5. **Due Diligence Period.** Purchaser shall have **one hundred twenty (120) days** from the Effective Date to complete its due diligence of the Property (the “**Due Diligence Period**”). Such Due Diligence Period shall include but not be limited to review of Seller’s Documents (as defined below); review of title; survey; environmental due diligence; property investigation all as further described below.

5.1 **Seller’s Documents.** Seller agrees to deliver or cause their respective consultants to deliver to Purchaser within **twenty (20) days** after the Effective Date a copy (either electronic or hard copy) of each of the following, to the extent such is within Seller’s possession or control, all of which shall be delivered without any assignment or warranty and considered the “**Seller’s Documents**”:

5.1.3 Resolutions, development orders, development agreements, planned development (PD) approvals and/or ordinances, preliminary subdivision plans/development plans, plats, permits, and vested rights certificates for all or any part of the Property, and any of the same that have been submitted to government agencies for approval and for which approval is currently pending;

5.1.5 Inspection reports, including building inspection reports, for any buildings, structures, or improvements located on the Property;

In the event any of Seller’s Documents cover other properties besides just the Property, then Seller’s obligation to deliver such materials to Purchaser shall be limited to delivery of the relevant pages of Seller’s Documents that apply to the Property. Relevant pages shall include all pages of the Seller’s Documents to ensure that the context of the Seller’s Document relevant to the Property is maintained.

5.2 Title. Within **thirty (30) days** after the Effective Date, Purchaser shall, at Purchaser’s expense, obtain, through its agent **Cobblestone Title Services, LLC**, (“Title Agent” and “Closing Agent”) a current commitment for title insurance (ALTA commitment July 1, 2021) committing to insure Purchaser as purchaser of the Property in the amount of the Purchase Price, with an effective date on or after the Effective Date, together with copies of all instruments referred to in both Schedule A and Schedule B thereof (collectively, the “**Commitment**”) issued

Project: Green PLACE
Parcel: 176

by **Cobblestone Title Services, LLC**, as title agent for **Title Resources Guaranty Company** (the “**Title Company**”). Purchaser shall provide the Commitment to Seller within **five (5) days** of its receipt by Purchaser. The Commitment shall evidence that, upon execution, delivery, and recordation of the Deed (hereinafter defined), and the satisfaction of all requirements specified in Schedule B, Section I, of the Commitment, Purchaser shall acquire indefeasible fee simple and marketable title to the Property, subject only to the Permitted Exceptions (hereinafter defined).

5.2.1 Within **ninety (90) days** after the Effective Date (the “**Objection Period**”), Purchaser may deliver to Seller written notice of any title or survey matters which are not acceptable to Purchaser in its sole and absolute discretion (the “**Objections**”). If Purchaser raises any Objections, then Seller shall, within **fifteen (15) days** after receipt of Purchaser’s Objections, (the “**Response Period**”) notify Purchaser in writing as to whether or not Seller, at Seller’s expense, agrees to cure any of the Objections and, if so, which Objections Seller agrees to cure. If Seller does not provide Purchaser with a written response to the Objections on or before the expiration of the Response Period, it shall be presumed that Seller is unable or unwilling to attempt to cure any of the Objections. If Seller agrees to cure any of the Objections, then Seller, at Seller’s expense, shall undertake reasonable and diligent efforts to cure and remove such Objections on or before **five (5) business days** prior to Closing (the “**Cure Period**”). As Seller completes the cure of any Objection, Seller shall notify Purchaser in writing of the same; if Seller does not notify Purchaser on or before expiration of the Cure Period that Seller has cured a particular Objection that Seller has agreed to cure, it shall be presumed Seller has been unable to do so. If, after the exercise of reasonable and diligent efforts, Seller has been unable (or deemed to be unable) to cure any Objection (that Seller has agreed to cure) within the Cure Period, then Purchaser shall elect, by written notice to Seller delivered at or prior to Closing, to either: (i) terminate this Agreement; or (ii) waive such uncured Objections and accept title and survey as they then are without setoff or reduction in the Purchase Price. For avoidance of doubt, Purchaser acknowledges that Seller has no obligation whatsoever to cure or to attempt to cure any Objections except to the extent that Seller hereafter agrees to cure or to attempt to cure any Objections in accordance with this Section.

