Re: Public Hearing to Establish the Wekiwa Springs Septic to Sewer Retrofit Program Phase 7A Municipal Service Benefit Unit (MSBU) for construction of a central gravity sewer system.

MSBU District: **Wekiwa Springs Septic to Sewer Retrofit Program Phase 7A**

Applicant: Orange County Utilities

District: Commissioner Moore, District 2

Report: The attached resolution will establish the proposed MSBU, which would allow the payment of wastewater system improvements via an MSBU.

At the request of Orange County Utilities (OCU), Special Assessments surveyed the property owners of subdivisions to determine which property owners were voluntarily in favor of being assessed an MSBU via the annual property tax bills for wastewater system improvement fees for a period of 10 years at a 5.8% interest rate. The estimated total cost for the project would be \$7,500.00 for an annual assessment of approximately \$1,011.88.

Effective Date: The MSBU resolution would be effective November 1, 2025.

Action Requested: Approval of attached resolution.

WEKIWA MANOR SEPTIC TO SEWER RETROFIT PROGRAM PHASE 7A
WEKIWA MANOR PHASE 1, 2 AND 3

RESOLUTION
OF THE
BOARD OF COUNTY COMMISSIONERS
ESTABLISHING
A MUNICIPAL SERVICE BENEFIT UNIT
FOR WASTEWATER SYSTEM IMPROVEMENTS FOR

**Wekiwa Springs Septic to Sewer Retrofit
Program Phase 7A
11/2025**

WHEREAS, Chapter 125.01(l) q), Florida Statutes, grants Orange County ("County") the power to establish Municipal Service Benefit Units ("MSBU") for any part of the unincorporated areas of the County; and

WHEREAS, Section 197.3632, Florida Statutes, authorizes the levy, collection, and enforcement of non-ad valorem assessments in the same manner as ad valorem taxes; and

WHEREAS, the Board of County Commissioners of Orange County ("Board") is the governing board of the County; and

WHEREAS, the County has received a request from Orange County Utilities for the establishment of an MSBU in that portion of the unincorporated area of the County to be known as **Wekiwa Manor Section 1, Wekiwa Manor Section 2 and Wekiwa Manor Section 3** subdivision areas, as more fully described in **Exhibit "A" of this resolution**, for construction of a central gravity sewer collection system from benefitting properties, and

WHEREAS, the Board has determined that the establishment of an MSBU, the purpose of which is to provide for the construction of a central gravity sewer collection system, as requested by Orange County Utilities, together with the other information pertaining to the operation of the proposed MSBU submitted herewith, to be feasible, necessary to facilitate the services desired, and in the interest of the public and that the properties within Wekiwa Manor Section 1, Wekiwa Manor Section 2 and Wekiwa Manor Section 3 areas will be benefited, now and in the future, and that the proposed MSBU should be created; and

THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ORANGE COUNTY, FLORIDA:

1. The foregoing "WHEREAS" clauses are presumed to be true and correct and are hereby incorporated into the text of the resolution.

2. There is hereby established and created the **Wekiwa Springs Septic to Sewer Retrofit Program Phase 7A 11/2025 MSBU** the boundaries of which appear as subdivisions and parcels as shown in **Exhibit "A" of this resolution for Wekiwa Manor Section 1, Wekiwa Manor Section 2 and Wekiwa Manor Section 3** areas; Public Records of Orange County, Florida. The purpose of this MSBU is to provide for the collection and disbursement by Orange County of such funds as may be necessary to reimburse Orange County Utilities for expenditures made for the construction of the central gravity sewer collection system for **Wekiwa Manor Section 1, Wekiwa Manor Section 2 and Wekiwa Manor Section 3** areas. It is understood and agreed that this MSBU is created solely for the purpose of payment for the costs of construction of a central gravity sewer collection system, including

RECORDING DEPARTMENT: RETURN TO FINANCE AND ACCOUNTING SPECIAL ASSESSMENTS

connection of each dwelling's plumbing to the sewer main, abandonment of the existing septic tank, landscape and site restoration, resurfacing of existing roadways with materials to match existing conditions, (*i.e.* repaving existing asphalt roadways from curb to curb and/or restoration of unmaintained right-of-ways), installation of a new irrigation service with a meter at each benefitting property, and any associated water and wastewater capital charges and connection fees pursuant to Chapter 37 of the Orange County Code for single family residential homes.

