SUBJ: Installation of "No Parking" Signs on Plymouth Sorrento Road

A concerned citizen has requested that "No Parking" signs be established on the west side of Plymouth Sorrento Road extending 238 feet north of West Highland Avenue. The no parking zone length is 337 feet.

After field review, Traffic Engineering staff has determined that heavy vehicles parking along the unpaved shoulder of Plymouth Sorrento Road are damaging the roadway. Additionally, the increased number of trucks have caused pavement failure and shoulder erosion. If this continues, further damage will cause an unsafe drop off condition.

Staff recommends that the Board approve the installation of "No Parking" signs on the west side of Plymouth Sorrento Road extending 238 feet north of West Highland Avenue.

Action Requested: Approval of "No Parking" signs installation on Plymouth Sorrento Road. District 2.
