REMARKS:

Two bids were received in response to this Invitation for Bids and were evaluated for responsiveness, responsibility, and price reasonableness. The bid from Boromei Construction, Inc. was deemed non-responsive by the Procurement Division, based on the analysis provided by the Business Development Division, which identified that the M/WBE participation goal was not achieved, and sufficient good faith effort documentation was not provided. Because the bid submitted by APD Construction, LLC is higher than the engineer's estimate, staff held a meeting with the low bidder, to confirm the scope and price. References provided were satisfactory for this type of work and APD Construction, LLC, has been determined to be responsible. Therefore, award is recommended to APD Construction, LLC.