3. The estimated average cost of the project is **\$75,000.00** per home and will be paid in part by Orange County Utilities, State Grants, and a fixed assessment to **each single-family residential parcel benefitting from the project in the amount of \$7,500.00**. All benefited properties shall be assessed as set forth in Section 3 and as shown in "**Exhibit "A"**" and the Board hereby declares that such method of non-ad valorem special assessment is proportionate to and not in excess of the special benefits to be derived by each benefited property from the construction of the project. Assessments may be paid over a ten (10) year period in equal installments as provided in Section 17-344 of the Orange County Code. Said payments shall bear interest at the rate of **5.8%** interest rate for ten (10) equal assessments per annum as provided in Section 17-349 of the Orange County Code, plus an annual administration fee. The balance of the total cost of this MSBU may be paid in full at any time.

4. It is the intent of Orange County that the Uniform Method for the levy, collection, and enforcement of non-ad valorem special assessments, as Section 197.3632 Florida Statutes grants, shall be used for collecting the non-ad valorem special assessments. One and one half dollars (\$1.50) for each parcel identification number of land shall be added by the Board to cover the costs of administering the MSBU and the total amount so determined shall be specifically assessed against the real property of the freeholders in the MSBU as provided hereafter. An additional amount will be added to provide for reimbursement of administrative costs incurred by the Property Appraiser and Tax Collector for the collection of non-ad valorem special assessments subject to the provisions of Section 197.3632, Florida Statutes. **This non-ad valorem assessment is levied for the first time as of November 1, 2025 and will be levied each and every year for 10 years.**

5. After adoption of the non-ad valorem special assessment roll by the Board, the Property Appraiser shall extend the non-ad valorem special assessment upon the non-ad valorem special assessment roll, which roll shall be fully completed prior to the time said Board sits as a Board of Tax Adjustment, during which time such non-ad valorem special assessment may be protested, reviewed, equalized and adjusted to conform to the provisions of Sections 197.3632 and 197.3635, Florida Statutes. After adjournment as a Board of Tax Adjustment, the Board of County Commissioners shall certify the non-ad valorem special assessment roll in the same manner and at the same time as the County Tax Roll is certified and delivered to the Tax Collector, and the non-ad valorem special assessments shall be collected in the same manner as and shall have the same priority rights, discounts for early payment, prepayment by installment method, deferred payment, penalty for delinquent payment, and issuance and sale of tax certificates and tax deeds for non-payment, and be subject to the same delinquent interest and penalties, and be treated in all respects the same as County taxes. Said non-ad valorem special assessments, when collected by the Tax Collector shall be remitted to said Board, who shall deposit the same in such depository as shall be designated by the Board. From the proceeds of said non-ad valorem special assessments, the Board shall pay the costs of having a non-ad valorem special assessment roll made and extended. The Tax Collector's office shall receive all fees and costs of sale as provided by law for the collection of ad valorem taxes, advertising, sale of lands, and issuance and sale of certificates. The Uniform Method for the levy, collection, and enforcement of non-ad valorem special assessments, Section 197.3632, Florida Statutes, shall be used.

6. The Board intends that non-ad valorem special assessments authorized by this resolution be collected pursuant to the Uniform Assessment Collection Act, Sections 197.3632 and 197.3635, Florida Statutes. The Board authorizes utilization of this Uniform Method of collection for all affected parcels.

The non-ad valorem special assessment will be listed on the assessment roll for all affected parcels and will be included in the notice of proposed property taxes and the tax notice for each affected parcel. These non-ad valorem special assessments will be subject to all collection provisions applicable to ad valorem taxes, including discount for early payment, prepayment by installment method, deferred payment, penalty for delinquent payment, issuance of and sale of tax certificates and tax deeds for non-payment, and commissions of the Property Appraiser and the Tax Collector as provided by Florida Law.

7. In the event of division or splitting of any of the tax parcels or lots assessed herein, any such newly subdivided or split parcels shall be included in the MSBU assessments.

8. Upon final payment of all non-ad valorem special assessments plus accrued interest, this MSBU shall automatically terminate.

9. Each property owner affected by this Resolution has been provided first class mail notice of the potential for loss of his or her title when the ad valorem method of collection is used and that all affected property owners have a right to appear at the hearing and to file written objections with the Board. Each property owner affected by this resolution has been provided first class mail notice of the time and place of the public hearing at which this resolution was adopted. However, under Section 119.07, Florida Statutes, certain records may be noted as exempt and confidential. This public record exemption may cause certain property owners not to receive the above first class mail notice, but a public hearing notice, subject to the provisions of Section 197.3632, Florida Statutes, has been published in a newspaper of general circulation within Orange County four times preceding the public hearing.

10. The Board of County Commissioners shall be the governing board of said Municipal Service Benefit Unit.
