SUBJ: Installation of "No Parking" signs on the north and south side of
Oriente Street

A citizen has requested "No Parking" signs be installed on the north and south side of Oriente Street from Econlockhatchee Trail to approximately to 500 feet west of the Ensenada Drive intersection.

Traffic Engineering staff has determined that the parking of vehicles is damaging the right-of-way and creates a traffic hazard for pedestrians. The increased number of vehicles has caused shoulder erosion creating unstable drop-off conditions; therefore, staff recommends the installation of "No Parking" signs.

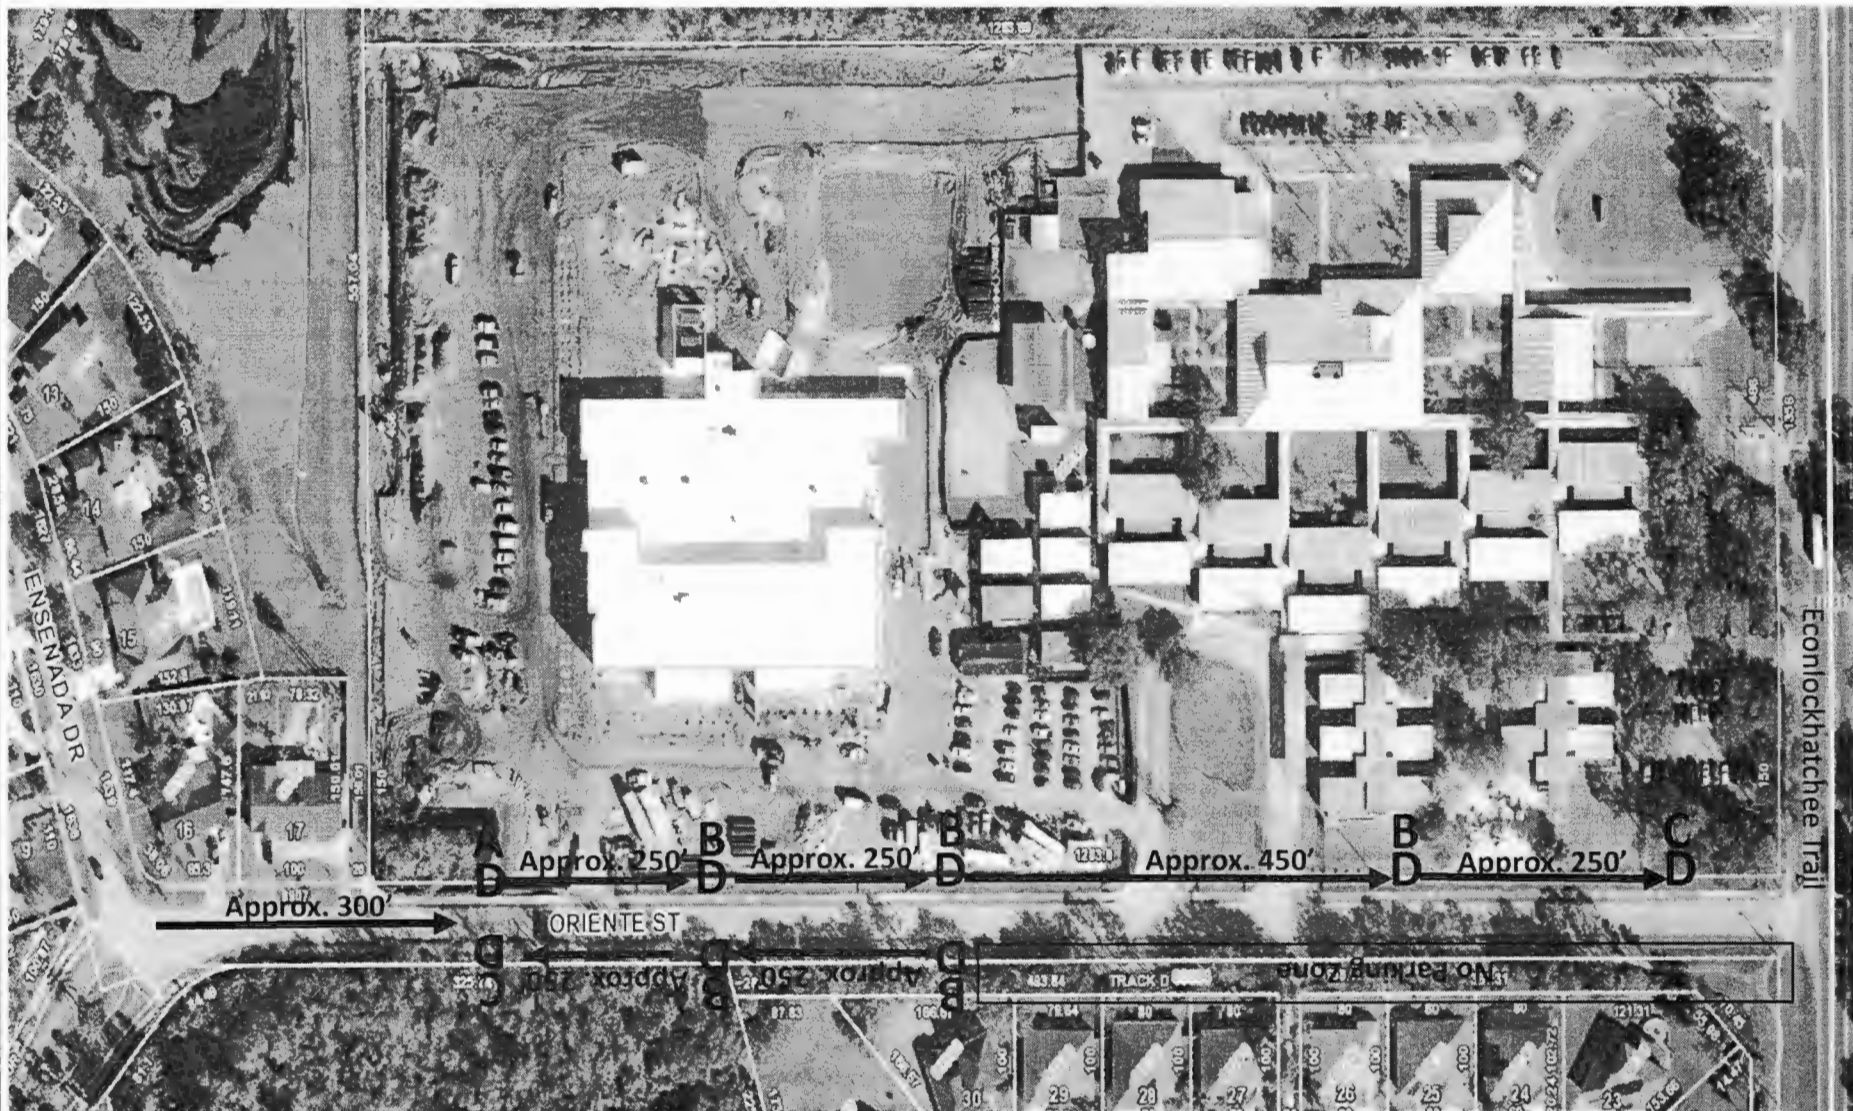

Staff recommends the Board approve the installation of "No Parking" signs on the north and south side of Oriente Street from Econlockhatchee Trail to approximately 500 feet west of the Ensenada Drive intersection.

Action Requested: Approval of "No Parking" signs installation on the north and south side of Oriente Street from Econlockhatchee Trail to approximately 500 feet west of the Ensenada Drive intersection. District 3.