5.2.2 Any defect in title or survey that Purchaser does not object to on or before the expiration of the Objection Period, together with any and all uncured Objections which Purchaser elects to waive in writing, shall be deemed permitted exceptions (“**Permitted Exceptions**”).

5.2.3 Title Update. No sooner than **five (5) business days** prior to Closing but not later than **two (2) business days** prior to Closing, Purchaser shall cause the Title Company to endorse the Commitment to update the effective date of the Commitment to a date on or after the day that is **ten (10) days** prior to Closing. If the endorsement to the Commitment includes any additional requirements in Schedule B, Section I, or any new exceptions in Schedule B, Section II, that are not caused by Purchaser and are not already Permitted Exceptions, then Purchaser shall notify Seller in writing specifying such new title defect (“**New Title Defect**”). Seller shall have a period of **thirty (30) days** following the receipt of such notice from Purchaser to cure any New Title Defect, at Seller’s sole cost and expense, and, if necessary, the Closing date shall be extended so that Seller can attempt to cure the New Title Defect as provided above. If Seller fails to cure any New Title Defect within said **thirty (30) day period**, then Purchaser shall

Project: Green PLACE
Parcel: 176

elect, by written notice to Seller delivered at or prior to Closing, to: (i) terminate this Agreement; or (ii) waive the New Title Defect and accept the title as it then is without setoff or reduction in the Purchase Price; or (iii) if any New Title Defect is caused by the actions of Seller, then, subject to Section 18 below (including the notice and cure provisions set forth therein), Purchaser may pursue the remedies available to it under this Agreement for a default by Seller.

5.3 Survey. Purchaser at Purchaser's expense shall order a boundary survey of the Property within **twenty (20) days** of the Effective Date (the "**Survey**"), prepared by a licensed Florida registered land surveyor selected by Purchaser (in Purchaser's sole discretion) in accordance with the minimum technical requirements and standards promulgated by the Florida Board of Professional Surveyor and Mappers, Chapter 5J-17, of the Florida Administrative Code, Section 472.027, Florida Statutes. The Survey shall be in the form required by the Title Company to delete the standard survey exception in the Commitment and shall show all improvements, setbacks, easements, encroachments, or overlaps on the Property and all matters affecting title which are capable of being shown on the Survey and are set forth on Schedule B, Section II, of the Commitment. The Survey shall, at a minimum, be certified to the following parties: Purchaser, Seller, and the Title Company. The "Draft Survey" will be reviewed by the County Surveyor or their subordinate and Seller. Seller shall provide its comments to Purchaser within **ten (10) days** of receipt of survey by Seller. Comments and or proposed revisions and Seller's comments will be given to the consultant before finalizing. Upon Purchaser and Seller's approval of the Survey, the same shall be and constitute the "Survey" for purposes of this Agreement. In the event the Survey shows encroachments, easements, boundary overlaps or other matters objectionable to Purchaser, in its sole discretion, then Purchaser may, in its sole discretion, deliver to Seller written notice of same within the Objection Period and the same shall be treated as "Objections," as defined herein. The legal description of the Property set forth on the Survey shall be utilized in the documents of conveyance and in the Owner's Title Insurance Policy to be issued to Purchaser hereunder.

5.4 Appraisal. Purchaser, at Purchaser's expense, shall have received, reviewed, and approved two (2) real estate appraisals of the Property, (the "**Appraisals**") prepared by appraisers approved and selected by Purchaser (in Purchaser's sole discretion) – which approval shall be evidenced by issuance of one or more review appraiser's statements ("**RASs**"), prepared by staff of the Orange County Real Estate Management Division, concluding that the Appraisals meet current Uniform Standards of Professional Appraisal Practice and applicable Orange County standard procedures. Purchaser shall order the Appraisals, and shall receive the Appraisals from Purchaser's selected appraisers, prior to the expiration of the Due Diligence Period. After the Appraisals have been approved by Purchaser, Purchaser will provide at no cost to Seller, an electronic copy of the Appraisals.

