THIS AGREEMENT is entered into as of the last date of execution by and between Orange County, a charter county and political subdivision of the State of Florida (“County”), and Orlando Economic Partnership, Inc., a Florida not-for-profit corporation (“OEP”).

**RECITALS**

**WHEREAS**, the Central Florida modeling simulation and training industry (“MST”) has created 61,000 jobs in Central Florida and is a vital segment of the Central Florida economy; and

**WHEREAS**, the survival and growth of the Central Florida MST industry is dependent upon the continued presence of United States military installations in Central Florida currently located in the Central Florida Research Park; and

**WHEREAS**, the County is part of a joint effort with the City of Orlando, the Orlando Economic Partnership, Inc. (“OEP”), the University of Central Florida, the Corridor, the National Center for Simulation and the Central Florida Research Park Authority (collectively hereinafter referred to as the “Metro Orlando Defense Task Force” or “MODTF”) to mitigate the threat posed by sequestration of the Federal budget to Central Florida’s MST; and

**WHEREAS**, the MODTF has received grants in previous years from the Florida Defense Support Task Force, a state-wide task force formed to analyze the vulnerability of Florida military installations to base realignment and closure (“BRAC”) resulting from Federal budget cuts and to develop a strategic plan to advocate for the retention of military installations and enhancement of the defense industry in Florida; and

**WHEREAS**, MODTF has determined that it will now dedicate its efforts to growing the MST business base in Central Florida including military and commercial vertical markets; and

**WHEREAS**, the Board of County Commissioners of Orange County approved a matching contribution to the MODTF in support of such grant in the amount of Twenty-Five Thousand and no/100 Dollars (\$25,000.00) and authorized the Mayor to execute a funding agreement for the MODTF; and

**WHEREAS**, OEP has been designated as Fiscal Agent of the MODTF and will therefore be custodian of the funds contributed to the MODTF; and

**WHEREAS**, the County and OEP therefore wish to set forth herein the rights and obligations of OEP and the County with respect to the OEP's role as Fiscal Agent.

NOW, THEREFORE, in consideration of the foregoing, the parties agree as follows:

**Section 1. Recitals.** The above recitals and the meanings ascribed to the defined terms contained therein are hereby incorporated herein and made a part of this Agreement.

**Section 2. County Payment.** The County has appropriated for the period commencing October 1, 2021 and ending September 30, 2022, the total sum of Twenty-Five Thousand and no/100 Dollars (\$25,000.00) to be administered and disbursed by OEP solely for the purposes set forth in **Exhibit "A,"** attached hereto and incorporated herein by this reference. The County's contribution of \$25,000.00 to OEP shall be made after execution of this Agreement and the County's receipt of an original invoice from the OEP. Payment shall be made in accordance with the Florida Prompt Payment Act (Chapter 218, Florida Statutes), following the receipt of OEP's invoice. Said invoice shall be submitted contemporaneously with or subsequent to the submission of a written report describing OEP's activities as Fiscal Agent hereunder and OEP's use of the County Contribution paid under this Agreement. Additional reports, board presentations and other information related to the County's contribution shall be provided by OEP as may be requested by the County.

**Section 3. OEP's Obligation.**

3.1 Representation of OEP. OEP represents that it shall expend funds paid hereunder solely for the purposes set forth in **Exhibit "A."** OEP shall act in the capacity of Fiscal Agent in matters pertaining to the use of all funding contributions for the MODTF. OEP shall hold all such funds in separate accounts designated specifically and solely for the implementation of a strategic public relations and marketing plan and associated travel expenses for BRAC threat mitigation to the Central Florida MST industry.

3.2 Prohibited Lobbying Activities. OEP shall not expend any funds paid under this Agreement for any lobbyist; as such term is defined in section 2-351 of the Orange County Code, to engage in any lobbying activities designed to influence decisions or other foreseeable actions of the Board of County Commissioners or the governing body of any other municipality located within Orange County. OEP agrees that it shall not undertake, or cause to be undertaken, or participate in, any lobbying before the state legislature in order to advocate for or influence legislative decision making inconsistent with legislative priorities adopted by the Board of County Commissioners, without the prior written consent of the Board or the County Administrator. Nothing herein shall be construed to prohibit OEP from engaging in lobbying or similar activities that are not specifically prohibited by this Agreement.

