SUBJ: **Installation of "No Parking" Signs on Chipola Circle**

Orange County Traffic Engineering Division has requested that "No Parking" signs be installed on the east side of Chipola Circle.

Traffic Engineering staff has determined that the parking of vehicles on the right-of-way is causing pavement failure and is damaging county right-of-way; therefore, staff recommends the installation of "No Parking" signs.

Staff recommends that the Board approve the "No Parking" signs installation on the east side of Chipola Circle.

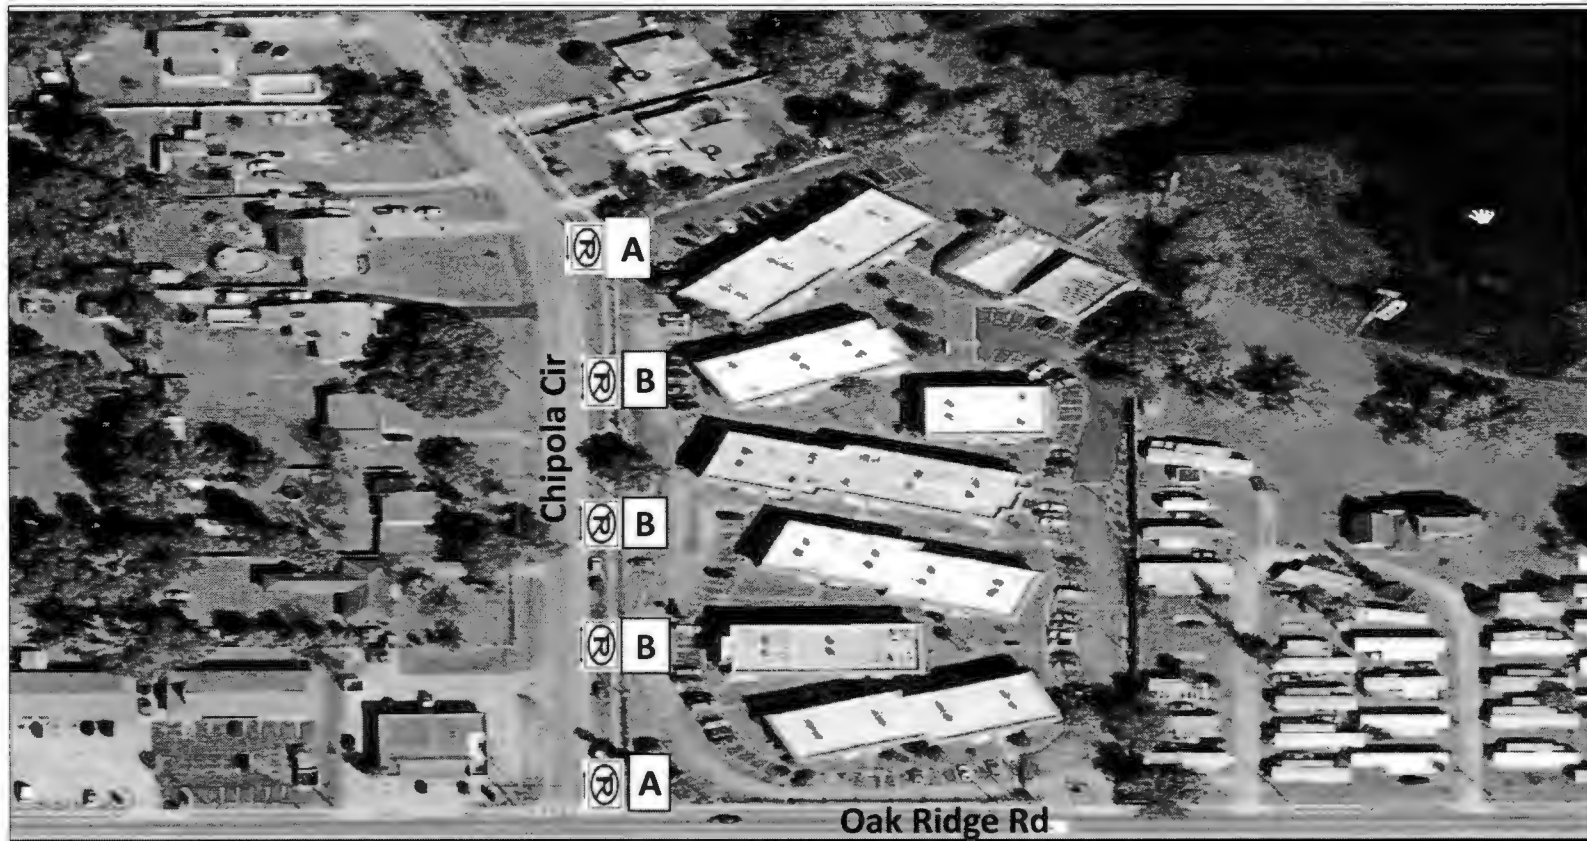

**Action Requested: Approval of "No Parking" signs installation on Chipola Circle from Oak Ridge Road extending approximately 640 feet north on the east side. District 3.**
