Personal History: With over 20 years of experience in the arts, design, and entertainment industries, I bring a unique blend of creative and strategic expertise to the Arts and Cultural Affairs Advisory Council. My professional journey includes key roles in managing and developing arts-related projects for globally recognized brands such as Disney, Nickelodeon, and Paramount Pictures. This background has provided me with a deep understanding of the intricate balance between creative innovation and fiscal responsibility, a skill essential for advising on the allocation of Tourist Development Tax (TDT) revenues. As the Chairman of the Board of Trustees for the Mennello Museum of American Art, I successfully led the museum in securing funding and fostering collaboration with local arts and cultural leaders. My experience in overseeing budgets, setting strategic priorities, and evaluating project viability aligns closely with the Council's duties of reviewing and recommending funding for arts and cultural initiatives. Moreover, my involvement in various community-focused projects has honed my ability to identify opportunities for collaboration and resource optimization, ensuring that arts organizations achieve economies of scale while maintaining artistic excellence. My commitment to advancing the arts in our county is matched by a practical understanding of the economic and cultural impact that well-managed arts funding can have on the community. I am passionate about supporting and promoting the arts, and I believe my background uniquely qualifies me to contribute meaningfully to the Council's mission of enhancing the cultural landscape of our county.
