Mitigation, the School Board shall notify the County of the amount of the School Impact Fee Credit based upon 125.5 Equivalent Residential Units (as defined in Section 30-622 of the Orange County Code), currently estimated to be SEVEN HUNDRED FORTY-TWO THOUSAND FIVE HUNDRED SIXTY-ONE AND 63/100 DOLLARS (\$742,561.63) (the "Impact Fee Credit Amount"), and shall request a School Impact Fee credit account in such amount in favor of Applicant. Applicant shall not be entitled to a credit or refund for any portion of the Proportionate Share Mitigation in excess of the Impact Fee Credit Amount.

Applicant and School Board hereby agree and acknowledge that Applicant submitted an application for a School Concurrency Mitigation Agreement for the Project in accordance with Sections 18 and 19 of the Interlocal Agreement prior to July 1, 2019, and as such, Applicant, its

successors and assigns, hereby expressly waives and relinquishes any and all rights, claims, entitlements, or privileges against School Board or the Applicable Local Government to any credit against impact fees for the payment of the Proportionate Share Mitigation in excess of the Impact Fee Credit Amount as a result of the enactment of any statutory provisions amending Sections 163.3180 or 163.31801, Florida Statutes on or after July 1, 2019. Applicant represents and warrants that this waiver has been entered into freely and voluntarily by Applicant, without coercion, duress, or undue influence, and with full understanding and awareness of the circumstances, consequences, and ramifications of such waiver. Applicant hereby agrees to indemnify, defend, and hold harmless School Board, the Applicable Local Government, or the School Board's or Applicable Local Government's board members, commission members, employees, and representatives from and against all claims, damages, losses, and expenses, including but not limited to, economic loss, reasonable attorney's fees and expenses, arising out of, in connection with, or as a result of the exercise by Applicant or any individual or entity claiming by, through or under Applicant, of its rights and obligations set forth in this Agreement or related to any claim for impact fee credits for the Proportionate Share Mitigation in excess of the Impact Fee Credit Amount resulting from the enactment of any statutory provisions amending Sections 163.3180 or 163.31801, Florida Statutes on or after July 1, 2019. Applicant understands and acknowledges that the School Board has bargained for this consideration and both the School Board and Applicable Local Government substantially relied on this section to School Board's detriment in the School Board's approval of this Agreement, and to the Applicable Local Government's detriment in approval of the Project in reliance on the approval of the Agreement. In the event this provision is declared invalid or unenforceable by a court of competent jurisdiction or Applicant otherwise elects to assert any rights to impact fee credits against the Proportionate Share Mitigation in excess of the Impact Fee Credit Amount, in addition to the indemnification rights set forth above, School Board has the right, but not the obligation, to immediately terminate this Agreement, to request that the Applicable Local Government discontinue the issuance of any development permits, certificates of occupancy, or plat approval for the Project or otherwise discontinue the process for any other approvals for the Project, or any other remedy available at law.

7. ISSUANCE OF SCHOOL CONCURRENCY RECOMMENDATION. Upon final execution of this Agreement by all Parties hereto, the School Board shall issue a School Concurrence Recommendation documenting that School Capacity will be available for the Project. This recommendation may be used by the County to issue a Capacity Encumbrance Letter in accordance with Section 18.7 of the Interlocal Agreement.

8. SCHOOL CAPACITY ENCUMBRANCE AND RESERVATION. Within twenty-one (21) days of the Effective Date of this Agreement (as defined in Section 24 below), and upon payment of any applicable administrative fees, County shall issue to the Applicant a Capacity Encumbrance Letter sufficient to encumber school capacity for the Project.

At such time as Applicant has paid the Proportionate Share Mitigation, prepaid the School Impact Fees further described in Section 6 of this Agreement, and paid the applicable installment(s) of the School Capacity Reservation Fee described in Section 9 below, School Capacity shall be reserved for the total units in the Project as reflected on the application; provided, however, the Applicant shall be required to apply for and obtain a School Capacity Reservation Certificate ("SCRC") prior to the expiration of the Capacity Encumbrance Letter

and provided further if the Applicant fails to make any of the required School Capacity Reservation Fee payments described in Paragraph 9 below or if this Agreement is terminated, such reserved School Capacity shall lapse and be returned to the applicable capacity bank. Applicant may utilize funds available in any School Impact Fee Credit account set up as a result of this Agreement to pay said School Capacity Reservation Fees.

9. CAPACITY RESERVATION FEE. In order to reserve capacity for the total units in the Project and in order to receive a SCRC, prior to expiration of Applicant's Capacity Encumbrance Letter, Applicant shall be required to pay a School Capacity Reservation Fee for the Project in accordance with Section 30-599 of the Orange County Code which School Capacity Reservation Fee may be paid with any School Impact Fee Credit account set up as a result of this Agreement. As of the date of this Agreement, the total School Capacity Reservation Fees for the Project are estimated to be ONE MILLION FIVE HUNDRED SEVENTY-FOUR THOUSAND FOUR HUNDRED FIFTY-FOUR AND 00/100 DOLLARS (\$1,574,454.00) and are anticipated to be paid in accordance with the schedule below. However, Applicant shall be obligated to pay the School Capacity Reservation Fees at the rates in effect at the time Applicant applies for the SCRC for the Project and in accordance with the schedule contained within the SCRC at the time of issuance.

- a. Prior to issuance of a building permit for vertical construction for the Project and upon application for a SCRC:

\$ 524,818.00; and
- b. 12 months from date of SCRC:

\$ 524,818.00; and
- c. 24 months from date of SCRC:

\$ 524,818.00 (the remaining balance of the SCRC fees).

Notwithstanding the schedule provided by this Section, Applicant may prepay any or all of the School Capacity Reservation Fees in advance. School Capacity Reservation Fees paid pursuant to this Agreement shall be credited towards School Impact Fees as provided in Section 30-599 of the County Code. In the event Applicant has an established pre-paid School Impact Fee Credit Account, the School Capacity Reservation Fees may be paid from such School Impact Fee Credit Account.

10. TERMINATION. This Agreement shall terminate and Applicant shall forfeit any administrative fees paid, as well as any capacity encumbered or reserved under the following circumstances, unless the County and the School Board agree to an extension of this Agreement:

- a. The Applicable Local Government does not approve the Site Plan for the Project within one hundred eighty (180) days from approval of the Site Plan by the County's Development Review Committee. In such event, all Proportionate Share Mitigation paid by the Applicant shall be refunded to the Applicant by the School Board.

The assignor under such assignment shall furnish the Parties with a copy of the written assignment within ten (10) days of the date of execution of same.