5.5 Environmental Due Diligence. Purchaser at Purchaser's expense shall perform its environmental due diligence as described in the **Exhibit B** attached hereto and incorporated herein by this reference. The Environmental Due Diligence, set forth in **Exhibit B**, is a material condition of this Agreement.

5.6 Property Investigation. Purchaser at Purchaser's expense will investigate the physical, legal, and economic feasibility of acquiring, owning, improving,

developing, using, occupying, operating, and maintaining the Property for Purchaser's intended uses including, without limitation, investigation of all applicable building, zoning, environmental, and other codes, ordinances, statutes, laws, rules, and regulations affecting the Property, stormwater management, zoning, and development standards, impact and development fees, drainage conditions, soils, other environmental factors, sewer and water utility capacity and availability factors, concurrency, moratoriums, entitlements, and any other factors whatsoever considered appropriate by Purchaser, in its sole and absolute discretion, to determine overall project feasibility.

6. Rights and Responsibilities During Due Diligence.

6.1 Right to Access the Property. For the purposes of conducting its due diligence, Purchaser shall have the right, both during the Due Diligence Period, and at all other times that this Agreement is in effect, during normal business hours, to personally or through its agents, employees, and independent contractors, to enter upon the Property (including any buildings, structures, or other improvements located thereon) for the purposes of inspecting the Property (including any buildings, structures, or other improvements located thereon), making additional surveys, soil tests, environmental tests, test borings, topographical studies, and conducting such other investigations of the Property (including any buildings, structures, or other improvements located thereon), which Purchaser deems appropriate, in Purchaser's sole and absolute discretion.

Notwithstanding the foregoing, prior to any entry pursuant to this Section 6.1 upon the Property, Purchaser shall provide Seller with reasonable prior notice of any intended entry so that Seller may arrange to provide Purchaser (and/or Purchasers' agents, employees, and independent contractors) access and to have a representative present during any time that Purchaser has entered upon the Property; notwithstanding the notice provisions of Section 12 below, the "prior notice" required by this Section 6.1 need not be in writing, may be provided by Purchaser to Seller's representative:

NAME	William R. Henry, Jr
PHONE	407-595-0952
EMAIL	Chiphenny56@gmail.com

and shall be considered "reasonable prior notice" if it is provided not less than 24 hours prior to Purchaser's intended entry. Purchaser shall also have the right to meet and consult with Seller's consultants with information relative to the Property, or development matters related thereto, for the sole purpose of Purchaser's proposed acquisition and development of the Property.

6.2 Remediation. Upon termination of this Agreement, Purchaser shall, at its cost, promptly repair any material damage to the Property caused by its entry thereon and restore the same to substantially the same condition in which it existed prior to such entry.

WPH

6.3 Due Diligence Documents. If Purchaser terminates this Agreement, upon such termination, Purchaser shall, at no cost to Seller, promptly deliver to Seller all documents, reports and plans Purchaser obtained in connection with its investigation of the Property (collectively the “**Due Diligence Documents**”). Purchaser will provide the Due Diligence Documents to Seller without any representations or warranties and Seller shall rely on the information at its own risk and indemnify and hold harmless Purchaser and Purchaser’s consultants in connection with the preparation of the Due Diligence Documents. The foregoing obligation of the Purchaser shall survive termination of this Agreement.

