On April 23, 2024, the Board approved the 2024-2027 Local Housing Assistance Plan (LHAP) for housing programs and activities funded through the State Housing Initiative Partnership (SHIP) Program. LHAP utilizes SHIP funds to support the Housing Rehabilitation program, which provides home repairs for low-to moderate-income individuals and families. Repairs include life, health, safety, and energy efficiency-related repairs.

On July 9, 2024, the Board approved an agreement between Orange County and Duke Energy Florida, LLC to receive rebates for eligible energy efficient repairs performed under the SHIP Housing Rehabilitation program within the Duke Energy Service area. The rebate program is estimated to provide approximately \$15,000 annually for 5 years. A budget amendment is needed in the amount of \$75,000. The term of the agreement is from July 9, 2024 through July 8, 2029.

Therefore, in accordance with Section 129.06(2)(d), Florida Statutes, subject to Board approval, it is recommended that the following accounts be adjusted by the amounts shown.
