

Interoffice Memorandum

AGENDA ITEM

December 28, 2020

TO: Mayor Jerry L. Demings
—AND—
County Commissioners

FROM: Jon V. Weiss, P.E., Chairman
Roadway Agreement Committee

SUBJECT: January 26, 2021 – Consent Item
Proportionate Share Agreement for Hamlin SW Medical Office
Building D Avalon Road/CR 545

The Roadway Agreement Committee has reviewed a Proportionate Share Agreement for Share Agreement for Hamlin SW Medical Office Building D Avalon Road/CR 545 ("Agreement") by and between SLF IV / Boyd Horizon West JV, LLC and Orange County for a proportionate share payment in the amount of \$177,352. Pursuant to Section 163.3180(5)(h), Florida Statutes, an applicant may mitigate capacity deficiencies by entering into a proportionate share agreement and contributing a proportionate share payment. The proportionate share payment is due within 90 days of the effective date of this Agreement.

The Agreement follows the recommendation of the Roadway Agreement Committee providing for the mitigation of road impacts for two deficient trips on the road segment Avalon Road/CR 545 from Old YMCA Road to Schofield Road in the amount of \$9,175 per trip, five deficient trips on the road segments of Avalon Road/CR 545 from Schofield Road to Porter Road in the amount of \$9,055 per trip, nine deficient trips on the road segments of Avalon Road/CR 545 from Porter Road to New Independence Parkway in the amount of \$11,107 per trip, and six deficient trips on the road segments of Avalon Road/CR 545 from New Independence Parkway to McKinney Road in the amount of \$2,294 per trip.

This project is located in the Town Center Village of Horizon West, and is subject to the Town Center East Road Network Agreement approved by the Board on December 11, 2011, as amended. Pursuant to the 2011 agreement, trips in excess of the authorized amount may be processed consistent with the County's concurrency ordinance. The project impacts a deficient segment of Avalon Road/CR 545 and requires a proportionate share payment as mitigation. The particular segment of Avalon Road is a partnership project addressed under the Hamlin West Amended and Restated Road Network Agreement approved by the Board on August 7, 2018. While a typical proportionate share agreement would have the payment come to the County, this Agreement provides that the mitigation payment be delivered to the escrow agent managing the partnership dollars for that project and will be subject to the Escrow

Agreement approved by the Board on October 18, 2016. This Agreement also directs any additional impact fee payments for the project to the escrow agent to reduce the private funding deficit for the Avalon Road improvements.

The Roadway Agreement Committee recommended approval on January 6, 2021. The Specific Project Expenditure Report and Relationship Disclosure Forms are on file with the Transportation Planning Division.

If you have any questions, please feel free to contact me at 407-836-5393.

ACTION REQUESTED: Approval and execution of Proportionate Share Agreement for Hamlin SW Medical Office Building D Avalon Road/CR 545 by and between SLF IV / Boyd Horizon West JV, LLC and Orange County directing both the proportionate share payment in the amount of \$177,352 and future transportation impact fee payments that may be associated with the project pursuant to the Escrow Agreement for the Hamlin West Amended and Restated Road Network Agreement to be utilized towards the completion of Avalon Road/CR 545 improvements. **PROPORTIONATE SHARE AGREEMENT FOR
HAMLIN SW MEDICAL OFFICE BUILDING D
AVALON ROAD/CR 545**

This Proportionate Share Agreement (the “**Agreement**”), effective as of the latest date of execution (the “**Effective Date**”), is made and entered into by and between **SLF IV / BOYD HORIZON WEST JV, LLC**, a Delaware limited liability company (“**Owner**”), whose principal place of business is 14422 Shoreside Way, Suite 130, Winter Garden, FL 34787, and **ORANGE COUNTY**, a charter county and political subdivision of the State of Florida (“**County**”), whose address is P.O. Box 1393, Orlando, FL 32802-1393.

