Personal History: I would consider it a privilege to serve on this board and play a part in providing the best in animal services to Orange County. Always a pet lover who currently owns two bulldogs, I understand the importance of the animal/human connection and the need to protect and provide support to both. I and one of my adult children participated in a dog therapy program, witnessing first hand the joy and pleasure animals provide, especially to the elderly and the disabled. Combined with my love for animals is my past experience as a practicing attorney, which I believe brings a helpful business and legal thought process to decisions that may be before the board. Thank you for considering me and it would be my honor to serve.