3.3 OEP as Independent Contractor. The parties expressly acknowledge that OEP is acting as an independent contractor, and nothing in this Agreement is intended or shall be construed to establish an agency, partnership or joint venture relationship between the parties.

3.4 Unlawful Discrimination. OEP, in performing its obligations under this Agreement shall not unlawfully discriminate against any worker, employee, applicant or member of the public because of race, religion, sex, sexual orientation and gender expression/identity, color, age, disability or national origin.

3.5 Accounting. OEP will utilize such accounting procedures and practices in maintenance of the records of receipts and disbursements of the funds contributed by the County as will be in accordance with generally accepted accounting principles.

3.6 Non-Profit Status. OEP agrees to maintain its corporate, non-profit status in the State of Florida throughout the term of this Agreement. If OEP should, during the term of this Agreement, lose its corporate status, it shall immediately notify the County in writing, and the County reserves the right to terminate this Agreement immediately.

3.7 Right to Inspect and Audit Accounts. During the term of this Agreement, OEP, with respect to the receipt and expenditure of funds provided under this Agreement, shall permit County staff and the Orange County Comptroller and his staff to inspect and audit OEP's books and accounts at any time during normal working hours, provided that reasonable notice is given to OEP prior to any such inspection. Any costs incurred by OEP as a result of a County audit shall be the sole responsibility of and shall be borne by OEP. In addition, should OEP provide any or all of the County's funds to sub-recipients, then, and in that event, OEP shall include in written agreements with such sub-recipients a requirement that records of the sub-recipient be open to inspection and audit by the County or the County's designee.

3.8 Maintenance of Records; Audit. For a period ending five (5) years after the expiration or termination of this Agreement, OEP shall make all records and documents relating to this Agreement available for inspection and copying by the County or any agent designated by the County.

3.9 Assignment. OEP may not assign its rights hereunder, without the prior written consent of the County. Failure to comply with this section may result in immediate termination of this Agreement.

3.10 Indemnification. OEP agrees to indemnify and save harmless the County from and against any and all liability, claims, demands, damages, expenses, fees, fines, penalties, suits, proceedings, actions and cost of actions, including reasonable attorney's fees, attorneys on appeal of any kind and nature arising or growing out of or in any way connected with the performance by OEP under this Agreement.

**Section 4. Term and Termination.** The term of this Agreement shall begin on the last date of execution by both parties hereto and shall continue until September 30, 2022. However, this Agreement can be terminated by either party at any time, with or without cause, upon no less than fifteen (15) days' notice in writing to the other party. Said notice shall be delivered by certified mail or in person to the business address of the party upon whom such notice is served. In the event of such termination, OEP shall remit to the County any unspent funds paid hereunder.

**Section 5. Miscellaneous.**

5.1 Entire Agreement. This Agreement constitutes the entire agreement between the parties. Any representations or statements heretofore made with respect to such subject matter, whether verbal or written are merged herein. No other agreement, whether verbal or written, with regard to the subject matter hereof, shall be deemed to exist.

5.2 Waivers. Performance of this Agreement by either party, after notice of default of any of the terms, covenants or conditions, shall not be deemed a waiver of any right to terminate this Agreement for any subsequent default, and no waiver of such default shall be construed or act as a waiver of any subsequent default.

5.3 No Third Party Beneficiaries. This Agreement does not create, and shall not be construed as creating, any rights enforceable by any person or entity other than the parties to the Agreement.

5.4 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida. Venue for any litigation occurring as a result of this Agreement shall be held in the Ninth Circuit Courts in and for Orange County, Florida, and shall be governed by the laws of the State of Florida.

5.5 Severability. The provisions of this Agreement are declared by the parties to be severable. However, the material provisions of this Agreement are dependent upon one another, and such interdependence is a material inducement for the parties to enter into this Agreement. Therefore, should any material term, provision, covenant or condition of this Agreement be held invalid or unenforceable by a court of competent jurisdiction, the party protected or benefited by such term, provision, covenant, or condition may demand that the parties negotiate such reasonable alternate contract language or provisions as may be necessary either to restore the protected or benefited party to its previous position or otherwise mitigate the loss of protection or benefit resulting from the litigation.
