Keep in mind that this is a list of <u>common</u> special cost items charged to the program; the Supplemental Budget for Special Cost Items form includes a complete listing of special cost items. <u>More detailed information can be found in the current revision</u> of FNS Instruction 796-2.

Common Special Cost Items	Corresponding # on Supplemental Budget
Overtime pay	2. A.
Equipment costing more than \$5,000 and which is used exclusively for the CCFP can be directly expensed; otherwise, without specific prior written approval, the cost of that item can only be recovered through "depreciation" which is approved through the annual (regular) budget approval process	4
Professional and consultant services that are CCFP related: attorney costs related to administrative review, accountant (for non tax services), management consultant, nutritionist; Semi-professional services: bookkeeping services, internet/web design consultant, computer programming services	11. B.
Less-than-arm's-length and related party transactions are NOT common to the program; however, it is important to note that you MUST disclose these relationships/transactions to DOH if they relate to the program in any way. • Less-than-arm's-length transactions occurs when the parties involved are not independent and/or have a relationship to each other. • Related party transactions are less-than-arm's-length transactions since they involve persons who are related to each other. • Examples of less-than-arm's-length and related party transactions include, but are not limited to, those involving family members (such as a parent and child, spouses, or siblings), a subsidiary (such as a branch, auxiliary, or subordinate business), and/or a parent company (which is the business with ownership, control or influence over a smaller business).	12. A.
Maintenance <u>CONTRACTS</u> and service repair <u>CONTRACTS</u> on CCFP equipment	12. B.
Any purchased or contractual service such as janitorial, pest control, security, trash pick-up, etc.	12. C.
Cellular phones, pagers, and related charges	18. A.

- 4. On the blank Supplemental Budget enclosed, indicate the dollar amount for <u>each</u> specific item of cost you plan to charge to the CCFP in the column titled "Dollar Amount/Administrative" or "Dollar Amount/Operational (Food Service)," whichever is appropriate for the specific item.

Instructions Worksheet for the Child Care Food Program Claim Data Summary/PEW/Management Plan/Budget

(For Current CCFP Sponsors of Affiliated Child Care Centers, Afterschool Meals Programs, and Homeless Children Nutrition Programs)

Instructions Notes for Completing the Child Care Food Program (CCFP) Projected Earnings Worksheet and Budget

You will be utilizing the Management Information and Payment System (MIPS) to complete the Projected Earnings Worksheet (PEW), followed by the Management Plan, and finally the Budget. The PEW, Management Plan and Budget each have a separate tab at the bottom of this excel file. When completing the PEW, Management Plan and Budget, you will enter information into the green-shaded fields only, and the worksheet will do the calculations for you. Upload the excel file into the appropriate screen (Budget or Renewal Screen) of MIPS when finished.

Instructions for Completing the Child Care Food Program (CCFP) Claim Data Worksheet

The Claim Data Worksheet has been completed by DOH for each affiliated sponsoring organization by utilizing the affiliated sponsoring organization's Claim Data Summary for the months of July 2023 through June 2024. Months may be excluded if no claim was filed between July 2023 through June 2024. If you feel that your organization's number of attendance, enrolled children by category doens't reflect accurately, you will need to contact a Policy specialist at 850-245-4323. Once you have contacted your Policy specialist, you will need to submit a justification that will account for your growth in the number of attendance as well as indicate how much you anticipate the attendance to grow (indicate a number and justify that number). The financial specialist will determine if the justification is approvable they will update the CDS for your organization

Instructions for Completing the Child Care Food Program (CCFP) Projected Earnings Worksheet

The Projected Earnings Worksheet will autopopulate the results based on the Claim Data Summary. Please review the Sponsor Administrative Cap and the Projected Earnings Rounded for use in the Budget. The "CCFP Funds" column under the Administrative Costs on the Budget cannot exceed the Sponsor Administrative Cap and the sum of "CCFP Funds" column for both the Administrative Costs and Operational Costs cannot exceed the Projected Earnings Rounded for use in the Budget.

Instructions Notes for Completing the Child Care Food Program (CCFP) Management Plan

The instructions for completing the Management Plan are within the Management Plan tab. There are a total of eight sections that must be completed. Within each section there are either instructions on how to complete the section or the section itself asks a question that must be answered or information that must be provided. Be aware that the Projected Amount to be Charged to the CCFP (Column I) and the Amount to be Charged to Other Funds (J) from the table in Section 2 will appear on your budget tab under the Administrative Salaries and Benefits.

Instructions for Completing the Child Care Food Program (CCFP) Budget

- 1) Make sure you have completed and reviewed the Projected Earnings Worksheet (PEW) and the Management Plan before you start to complete this form. The Total Budget Amount from the PEW will be listed in a separate box to the right of the projected food program costs table and the Administrative Salaries and Benefits will be autofilled based on how your organization completed Section 2 (Allowable Administrative Salaries/Benefits and Cost Allocation) of the Management Plan.
- 2) List the name of the individual(s) who worked and completed the CCFP Budget.
- 3) Complete the table in # 1 as follows:
- a. Verify the amount of "Total Budget Amount from PEW" from your PEW in the Budget Totals/CCFP Funds box at the bottom of the Budget.
- b. As you complete the rest of the Budget, use whole dollars only, no cents.
- c. CCFP Funds column Determine how you will spend your projected earnings on the food program and enter the estimated annual amounts in the appropriate budget categories. Be sure that the amounts listed add up to the CCFP Funds Total amount you entered. It is strongly recommended that at least 50% of your CCFP Funds Total be allocated to food purchases and for sponsoring organizations, the administrative amount cannot exceed the Sponsor Administrative Cap, which can be found on page 2 of the PEW. Refer to the cost category definitions below for examples of allowable food service (operational) and administrative costs. As you enter the estimated annual amounts in the appropriate budget categories, the Remainder to Budget for CCFP Funds (separate boc to the right of table #1) will decrease. When, the amount in the Remainder to Budget for CCFP Funds is \$0.00, you will have to put any additional costs into the Non-CCFP Funds column.
- d. Non-CCFP Funds column If your projected earnings will not cover the full costs of operating the food program, list the additional amounts you will spend on the program in the appropriate budget categories. Add up the amounts, if any, listed in this column and enter the total in the Budget Totals/Non-CCFP Funds box at the bottom of the Budget.
- e. Category Totals column and Budget Totals row For each row going across, add the CCFP Funds amount to the Other Funds amount and enter the total in space provided in the last column. Then go down the column and add up the row totals listed to ensure the amount equals the Budget Totals/Grand Total that you obtained when you added the last row.
- 4) In # 2, list the sources(s) of non-CCFP funds that you included in the budget table, or write N/A if your budget only includes CCFP funds
- 5) In # 3, check one or more sources of funds available to pay for potential over claims of CCFP reimbursement or other unallowable costs. If "other" is checked, identify the source(s) of funds in the space provided.
