SUBJECT: Selection of Consultant, Request for Proposals, Y16-1109-LC,
Professional Planning Services, Lot B

RECOMMENDATION

Selection of one firm and two ranked alternates to provide Professional Planning Services, Lot B, Request for Proposals Y16-1109-LC, from the following firms listed alphabetically.

Canin Associates/DPZ Partners, LLC
GAI Consultants, Inc. | Community Solutions Group
Littlejohn An S&ME Company
Tindale Oliver
Vanasse Hangen Brustlin, Inc.
Zyscovich Inc. d/b/a Zyscovich Architects

Further request authority for the Procurement Division to negotiate and execute a three-year contract within a budget amount of \$632,997. The Procurement Division also requests the authority to renew the contract for two additional 1-year terms.

This item was evaluated by the Procurement Committee on February 22, 2017. Commissioner Victoria P. Siplin was assigned to the committee.

PURPOSE

To provide planning services in the areas of research, comprehensive planning, urban design, intergovernmental coordination, placemaking, and community outreach. These services will be assigned, as-needed, on a continuing basis, with a task specific scope of services.

DISCUSSION

Lot B represents those tasks involving urban design, site planning, community planning, design guidelines, feasibility studies, form-based coding, corridor plans, and public outreach.

The firm shall provide expertise and technical skills, on an as-needed basis, to assist staff in the implementation of the County's Comprehensive Plan and the fulfillment of the Planning Division's work program.

The following list outlines representative examples of projects that may be assigned to the selected firm. This list is not all-inclusive of the specific activities that the firm may be asked to perform. Specific tasks and deliverables will be identified through individual work orders. Once a project is identified, the selected firm may be required, at the request of the County, to submit specific proposals including project management and staff resourcing, scope of work, as well as task scheduling and cost estimates.

Lot B. – Urban Design - General Work Assignments

The studies/tasks conducted under this contract may include, but are not limited to the following:

1. Create regional or district level plans for one or more of the market areas.
2. Prepare place-type or community-type plans and studies for transit-oriented development (TOD), mixed-use nodes, urban infill and redevelopment, suburban retrofit or traditional-neighborhood development scenarios.
3. Conduct public engagement with visioning and potential design following a design charrette model.
4. Develop form-based codes, regulating plans and design standards for targeted planning areas.
5. Create activity center and multi-modal corridor studies.
6. Using innovative urban design, art, and placemaking strategies to create aesthetically interesting and interactive urban spaces.
7. Consider design strategies that align with other County objectives, including multi-modal, pedestrian and bicycle corridors, linear or pocket parks, civic and open spaces, etc.
8. Identify relevant examples of comparable places to those identified within the Orange County market areas, including best practices, opportunities and challenges, etc.

9. Complement the Planning Division's graphics capabilities with innovative visual communication techniques, hand-renderings, conceptual 3D modeling, or 'before-and-after' simulations.
10. Prepare pattern books, design guidelines, web-based content and planning infographics.

A protest was filed by Zyscovich Inc. d/b/a Zyscovich Architects and heard by the Procurement Committee on April 28, 2017. The Procurement Committee, by consensus, upheld their original scores.

The Procurement Committee's evaluation is attached.