6.4 Indemnification. Purchaser, to the extent permitted by Section 768.28 of the Florida Statutes, agrees to indemnify and hold harmless Seller for any damage or injury that may occur on the Property attributable to Purchaser’s own negligent acts or omissions or those of its officials and employees acting within the scope of their employment. The foregoing shall not constitute an agreement by Purchaser to assume any liability for the acts, omissions, and/or negligence of any other party or person. Nothing in this Agreement is intended to act as a waiver of the Purchaser’s sovereign immunity pursuant to Section 768.28 of the Florida Statutes, and, notwithstanding anything in this Agreement to the contrary, under no circumstances shall Purchaser be liable to Seller under any contract, negligence, strict liability, or other legal or equitable theory for any amounts in excess of those limits per claim and per occurrence set forth for tort liability in Section 768.28 of the Florida Statutes, which limits are hereby made applicable to all manner of claims against Purchaser related to this Agreement and are not confined to tort liability. Purchaser shall repair any damage caused by Purchaser’s tests and investigations. The terms and provisions of this paragraph shall survive both termination of this Agreement and Closing.

6.5 Extension to Due Diligence Period. If the Environmental Survey reveals any Environmental Exceptions (as defined in **Exhibit B**), or if any other testing performed by Purchaser reveals any condition of the Property which Purchaser deems to require further evaluation, in its sole and absolute discretion, then, upon written notice of such fact to Seller no later than **three (3) days** prior to the expiration of the Due Diligence Period, the Due Diligence Period shall be extended an additional **ninety (90) days** for further testing, provided Seller shall have the right to request reasonable documentation evidencing such fact(s) that Purchaser deems to require further evaluation. If the Environmental Survey or other testing results are unacceptable to Purchaser, then Purchaser may, in Purchaser’s sole and absolute discretion, elect to terminate this Agreement by furnishing written notice thereof to Seller prior to the expiration of the Due Diligence Period (as it may be extended in accordance with the preceding sentence).

6.6 Purchaser’s Right to Terminate. In the event Purchaser determines, in its sole and absolute discretion, which may be exercised for any reason or no reason at all, that it is not desirable or feasible for Purchaser to acquire the Property – or that Purchaser is not satisfied with any other matter (including without limitation those other matters set forth in this Section 5 above or any other matter(s) which Purchaser deems relevant) – then, in such event, Purchaser may, in Purchaser’s sole and absolute discretion, elect to terminate this Agreement by furnishing written notice thereof to Seller prior to the expiration of the Due Diligence Period. In the event the Purchaser fails to provide notice of termination by the expiration of the Due

Diligence Period or any extension thereof, Purchaser shall be deemed to have waived its right to terminate the Agreement pursuant to this Section.

6.7 After the Effective Date (and until this Agreement is terminated, if ever), Seller shall not change or cause the physical condition of the Property to change relative to its condition on the Effective Date, absent the prior written consent of Purchaser to any such change.

7. Closing.

7.1 Unless otherwise agreed in writing between Purchaser and Seller, the closing of the purchase and sale of the Property contemplated herein (“**Closing**”) shall be a “mail away” closing and all documents and funds necessary for Closing shall be received by the Closing Agent on or before **thirty (30) days** after the expiration of the Due Diligence Period (the “**Closing Date**”) (except to the extent that the Closing Date is extended by other provisions of this Agreement).

7.2 At Closing:

7.2.1 Purchaser shall remit to the Closing Agent by wire transfer the Purchase Price, subject to the adjustments and prorations herein provided, and plus the Purchaser’s expenses, if any, herein provided.

7.2.2 Seller shall execute and deliver to Purchaser a general warranty deed (a “**Deed**”) conveying, in accordance with all applicable laws and ordinances, indefeasible fee simple title to the Property free and clear of all liens, special assessments, easements, reservations, restrictions, and encumbrances whatsoever except for the Permitted Exceptions in substantially the same form attached to this agreement as **Exhibit C**, incorporated and reference. The Deed shall also expressly transfer: (i) all tenements, hereditaments, and appurtenances belonging or in anywise appertaining to the Property; (ii) all improvements, buildings, and fixtures, if any, situated in, over, under, on, upon, through, or across the Property; (iii) all of Seller’s rights, titles, and interests in and to any streets, roads, avenues, alleys, or rights-of-way in front of, adjoining, and/or along the boundaries of the Property, whether public or private, whether dedicated or otherwise, and whether before or after vacation thereof and whether previously abandoned or vacated or hereafter abandoned or vacated; (iv) all of Seller’s rights, titles, and interests in and to any strips, hiatuses, gores, gaps, or boundary adjustment areas adjoining or affecting the Property; (v) all of Seller’s rights, titles, and interests in and to any body of water situated on, under, or adjacent to such Property; and (vi) any and all riparian and other water rights relating to such Property.

