Good morning Mr. Camara,

Thank you for providing confirmation that Davila Homes would like to withdraw the appeal and proceed with a new modification application.

Thanks,
Caroline

Please Note: The Florida Legislature passed an update to Section 125.022, Florida Statutes (FS) that is effective October 1, 2025. For any applications received on or after October 1, 2025, an applicant has 30 days from the date of a Request for Additional Information (RAI) letter to provide a response to EPD. However, Section 125.022, FS, does include an option for the applicant to provide a written request to EPD waive the timeframes. If a response to an RAI is not received within 30 days, or a waiver is not approved within the 30 days, then EPD will close the application. The applicant will be required to reapply including any application fees. An Application for Waiver can be requested from EPD by emailing wetlandpermitting@ocfl.net

Good morning Caroline,

Thank you for the clarification.

Davila Homes will withdraw the BCC appeal scheduled for October 14. We will proceed with a modification application to adjust the boat dock location in accordance with the applicable requirements.

Best regards,

Good morning Camille,

Yes, the application form for a modification is the same as the regular boat dock application form. On the application form under "Brief Description of proposed work" you can specify that this is a modification and say what the proposed changes are.

Currently this boat dock appeal to BCC is still scheduled to be held on October 14th. Does Davila Homes plan to withdraw the appeal? **If so, please provide written confirmation from Davila Homes as soon as possible.**

Thank you,
Caroline
