

Interoffice Memorandum

May 8, 2020

TO: Mayor Jerry L. Demings
and Board of County Commissioners

FROM: Joseph C. Kunkel, P.E., Director, Public Works Department

CONTACT PERSON: Humberto L. Castellero, P. E., PTOE, Interim Manager
Traffic Engineering Division

PHONE NUMBER: (407) 836-7891

SUBJ: Installation of "No Parking" signs on Innovation Way at Magnolia Woods Boulevard

A citizen has requested "No Parking" signs be installed on the north side of Innovation Way at Magnolia Woods Boulevard due to vehicles parking in the dead end area of the intersection.

Traffic Engineering staff have conducted a site visit and found there could be sight distance issue for drivers through the intersection. Recently, large trucks and passenger vehicles have been parking overnight at this location. At the time when Magnolia Woods Boulevard is extended north of Innovation Way, the "No Parking" signs will no longer be needed due to the intersection having a fourth leg and the "No Parking" signs will be removed.

Staff recommends that the Board approve the installation of "No Parking" signs on Innovation Way at Magnolia Woods Boulevard on the north side of the intersection.

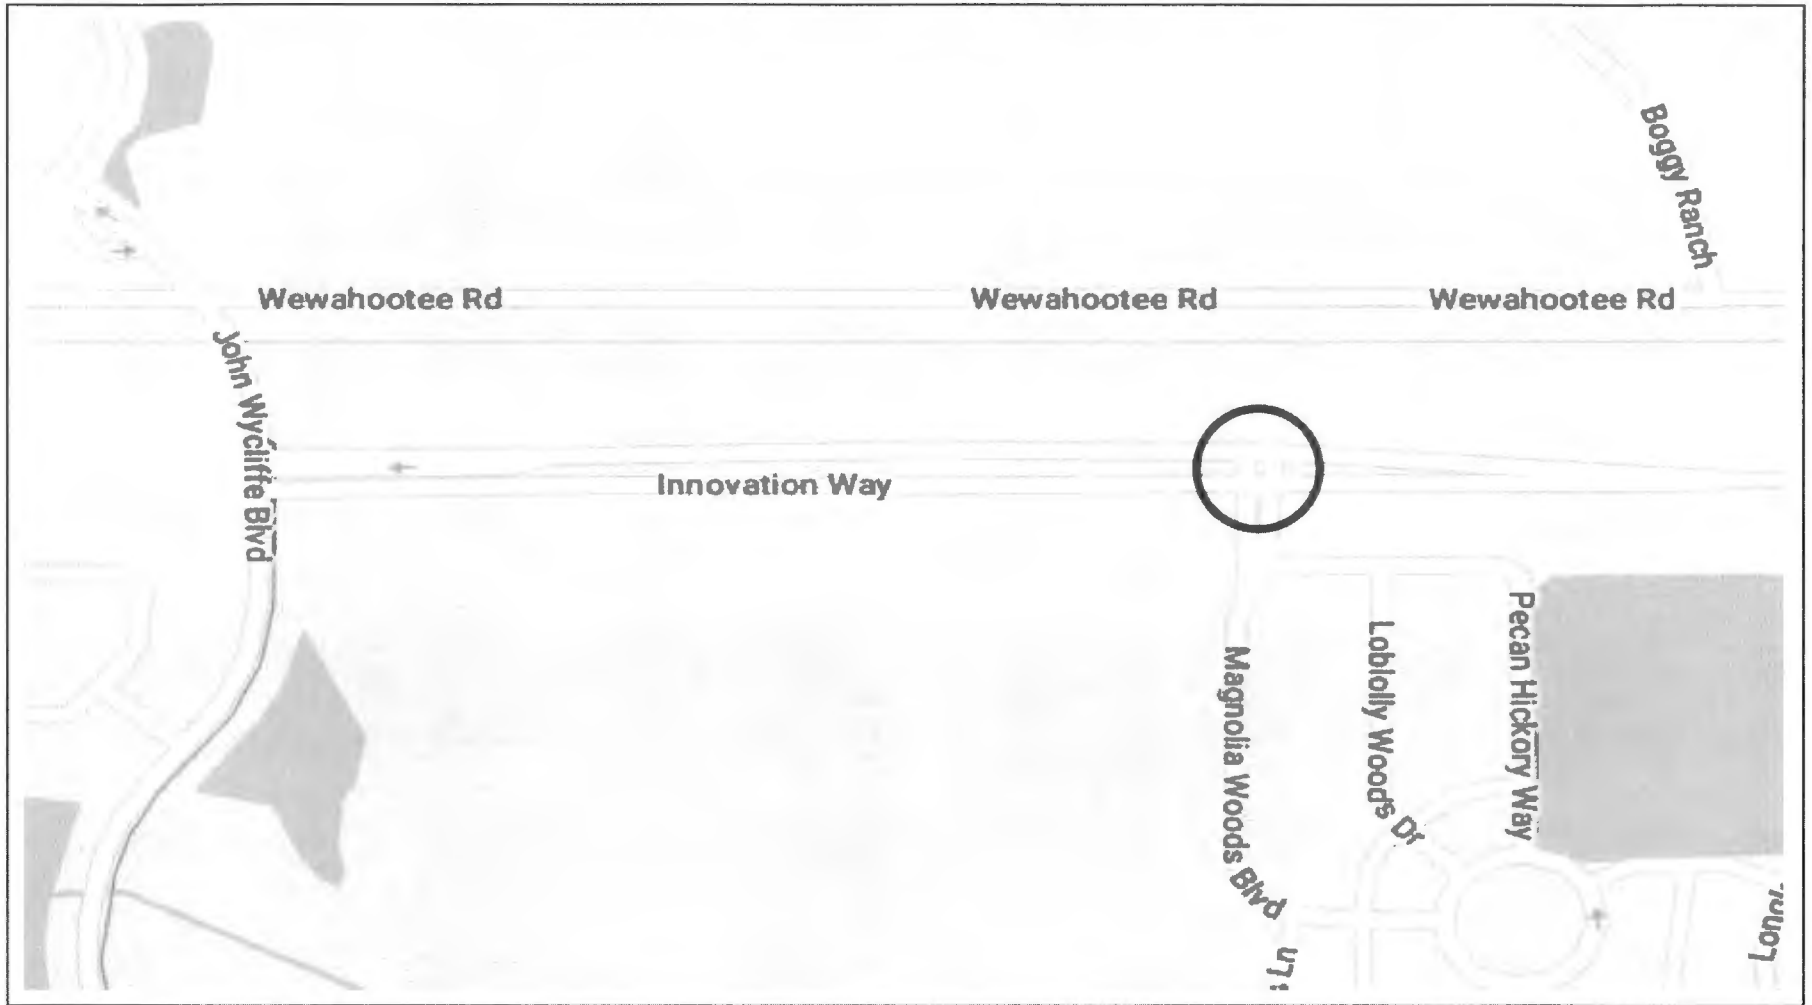

Action Requested: Approval of "No Parking" signs installation on Innovation Way at Magnolia Woods Boulevard on the north side of the intersection. District 4.