WHEREAS, Owner is the owner of fee simple title to certain real property, as generally depicted on **Exhibit “A”** and more particularly described on **Exhibit “B”**, which exhibits are attached hereto and incorporated herein by this reference (the “**Property**”); and

WHEREAS, the Property is located in County Commission District 1, within the Town Center Village of Horizon West, and the proceeds of the PS Payment, as defined herein, will be allocated to Avalon Road/CR 545; and

WHEREAS, Owner intends to develop the Property as a 15,200 SF medical office condominium (the “**Project**”); and

WHEREAS, Owner received a letter from County dated November 10, 2020, stating that Owner’s Capacity Encumbrance Letter (“**CEL**”) application #CEL-20-08-055 for the Project was denied; and

WHEREAS, the Project will generate deficient PM Peak Hour trips for the deficient roadway segments as outlined below:

- (a) Two (2) deficient PM Peak Hour trips on Avalon Road/CR 545 from Old YMCA Road to Schofield Road;
- (b) Five (5) deficient PM Peak Hour trips on Avalon Road/CR 545 from Schofield Road to Porter Road;

- (c) Nine (9) deficient PM Peak Hour trips on Avalon Road/CR 545 from Porter Road to New Independence Parkway; and
- (d) Six (6) deficient PM Peak Hour trips on Avalon Road/CR 545 from New Independence Parkway to McKinney Road;

and zero (0) PM Peak Hour trips were available on the foregoing deficient segments on the date the CEL was denied as further described in the attached **Exhibit "C"**. Both of the foregoing described deficient roadway segments shall collectively hereafter be referred to as the "**Deficient Segments**", and the number of deficient trips generated shall collectively be referred to as "**Excess Trips**", all of the foregoing being further described and identified on the attached **Exhibit "C"**; and

WHEREAS, the Excess Trips will cause the Deficient Segments to operate below adopted Level of Service standards; therefore, pursuant to Section 163.3180(5)(h), Florida Statutes, as amended, the Owner shall provide the County with proportionate share mitigation for the Excess Trips; and

WHEREAS, Owner and County have agreed that the proportionate share payment necessary to mitigate the impact of the Excess Trips on the Deficient Segments through the current anticipated Project buildout is One Hundred Seventy-Seven Thousand Three Hundred Fifty-Two and 00/100 Dollars (\$177,352.00) (the "**PS Payment**"); and

WHEREAS, County and Owner desire to set forth certain terms, conditions, and agreements between them as to the development of the Property into the Project.

NOW, THEREFORE, in consideration of the premises contained herein and other good and valuable consideration exchanged by and between Owner and County, the receipt and sufficiency of which are hereby acknowledged, the parties hereto stipulate and agree as follows:

Section 1. Recitals. The above recitals are true and correct and are incorporated herein by this reference.

Section 2. PS Payment; CEL.

(a) **Calculation of PS Payment.** The amount of the PS Payment for the Deficient Segments, as described in **Exhibit "C"**, totals One Hundred Seventy-Seven Thousand Three Hundred Fifty-Two and 00/100 Dollars (\$177,352.00). This PS Payment was calculated in accordance with the methodology outlined in Section 163.3180, Florida Statutes. Owner and County agree that the Excess Trips constitute the Project's impact on the aforementioned Deficient Segments based upon (i) Owner's Traffic Study titled "Hamlin SW Medical Office Building C Transportation Concurrency Analysis" prepared by VHB, Inc. dated October, 2020, for Owner (the "**Traffic Study**"), which is incorporated herein by this reference, and (ii) upon the calculations described in **Exhibit "C"**. The Traffic Study was accepted by the Orange County Transportation Planning Division on November 3, 2020, and is on file and available for inspection with that division (CMS #2020055). Owner and County further acknowledge and agree that the PS Payment as set forth above shall be the final and binding calculation of the amount the Owner is required to pay through the buildout of the currently approved Project as

proportionate share mitigation for impacts of the Project upon roadways within Orange County's jurisdiction, notwithstanding any subsequent variance in the actual cost of improvement to the Deficient Segments or actual traffic impacts created by the Project; provided, however, that if Owner subsequently increases the number of units and/or square footage, as applicable, of the Project, the Project may then be subject to an additional concurrency evaluation and proportionate share agreement as set forth in Section 2(d) below. Owner and County further acknowledge and agree that the calculation of, and agreement regarding, the amount of the PS Payment constitute material inducements for the parties to enter into this Agreement.

