WHEREAS, the work associated with the Improvement is detailed in **Exhibit "C"**,

attached hereto and incorporated herein; and

WHEREAS, County requires that Owner be solely responsible for the fulfillment of certain commitments and covenants to assure the perpetual and continuous maintenance of any such Improvement which commitments and covenants are more particularly set forth herein.

NOW, THEREFORE, in consideration of the foregoing and of the terms and conditions set forth herein, the Parties agree as follows:

1. **RECITALS**. The foregoing recitals are true and correct and form a material part of this Agreement.
2. **RIGHT-OF-WAY UTILIZATION PERMIT**. Any such Permit issued by County to Owner shall be subject to the terms of this Agreement. Owner shall not, while installing or maintaining the Improvement, damage, disturb, interrupt, or impede the flow of water through any portion of the Permitted Area without prior written approval by County and County's prior written approval of a plan to restore the Permitted Area. Nothing contained herein or by virtue of the issuance of the Permit shall give or grant the Owner any ownership rights to any portion of the Permitted Area. Owner may apply for the Permit at any time after recording of the Agreement.
3. **IMPROVEMENTS**. Any Improvement that, in County's sole opinion, may impede the functional operation of planned, proposed, or existing underdrains shall not be permitted under this Agreement. The Improvement shall be established and maintained in such a manner as will not interfere with the use of the Permitted Area by the public nor create a safety hazard on such Permitted Area. No utilities, signage, lighting, widening, or modification of the Improvement or its use shall be permitted without the prior written approval of County. If County determines, in its sole discretion, that the Improvement does present a safety hazard, then Owner, at its sole expense and at no cost to County, shall relocate the Improvement in such a manner as to eliminate the hazard, to the satisfaction of County.
4. **REMOVAL/RELOCATION**. If, in the sole opinion of County, the Improvement interferes with any construction, reconstruction, alteration, improvements, or maintenance which County desires to perform on, around, or under the Permitted Area, then written notice of such shall be sent to Owner by certified mail or overnight courier, return receipt confirmed. Owner shall remove or relocate the Improvement as requested by County, and to County's satisfaction, within sixty (60) days of said notice or, in the event such notice is returned as undeliverable to Owner's address listed above, within sixty (60) days of the first date of publication of legal notice, which publication shall appear in not less than two weekly issues of a newspaper of general circulation in Orange County, Florida. Any such relocation

or removal of the Improvement shall be at no cost or expense to County.

5. **INDEMNIFICATION.** To the fullest extent permitted by law, Owner shall defend, indemnify, and hold harmless Orange County from and against all claims, damages, losses, and expenses, including reasonable attorney fees and costs, arising out of, or resulting from, the performance of their operations under this Agreement. Owner shall indemnify and hold harmless County (and any governmental body or utility authority properly using the Permitted Area) from and against all expenses, costs, or claims for any damages to the Improvement which may result from the use of the right-of-way by County or other governmental body or authority due to maintenance, construction, installation, or other proper use within the Permitted Area.

6. **INSURANCE.** Throughout the duration of this Agreement, including the initial period and any extensions thereto, Owner shall obtain and possess:

The limits shall be not less than \$1,000,000 Combined Single Limits (CSL) or its equivalent per occurrence. Such coverage shall not contain any endorsement(s) excluding or limiting Product/Completed Operations, Contractual Liability, or Severability of Interests.  - d) Prior to commencing operations under this Agreement, Owner shall provide Certificates of Insurance to County to verify coverage. The name of the project for which the Improvement are to be installed and the type and amount of coverage provided shall be clearly stated on the face of each Certificate of Insurance. The insurance coverage shall name Orange County, Florida as an additional insured, and shall contain a provision which forbids any cancellation, changes or material alterations, or renewal of coverage without providing thirty (30) days prior written notice to County. Owner shall require and ensure that each

of its contractors and subcontractors maintains insurance until the completion of their work under any contract associated with this Agreement. Failure of Owner to maintain insurance coverage for itself or for any other persons or entities for whom it is responsible or to ensure that its contractors and subcontractors maintain coverage shall not relieve Owner of any contractual responsibility, obligation, or liability.

e) Contractor's pollution with limits of not less than \$1,000,000 per occurrence or incident. The County shall be listed as an additional insured on all liability policies.

Thereafter, this Agreement shall be automatically extended for successive periods of ten (10) years each, unless a written instrument agreeing to revoke said provisions, restrictions, and covenants is approved by a majority of the Orange County Board of County Commissioners and Owner. No such agreement to revoke shall be effective until said written instrument has been signed, acknowledged, and recorded in the Public Records of Orange County, Florida. Notwithstanding any of the above provisions, County shall have the right to cancel this Agreement upon sixty (60) days prior written notice to Owner in accordance with Paragraph 4 hereof. No such cancellation shall be effective until a written instrument has been executed and acknowledged by the Board of County Commissioners and recorded

in the Public Records of Orange County, Florida.

10. **AMENDMENT**.
