SUBJECT: **June 20, 2023 – Discussion Item  
Vision Zero Action Plan Update**

On August 9, 2022, the Board approved the adoption of a resolution to implement the Vision Zero initiative with a goal of eliminating all traffic-related fatalities and severe injuries by 2040.

As a result, the Board directed the Traffic Engineering Division to create a Vision Zero Action Plan prioritizing vehicle, bicycle, and pedestrian roadway safety, ADA accessibility through a combination of engineering, enforcement, education, and evaluation.

This discussion item has been scheduled to update the Board on the status of the development of the Vision Zero Action Plan; and the identification of safety projects to be funded as part of the Accelerated Transportation Safety Program.

This item is for informational purposes only. Board action is not required at this time.