7.2.3 Seller shall execute and deliver to Purchaser an Assignment of Intangible Property and Development Rights and Entitlements (the “**Assignment**,” in substantially the same form as attached as **Exhibit D**, incorporated herein by reference) pursuant to which Seller shall transfer, assign, and convey to Purchaser without warranty or representation (but only to the extent Seller may transfer, assign, and convey, and only to the extent related to the Property), for no additional consideration, all of Seller’s rights, titles, and interests in and to: (i) all permits, approvals, authorizations, licenses, and development entitlements, including

without limitation all transferrable development rights issued to or for the benefit of the Property (including without limitation development approvals, if any, obtained by Purchaser) (collectively, “**Permits**”); (ii) all Warranties; and (iii) all subdivision, site, master drainage, infrastructure, engineering, and construction plans to the extent applicable to the Property, whether or not approved by governmental agencies (collectively, “**Plans**”). However, at Purchaser’s election, the Assignment may include all Permits, Warranties, and Plans, or only those Permits, Warranties, and Plans that Purchaser requests be transferred, assigned, and conveyed to Purchaser at Closing.

Unless the conveyance occurs between November 1 and December 31 of the year of conveyance, in which case ad valorem property taxes shall be paid in full by Seller for the year of conveyance. 7.3 Possession of the Property shall be delivered to Purchaser at Closing.

8. Contingencies.

8.1 Contingencies Defined. The Closing is contingent upon and subject to those matters specifically set forth hereinafter in this Section 8.1 (the "**Contingencies**");

8.1.1 Title Cures. At or before Closing, Seller shall have cured all Objections that Seller agreed to cure pursuant to Section 5.2.1 above. Without limiting the foregoing, Seller shall have delivered to Purchaser and/or Title Company, as applicable, in recordable form, if applicable, all instruments necessary to convey clear title to the Property subject to the Permitted Exceptions.

8.1.2 Marked-Up Commitment. At or before Closing, Title Company shall have provided Purchaser with a "marked-up" version of the Commitment unconditionally obligating Title Company to issue an owner's policy to Purchaser in the condition required by this Agreement.

8.1.3 Termination of Leases. Seller shall not have entered into any recorded or unrecorded licenses, leases, or other occupancy or use agreements of any kind or nature affecting all or any portion of the Property ("**Leases**") after the Effective Date. Unless otherwise consented to in writing by Purchaser, any leases affecting all or any portion of the Property and in effect as of the Effective Date shall have been terminated by Seller, at no cost or expense to Purchaser, before the Closing Date, and any person(s) in possession of all or any part of the Property at any time prior to the Closing Date, shall have physically vacated the Property, and shall have removed all personal property (other than the fixtures constituting part of the Property) from the Property, before the Closing Date. As of the morning of the Closing Date, there shall be no person in possession of any part of the Property, other than Seller, such that, following Closing, there shall be no person in possession of any part of the Property, other than Purchaser. At or before Closing, Seller shall provide reasonable and sufficient proof to Purchaser and Title Company of Seller's compliance with this paragraph. If requested by Purchaser, Seller shall allow Purchaser to conduct a walk-through inspection of the Property, within the **five (5) business days** prior to Closing, to ensure Seller's compliance with this paragraph.

8.1.4 Termination of Service Contracts. Any and all Service Contracts, any leases affecting all or any portion of the Property, whether existing as of the Effective Date or entered into by Seller after the Effective Date, shall have been terminated by Seller, at no cost or expense to Purchaser, before the Closing Date. At or before Closing, Seller

Project: Green PLACE
Parcel: 176

shall provide reasonable and sufficient proof to Purchaser and Title Company of Seller's compliance with this paragraph.

