SUBJ: **Construction of Speed Humps on Belvedere Road and East Orlando Road**

At the request of the residents on Belvedere Road and East Orlando Road, a speed hump survey was mailed to the property owners to determine whether they supported the installation of speed humps. Upon return of the ballots confirming that two-thirds of residents are in favor of the speed humps, the County would proceed with the installation request.

The result of the survey indicated that 66% of the returned ballots from the property owners supported the installation of speed humps. The project is being funded by Commission District 5 and Public Works.

Action Requested: Approval to construct speed humps on Belvedere Road and East Orlando Road. District 5.