(b) Timing of PS Payment, Issuance of CEL. Within ninety (90) days following the Effective Date, Owner shall deliver a check to County in the amount of the PS Payment. The check shall be made payable to "Shutts & Bowen LLP Escrow Account" and shall be delivered to the Fiscal and Operational Support Division of the Orange County Planning, Environmental, and Developmental Services Department for acknowledgment of receipt and transmittal to Shutts & Bowen LLP for deposit into the Hamlin West Road Network Agreement escrow account maintained by Shutts & Bowen LLP, as "**Escrow Agent**" pursuant to the Escrow Agreement for Hamlin West Road Network Agreement (the "**Escrow Agreement**") approved by the Orange County Board of County Commissioners on October 18, 2016. The County hereby determines that because the improvement of Avalon Road/CR 545 is an objective of the Hamlin West Road Network Agreement entered into among Owner, County, and Carter-Orange 45 SR 429 Land Trust dated June 28, 2016 and recorded June 30, 2016 at Document No. 20160338700, Public Records of Orange County, Florida, as amended by that certain Amended and Restated Road Network Agreement dated August 7, 2018 and recorded August 14, 2018 at Document No. 20180482220 (the "**Road Agreement**"), it is in the best interest of the County to accelerate improvement of Avalon Road/CR 545 by directing the PS Payment to Escrow Agent to be held and disbursed as part of the "**Escrowed Funds**" in accordance with, and as defined in, the Escrow Agreement and the Road Agreement.

Within twenty-one (21) days following its receipt of the PS Payment, if the Property's future land use designation and zoning are consistent with the Project's proposed development, County shall issue a CEL sufficient to encumber traffic capacity for the Project, irrespective of any actual traffic deficiency on the Deficient Segments. Within the time frame provided in the CEL, the Owner must reserve the encumbered trips by obtaining a Capacity Reservation Certificate as provided in Section 30-591 of the Orange County Code, as may be amended. An amount equal to the PS Payment shall be applied toward the amount of the initial capacity reservation payment (and any subsequent reservation payment(s), if the initial reservation payment does not exceed the amount of the PS Payment) as further set forth in Section 3 below. In the event Owner has not paid the PS Payment within ninety (90) days of the Effective Date, one extension of ninety (90) days may be granted by the manager of County's Transportation Planning Division. In the event Owner has not paid the PS Payment to County within one hundred eighty (180) days after the Effective Date, this Agreement shall become null and void.

(c) Project Development. Recordation of a subdivision plat or approval of a commercial site plan for the Project shall not be permitted prior to the issuance of a Capacity Reservation Certificate as contemplated in subparagraph 2(b) above.

(d) *Increase in Project Trips.* Any change to the Project which increases the unit count and/or square footage, as applicable, may result in an increase in trips on the Deficient Segments or other segments within the transportation impact area, as defined by County. Owner understands and agrees that any such additional trips are neither vested nor otherwise permitted under this Agreement, and that Owner is precluded from asserting any such vesting. In addition, Owner understands and agrees that any such changes resulting in an increase in trips may cause this Agreement to become null and void, and/or may require application for and execution of an additional Proportionate Share Agreement, along with any other required documentation, for the number of increased trips.

(e) *Satisfaction of Transportation Improvement Requirements.* County hereby acknowledges and agrees that upon Owner's payment of the PS Payment as required herein, and absent any change in the Project increasing the number of trips as set forth in subparagraph 2(d) above, Owner shall be deemed to have satisfied all requirements for the mitigation of the traffic impacts of the Project on all roads affected by the Project within County's jurisdiction through buildout of the Project. Owner shall be entitled to fully and completely develop the Project, without regard to whether the improvements to the Deficient Segments are actually constructed. Provided, however, Owner shall be required to obtain a Capacity Reservation Certificate prior to the expiration of Owner's Capacity Encumbrance Letter and shall be required to maintain the validity of the Capacity Reservation Certificate in accordance with its terms. Nothing herein shall be construed to exempt Owner from meeting the requirements of all other applicable laws, regulations, and/or Orange County Code provisions or from making the required payment of transportation impact fees applicable to the Project, subject to credits as set forth in Section 3 below.