8.1.5 Simultaneous Close. The parties acknowledge that the County is also purchasing Orange County Property Appraiser Parcel ID 07-20-28-0000-00-002 located at 2526 Haas Road, Apopka, Florida for the Green PLACE project (the "**Green PLACE Parcel 179**"). The closing of Green PLACE Parcel 176 is contingent on the closing of Green PLACE Parcel 179 simultaneously with this acquisition.

8.2 Waiver of Contingencies. Any Contingency may be waived, lessened, or otherwise removed from this Agreement by Purchaser at any time by delivery of written notification from Purchaser to Seller.

8.3 Effect of Failure of Contingency. If all Contingencies have not been satisfied (by the person responsible for the satisfaction of the same) or waived in writing by Purchaser on or before the Closing Date (or on or before such earlier date as may be specified for the satisfaction of any particular Contingency in Section 8.1 above), then this Agreement shall automatically terminate and be of no further force or effect.

8.4 Mutual Extension of the Closing Date. In the event that any (or all) of the Contingencies are not satisfied on or before the Closing Date, then the Parties by mutual agreement may (but shall not be required to) extend the Closing Date through one or more written extensions executed by Purchaser and Seller; provided, however, in no event shall the Closing Date be extended to a time later than **forty-five (45) days** from the end of the Due Diligence Period (or as such period may be extended).

9. Seller's Representations and Warranties.

9.1 Seller hereby represents and warrants to Purchaser that each of the following are true and correct as of the Effective Date, and that each of the following shall be true and correct as of the Closing Date as if such representations and warranties were made again on the Closing Date and shall survive Closing, but none of which shall survive the termination of the Post-Closing Occupancy Agreement:

9.1.1 This Agreement constitutes a valid and binding obligation of Seller and is enforceable against Seller in accordance with its terms.

9.1.2 The execution and delivery of all instruments and documents required hereunder to be obtained or authorized by Seller in order to consummate this transaction have been or will be obtained and authorized as so required.

9.1.3 To Seller's actual knowledge, there are no outstanding state or federal tax liens, claims, or demands against Seller that constitute or will constitute a lien against the Property.

9.1.4 To Seller's actual knowledge, the Property is not any type of security or collateral for any obligation – other than matters of public record that will be reflected on the Commitment.

9.1.5 To Seller's actual knowledge, Seller is not in default under any indenture, mortgage, deed of trust, loan agreement, or other agreement that affects any portion of the Property.

9.1.6 To Seller's actual knowledge, there are no currently pending or threatened actions, suits, claims, demands, or proceedings of any kind or nature, legal or equitable, affecting the Property or any portion thereof.

9.1.7 To Seller's actual knowledge there are no recorded or unrecorded liens, special assessments, easements, reservations, restrictions, covenants, or encumbrances affecting the Property – other than matters of public record that will be reflected on the Commitment and any agriculture-related leases that will be terminated by Seller prior to Closing.

9.1.8 After the Effective Date, Seller shall not convey, transfer, or encumber the Property, take any action to cause the Property to be conveyed, transferred, or encumbered, or grant any interest in the Property to any person or entity other than to Purchaser as contemplated in this Agreement.

9.1.9 Except as to any agriculture-related leases that will be terminated by Seller prior to Closing, to Seller's actual knowledge, the Property is not subject to any recorded or unrecorded licenses, leases, or other occupancy or use agreements of any kind or nature.

9.1.10 To Seller's actual knowledge, there is no person in possession of the Property, other than Seller and other than pursuant to any agriculture-related leases that will be terminated by Seller prior to Closing.

9.1.11 To Seller's actual knowledge, there are no other persons or entities known to Seller who have any rights to acquire the Property or have any rights or claims therein or thereto or for any portion of either – other than matters of public record that will be reflected on the Commitment and other than pursuant to any agriculture-related leases that will be terminated by Seller prior to Closing.

