SUBJ: **Installation of "No Parking" zone on both sides of Taborfield Avenue from Reams Road to Brinbury Street**

A concerned citizen has requested the Traffic Engineering Division to install a "No Parking" zone on both sides of Taborfield Avenue from Reams Road to Brinbury Street. A new elementary school will be built on Taborfield Avenue at Lady Diana Place and the resident is concerned parents will park on the roadway to let students out of their cars and avoid the parent drop-off/pick-up loop.

The Traffic Engineering Division has determined this anticipated parking on the roadway to drop-off/pick-up students will create a traffic hazard for both pedestrians and drivers on Taborfield Avenue.

Staff recommends the Board approve installation of the "No Parking" zone on both sides of Taborfield Avenue from Reams Road to Brinbury Street.

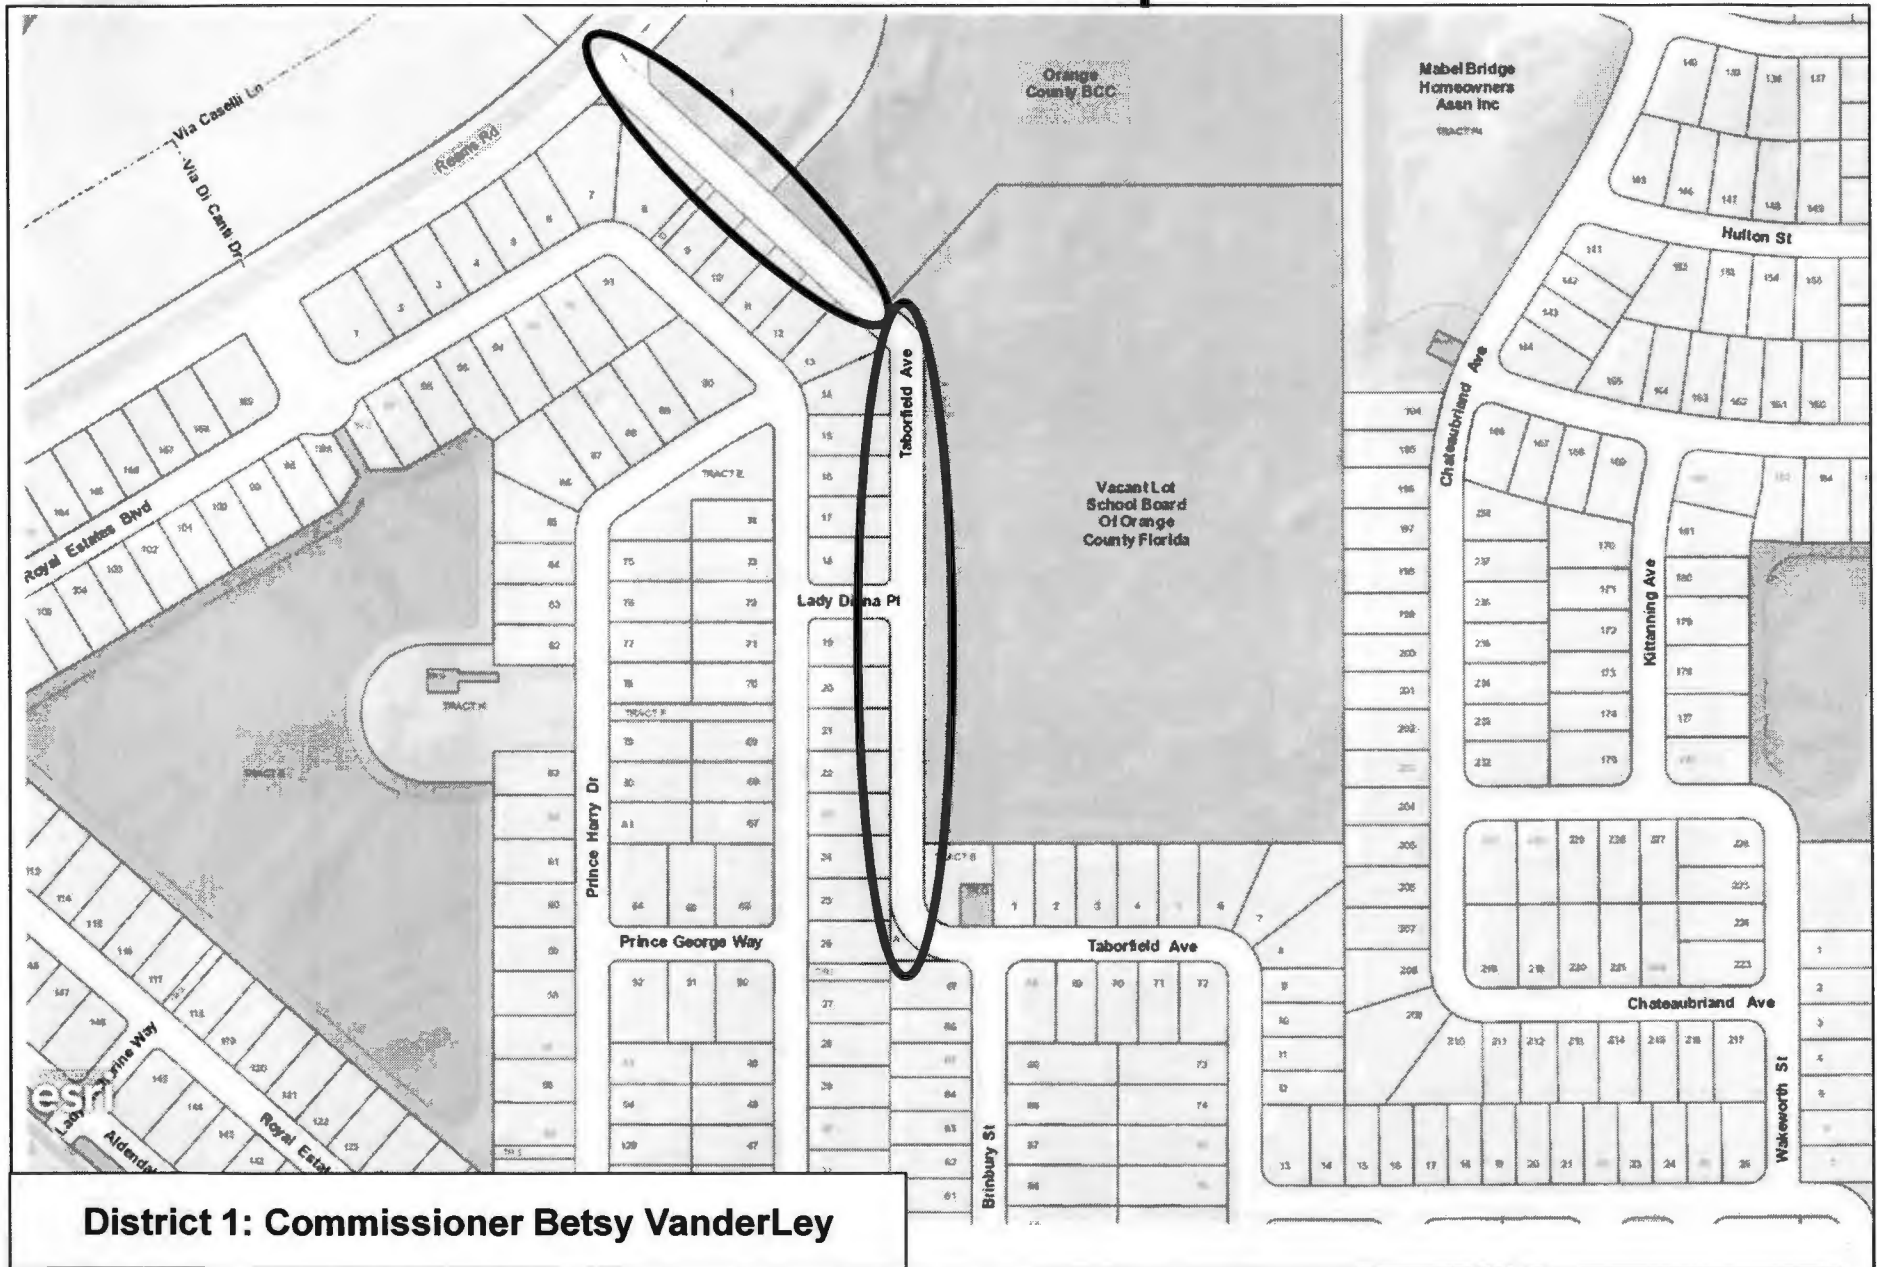

Action Requested: Approval of "No Parking" zone installation on both sides of Taborfield Avenue from Reams Road to Brinbury Street. District 1.
