THIS TEMPORARY EASEMENT AGREEMENT (the "**Easement Agreement**") is made and entered by Woodward Ave. MHP LLC, a Florida limited liability company, whose address is 5624 Woodward Avenue, Zellwood, Florida 32798, ("**Grantor**"), and Orange County, Florida, a charter county and political subdivision of the State of Florida ("**Grantee**"), whose address is P.O. Box 1393, Orlando Florida 32802 – 1393, (collectively, the "**Parties**").

RECITALS:

WHEREAS, Grantor owns in fee simple certain real property located in Orange County, Florida, more particularly described in **Exhibit "A"** attached hereto and incorporated herein by this reference (the "**Property**"); and

WHEREAS, Grantee desires temporary surface and subsurface easement rights to the Property (also called herein the "**Easement Area**") for the purpose of undertaking subsurface environmental remediation; and

WHEREAS, in order to permit Grantee to achieve the purposes stated herein, Grantor desires to grant to Grantee easements in the Property under the terms and conditions set forth herein;

NOW, THEREFORE, in consideration of Five Thousand and NO/100 Dollars (\$5,000.00), the mutual covenants, restrictions and agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor and Grantee hereby declare and agree as follows:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference.

2. Grant of Subsurface and Surface Easements. Grantor hereby grants, bargains, sells and conveys to Grantee temporary easements (the "**Easements**") on, over, upon, and underneath the Property for the following purposes and none other: to allow Grantee, its employees, agents, and contractors acting at the express direction of the County, (a) to perform remediation activities in accordance with Florida Department of Environmental Protection requirements, and to maintain, repair or replace drilling and remediation equipment, all as Grantee deems necessary; and (b) to access the Property, including ingress and egress, at all reasonable hours and exclusive of any buildings or structures thereon, to direct and monitor remediation

activities and progress as Grantee deems necessary, per approved Remedial Action Plan and associated modifications. Said authorization is retroactive to January 1, 2021, and will continue through the date specified in paragraph 10 below.

3. Restoration. In the event Grantee disturbs any portion of the Property or the structures thereon through the exercise of these easements, Grantee shall promptly restore such Property or structure to the condition it was in immediately prior to the disturbance.

4. Subsurface Equipment. Grantor understands and agrees that at the termination of this Easement Agreement, subsurface pipes may, at Grantee's discretion, be filled, grouted and abandoned in place in accordance with applicable law and regulation and that thereafter Grantor shall be the sole owner of said equipment.

5. Indemnification. Grantee shall indemnify and hold harmless Grantor to the extent provided in Section 768.28, Florida Statutes, as it may be amended from time to time, from and against all claims, damages, losses, liabilities, and expenses (including reasonable costs, expenses, attorneys' and paralegals' fees) arising out of Grantee's negligence associated with the use of the Easements.

6. Title and Other Matters. Grantor grants and conveys, and Grantee accepts, these Easements subject to such easements, covenants, conditions, restrictions, encumbrances and other matters that may affect the title to Property (collectively, "**Title Matters**"). Grantor also grants and conveys, and Grantee accepts, these Easements subject to all zoning, land use, and other requirements and restrictions of governmental authorities (collectively, "**Zoning Matters**") that may affect or apply to the Property or to the use of the Property. Grantee shall comply with and perform all restrictions and requirements of the Title Matters and Zoning Matters. Without limiting the foregoing, Grantee shall hold Grantor harmless with respect to any claims or assertions that these Easements violate the terms of any other easement affecting the Property or the rights of the holder of such other easement.

7. Permits and Approvals. Grantee represents and warrants that Grantee has obtained or will obtain all permits and consents that may be required or prudent to be obtained in connection with the work to be performed by Grantee. Grantee covenants and agrees that the Easement Area will be used, and the construction work will be performed and completed, in compliance with all applicable laws, statutes, ordinances, and governmental rules, regulations, and requirements now in force or that may become in force.

8. Parties. All rights and obligations arising hereunder are appurtenances and covenants running with the Property, and shall be binding upon, and shall inure to the benefit of, the parties and their respective successors and assigns.

9. Severability. If any provision of this Easement Agreement, or the application thereof to any person or circumstances, shall be held invalid, inoperative or unenforceable, the remainder of this Easement Agreement, or the application of such provisions to any other person or circumstances, shall not be affected thereby; it shall not be deemed that any such invalid provision affects the consideration of this Easement Agreement; and each provision of this Easement Agreement shall be valid and enforceable to the fullest extent permitted by law.

10. Term. This Temporary Easement Agreement will expire on December 31, 2030.

11. Release. For and in consideration Five Thousand and NO/100 Dollars (\$5,000.00), the receipt and sufficiency of which is hereby acknowledged, Grantor hereby releases, covenants not to sue, remises and forever discharges Grantee and its agents, officers, directors, employees, invitees, licensees,

12. Miscellaneous. The parties expressly agree that each party shall bear the cost of its own attorney and legal fees in connection with any dispute arising out of this Easement Agreement, or the breach, enforcement, or interpretation of this Easement Agreement, regardless of whether such dispute results in mediation, arbitration, litigation, all or none of the above, and regardless of whether such attorney and legal fees are incurred at trial, retrial, on appeal, at hearings or rehearings, or in administrative, bankruptcy, or reorganization proceedings.