9.1.12 Except as otherwise disclosed in the Seller's Documents, to Seller's actual knowledge, there presently does not exist and there has never existed on, above, or under the Property any Hazardous Material, and, to Seller's actual knowledge, neither Seller, nor any other person, has ever caused or permitted any Hazardous Materials to be placed, held, located, or disposed of, on, under, or at the Property or any part thereof. To Seller's actual knowledge, no part of the Property has ever been used as a manufacturing, storage, or dumpsite for Hazardous Materials, nor is any part of the Property affected by any Hazardous Materials Contamination.

(a) “**Hazardous Materials**” shall mean: (a) any “hazardous waste” as defined by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. Section 6901 et seq.), as amended from time to time, and regulations promulgated thereunder; (b) any “hazardous substance” as defined by the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (42 U.S.C. Section 9601 et seq.), as amended from time to time, and the Superfund Amendments and Reorganization Act of 1986, as amended from time to time, and regulations promulgated thereunder; (c) asbestos; (d) polychlorinated biphenyls; (e) petroleum, petroleum by-products or petroleum constituents; (f) any substance the presence of which is prohibited by any governmental requirement; and (g) any other substance which by any governmental requirement requires special handling in its collection, storage, treatment or disposal, in quantities that is prohibited or regulated by any federal, state, or local law related to the protection of human health or the environment.

(b) “**Hazardous Materials Contamination**” shall mean the contamination (whether presently existing or hereafter occurring) of any improvements, facilities, soil, ground water, ambient air, subsurface strata, biota, or other elements on, or of, the Property by Hazardous Materials, or the contamination of any improvements, facilities, soil, ground water, ambient air, subsurface strata, biota, or other elements on, or of, any other property as a result of Hazardous Materials emanating from the Property.

9.1.13 Except as otherwise disclosed in this Agreement, to Seller’s actual knowledge, there are no drilling holes or underground storage tanks located on the Property, and no portion of the Property has ever been used for a cemetery/burial site, garbage dump, landfill, or service station or other business selling petroleum or petroleum products.

9.1.14 Seller has received no written notification and, to Seller’s actual knowledge, has received no other notification from any individual, corporation, governmental agency, bureau, or authority which pertains to or concerns a violation or suspected violation of any environmental or ecological law or regulation relating to the Property.

9.1.15 Seller will notify Purchaser promptly of any occurrence, notification, or variation in the representations or warranties contained herein.

9.2 The failure of any of the representations, warranties, or covenants contained in Section 9.1 to be true and correct on the Effective Date and on the Closing Date shall entitle Purchaser to elect, no later than the Closing Date, to either: (a) waive such condition and close without adjustment to the Purchase Price; (b) terminate this Agreement whereupon neither party shall have any further obligation hereunder except for any obligations that expressly survive such termination; or (c) if Seller has taken any action or failed to take any action that intentionally caused any of its representations, warranties or covenants to be untrue on the Effective Date or on the Closing Date, then, subject to Section 11 below (including the notice and cure provisions set forth therein), Purchaser may pursue the remedies available to it under this Agreement for a default by Seller.

9.3 For purposes of this Agreement whenever the phrase “to Seller’s actual knowledge” or words of similar import are used, they shall be deemed to refer to facts within the

actual knowledge of **William R. Henry, Jr**, in his capacity as the Seller, without any investigation or inquiry. Purchaser hereby acknowledges and agrees that **William R. Henry, Jr** is named above solely for the purpose of defining the scope of Seller's actual knowledge and not for the purpose of imposing any liability on or creating any duties running from **William R. Henry, Jr** to Purchaser. Purchaser covenants that Purchaser will bring no action of any kind, character or nature against **William R. Henry, Jr**, or any other member, manager, director, officer or affiliate of Seller, arising out of any of the representations and warranties made herein by Seller. In no event shall **William R. Henry, Jr**, be personally liable for a breach of any representation, warranty or covenant made herein or otherwise.

10. Brokers and Commission.

10.1 Seller is not represented by a broker.

10.2 Seller and Purchaser represent to each other that neither party is aware of any person or entity that would be entitled to a commission, finder's fee, compensation, or brokerage fee upon the consummation of this transaction. The terms of this provision shall survive Closing, or termination of this Agreement, for a period of one (1) year after the date of Closing or such termination.

