-AND-
County Commissioners

FROM: Joseph C. Kunkel, P.E., Director, Public Works Department

CONTACT PERSON: Humberto L. Castillero, P.E., PTOE, Manager
Traffic Engineering Division

PHONE NUMBER: (407) 836-7891

SUBJ: **Establishment of a Multi-Way Stop Condition at the Intersection of Woods Street and 37th Street**

The Pineloch Elementary neighborhood school, located at 3101 Woods Ave, Orlando, FL 32805 has 889 students enrolled in the program, of which 579 students are walkers. Based on the high number of pedestrians crossing at the Woods Street and 37th Street intersection, the community requested consideration for a multi-way stop control.

The results of the safety and operational analysis indicate that the multi-way stop control is warranted. The installation of stop signs at each leg of the intersection will address current vehicle-pedestrian conflict issues, while enhancing the safety for pedestrians using designated crosswalks.

Staff recommends that the Board approve the establishment of a multi-way stop condition at Woods Street and 37th Street intersection.

Action Requested: Approval of a multi-way stop installation at the intersection of Woods Street and 37th Street. District 6.