Section 3. Transportation Impact Fee Credits. County and Owner agree that Owner shall be entitled to receive transportation impact fee credits on a dollar for dollar basis in an amount up to but not exceeding the PS Payment in accordance with Section 163.3180, Florida Statutes, and as specifically described in **Exhibit "C"**. County further agrees that such credits may be applied on a dollar for dollar basis against capacity reservation fees at such time as capacity reservation fees may be required to be paid by Owner in connection with the issuance of a Capacity Reservation Certificate as contemplated in Section 2 above. In no event shall Owner receive credits in excess of the PS Payment and in the event the PS Payment exceeds either the applicable transportation impact fees or capacity reservation fees, as the case may be, Owner shall not be entitled to a refund for the amount of the PS Payment in excess of such transportation impact fees or capacity reservation fees.

Section 4. No Refund. The PS Payment (including any capacity reservation fees paid with the PS Payment) is non-refundable.

Section 5. Notice. With the exception of the timing of the PS Payment as set forth in Section 2(b) hereof, the parties acknowledge and agree that no party shall be considered in default for failure to perform under this Agreement until such party has received written notice specifying the nature of such default or failure to perform and said party fails to cure said default or fails to perform within thirty (30) days of receipt of written notice. Any notice delivered with respect to this Agreement shall be in writing and be deemed to be delivered (whether or not actually received) (i) when hand delivered to the person(s) hereinafter designated, or (ii) upon

deposit of such notice in the United States Mail, postage prepaid, certified mail, return receipt requested, addressed to the person at the address set forth opposite the party's name below, or to such other address or other person as the party shall have specified by written notice to the other party delivered in accordance herewith:

Section 6. Covenants Running with the Property. This Agreement shall be binding and shall inure to the benefit and burden of the heirs, legal representatives, successors, and assigns of the parties, and shall be a covenant running with the Property and be binding upon the successors and assigns of the Owner and upon any person, firm, corporation, or entity who may become the successor in interest to the Property.

The parties hereto agree that this Agreement shall be recorded in the Public Records of Orange County, Florida, at Owner's expense, within ten (10) business days after the Effective Date. In the event either (i) Owner has not paid the PS Payment to County within one hundred eighty (180) days after the Effective Date, as contemplated in Section 2(b), or (ii) Owner has timely paid the PS Payment to County

and the Project has been constructed on the Property pursuant to a County building permit, this Agreement shall automatically terminate and thereafter be null and void for all purposes.

Captions of the Sections and Subsections of this Agreement are for convenience and reference only; any words contained therein shall in no way be held to explain, modify, amplify, or aid in the interpretation, construction, or meaning of the provisions of this Agreement. If any provision of this Agreement, the deletion of which would not adversely affect the receipt of any material benefits by any party hereunder or substantially increase the burden of any party hereunder, shall be held to be invalid or unenforceable to any extent by a court of competent jurisdiction, the same shall not affect in any respect whatsoever the validity or enforceability of the remainder of this Agreement.

Section 12. Amendments. No amendment, modification, or other change(s) to this Agreement shall be binding upon the parties unless in writing and formally executed by all of the parties.

Section 13. Counterparts. This Agreement may be executed in up to three (3) counterparts, each of which shall be deemed to be an original and all of which together shall constitute one and the same instrument.

Section 14. Allocation of Project Transportation Impact Fees. To further enable and accelerate improvement of the Deficient Segments, Owner shall pay any transportation impact fee due at the time of Project development (unless such obligation is satisfied by the use of transportation impact fee credits) by check in the amount of such required transportation impact fee (less appropriate credit for the PS Payment) payable to "Shutts & Bowen LLP Escrow Account" and delivered to the Orange County Transportation Planning Division for acknowledgement of receipt and transmittal to Escrow Agent for deposit into the Hamlin West Road Network Agreement Escrow Account maintained by Escrow Agent pursuant to the Escrow Agreement.

Section 15. Disposition of Excess Escrowed Funds. Notwithstanding anything herein or in the Escrow Agreement to the contrary, in the event there are Escrowed Funds still held by Escrow Agent pursuant to the Escrow Agreement after completion of all authorized Improvements, as defined in and pursuant to the Road Agreement, such excess funds shall be immediately delivered to County by Escrow Agent.