11. Default and Remedies.

11.1 In the event either party fails to comply with or perform any of the conditions, covenants, or agreements contained in this Agreement and prior to the exercise of the rights hereinafter provided to either party, the breaching party shall be entitled to written notice of the specific non-compliance, breach, or other problem and to **ten (10) days** after the receipt of that written notice in which to cure said non-compliance, breach, or other problem, except the parties shall only have **three (3) days** to cure a failure to timely close the transaction contemplated hereby. If such non-compliance, breach, or other problem is not corrected within the applicable period, then an event of default shall have occurred and the parties shall be entitled to the rights and remedies hereinafter set forth.

11.2 In the event of a default by Seller, then Purchaser may, at Purchaser's election, either: (i) terminate this Agreement by written notice to Seller and the parties shall have no further rights or obligations hereunder, except for those rights and obligations which expressly survive termination of this Agreement; or (ii) pursue an action for specific performance against Seller, provided that any action for specific performance must be filed by Purchaser in the appropriate court with jurisdiction no later than **one hundred twenty (120) days** after Seller's default, the failure of which Purchaser shall be deemed to have elected (i) above.

11.3 In the event of a default by Purchaser, then Seller, as Seller's sole and exclusive remedy, shall be entitled to terminate this Agreement by written notice to Purchaser and the parties shall have no further rights or obligations hereunder, except for those rights and obligations which expressly survive termination of this Agreement.

Project: Green PLACE
Parcel: 176

11.4 Except as otherwise expressly set forth in this Agreement, in no event shall either party be liable for damages in the event of a default by such party hereunder; furthermore, and notwithstanding anything in this Agreement to the contrary, in no event shall either party be liable for consequential, special, indirect, exemplary, or punitive damages in the event of a default by such party hereunder.

13. Miscellaneous.

13.1 No Waiver; Rights Cumulative. Neither the failure of either party to exercise any power or right herein provided or to insist upon strict compliance with any obligation herein specified, nor any custom, use, or practice at variance with the terms hereof, shall constitute a waiver of either party's right to demand exact compliance with the terms and provisions of this Agreement. The last day of any period of time described herein shall be deemed to end at 6:00 p.m. local time in Orange County, Florida. For purposes of this Agreement, "holiday" shall mean federal holidays as defined in 5 U.S.C. 6103.

Nothing contained herein shall relieve Seller of its obligations under this Agreement. Purchaser's cooperation hereunder shall include, but not be limited to, Purchaser's consent and approval to Seller's assignment of its interest in this Agreement to a qualified intermediary or other third party utilized in the transaction in order to facilitate a deferred tax-free exchange of the Property by Seller, and, at Seller's option, Purchaser's agreement to receive or take title to the Property, from such qualified intermediary or other third party in connection therewith. Purchaser shall not, by this paragraph or by acquiescence to any Exchange by Seller, (1) have its rights under this Agreement affected or diminished in any manner or (2) be responsible for compliance with or be deemed to have warranted to Seller that any Exchange involving Seller in fact complies with the §1031 of the Code.

13.18 Waiver of Jury Trial. SELLER AND PURCHASER HEREBY MUTUALLY, KNOWINGLY, VOLUNTARY, AND INTENTIONALLY WAIVE ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY AND ALL CLAIMS AND CAUSES OF ACTION OF ANY KIND WHATSOEVER, INCLUDING, WITHOUT LIMITATION, ANY AFFIRMATIVE DEFENSES, COUNTERCLAIMS, OR CROSS CLAIMS, BASED ON THIS AGREEMENT OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH THIS AGREEMENT OR ANY AGREEMENT CONTEMPLATED TO BE EXECUTED IN CONNECTION WITH THIS AGREEMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY WITH RESPECT HERETO OR THERETO WHETHER SUCH CLAIMS OR CAUSES OF ACTION ARE KNOWN OR UNKNOWN AT THE TIME OF EXECUTION OF THIS AGREEMENT.
