5. **Due Diligence Period.** Purchaser shall have **one hundred sixty (160) days** from the Effective Date to complete its due diligence of the Property (the “**Due Diligence Period**”). 5.1.5 Inspection reports, including building inspection reports, for any buildings, structures, or improvements located on the Property;

5.1.6 Service contracts related to all or any part of the Property (including without limitation for buildings, structures, or improvements located on the Property), including but not limited to HVAC, halon, roof, pest control, and landscaping (“**Service Contracts**”) if applicable;

5.1.7 Warranties related to all or any part of the Property, including without limitation for any buildings, structures, or improvements located on the Property, and/or for any components thereof (e.g. HVAC, roof, etc.) (“**Warranties**”) if applicable; and

5.1.8 Notices from government agencies affecting all or any part of the Property; and

5.1.9 All title policies and title instruments pertaining to all or any part of the Property; and

5.1.10 Any other similar due diligence documents, studies, notices, analysis, or information pertaining to the Property in Seller’s possession or under Seller’s control.

In the event any of Seller’s Documents cover other properties besides just the Property, then Seller’s obligation to deliver such materials to Purchaser shall be limited to delivery of the relevant pages of Seller’s Documents that apply to the Property. Relevant pages shall include all pages of the Seller’s Documents to ensure that the context of the Seller’s Document relevant to the Property is maintained.

5.2 **Title.** Within **thirty (30) days** after the Effective Date, Buyer shall, at Buyer’s expense, obtain, through its agent **Cobblestone Title Services, LLC** (“Title Agent” and “Closing Agent”) a current commitment for title insurance (ALTA commitment July 1, 2021) committing to insure Purchaser as purchaser of the Property in the amount of the Purchase Price, with an effective date on or after the Effective Date, together with copies of all instruments referred to in both Schedule A and Schedule B thereof (collectively, the “**Commitment**”) issued by **Cobblestone Title Services, LLC**, as title agent for Title Resources Group (the “**Title Company**”). The Commitment shall provide evidence that, upon execution, delivery, and recordation of the Deed (hereinafter defined), and the satisfaction of all requirements specified in Schedule B, Section I, of the Commitment, Purchaser shall acquire indefeasible fee simple and marketable title to the Property, subject only to the Permitted Exceptions (hereinafter defined).

5.2.1 Within **ninety (90) days** after the Effective Date (the “**Objection Period**”), Purchaser may deliver to Seller written notice of any title or survey matters which are not acceptable to Purchaser in its sole and absolute discretion (the “**Objections**”). If Purchaser raises any Objections, then Seller shall, within **fifteen (15) days** after receipt of Purchaser’s Objections (the “**Response Period**”), notify Purchaser in writing as to whether or not Seller, at Seller’s expense, agrees to cure any of the Objections and, if so, which Objections Seller agrees to attempt to cure. If Seller does not provide Purchaser with a written response to the Objections on or before the expiration of the Response Period, it shall be presumed that Seller is unable or unwilling to

Project: Green PLACE
Parcel: 249

attempt to cure any of the Objections. If Seller agrees to attempt to cure any of the Objections, then Seller, at Seller's expense, shall undertake commercially reasonable and diligent efforts to cure and remove such Objections on or before **five (5) business days** prior to Closing (the "**Cure Period**"). As Seller completes the cure of any Objection, Seller shall notify Purchaser in writing of the same; if Seller does not notify Purchaser on or before expiration of the Cure Period that Seller has cured a particular Objection that Seller has agreed to attempt to cure, it shall be presumed Seller has been unable to do so. If, after the exercise of commercially reasonable and diligent efforts, Seller has been unable (or deemed to be unable) to cure any Objection (that Seller has agreed to attempt to cure) within the Cure Period, then Purchaser shall elect, by written notice to Seller delivered on the earlier of the date which is (a) ten (10) business days after receipt of written notice from Seller that Seller is unable or unwilling to cure any Objection or (b) **five (5) business days** prior to Closing, to either: (i) terminate this Agreement; or (ii) waive such uncured Objections and accept title and survey as they then are without setoff or reduction in the Purchase Price. For avoidance of doubt, Purchaser acknowledges that Seller has no obligation whatsoever to cure or to attempt to cure any Objections except to the extent that Seller hereafter agrees to cure or to attempt to cure any Objections in accordance with this Section.

5.2.2 Any defect in title or survey that Purchaser does not object to on or before the expiration of the Objection Period, together with any and all uncured Objections which Purchaser elects to waive in writing, shall be deemed permitted exceptions ("**Permitted Exceptions**").

5.2.3 **Title Update.** No sooner than **five (5) business days** prior to Closing but not later than **two (2) business days** prior to Closing, Purchaser shall cause the Title Company to endorse the Commitment to update the effective date of the Commitment to a date on or after the day that is **ten (10) days** prior to Closing. If the endorsement to the Commitment includes any additional requirements in Schedule B, Section I, or any new exceptions in Schedule B, Section II, that are not caused by Purchaser and are not already Permitted Exceptions, then Purchaser shall notify Seller in writing specifying such new title defect ("**New Title Defect**"). Seller shall have a period of **thirty (30) days** following the receipt of such notice from Purchaser to attempt to cure any New Title Defect, at Seller's sole cost and expense, and, if necessary, the Closing date shall be extended so that Seller can attempt to cure the New Title Defect as provided above. If Seller fails to cure any New Title Defect within said **thirty (30) day period**, then Purchaser shall elect, by written notice to Seller delivered at or prior to Closing, to: (i) terminate this Agreement; or (ii) waive the New Title Defect and accept the title as it then is without setoff or reduction in the Purchase Price; or (iii) if any New Title Defect is caused by the actions of Seller, then, subject to Section 11 below (including the notice and cure provisions set forth therein), Purchaser may pursue the remedies available to it under this Agreement for a default by Seller.

5.3 **Survey.** Purchaser at Purchaser's expense shall order a boundary survey of the Property within **twenty (20) days** of the Effective Date (the "**Survey**"), prepared by a licensed Florida registered land surveyor selected by Purchaser (in Purchaser's sole discretion) in accordance with the minimum technical requirements and standards promulgated by the Florida Board of Professional Surveyor and Mappers, Chapter 5J-17, of the Florida Administrative Code, Section 472.027, Florida Statutes. The Survey shall be in the form required by the Title Company to delete the standard survey exception in the Commitment and shall show all improvements,

setbacks, easements, encroachments, or overlaps on the Property and all matters affecting title which are capable of being shown on the Survey and are set forth on Schedule B, Section II, of the Commitment. The Survey shall, at a minimum, be certified to the following parties: Purchaser, Seller, the Title Agent and the Title Company. The "Draft Survey" will be reviewed by the County Surveyor or their subordinate and Seller. Seller shall provide its comments to Purchaser within **ten (10) days** of receipt of survey by Seller. Comments and or proposed revisions and Seller's comments will be given to the consultant before finalizing. Upon Purchaser and Seller's approval of the Survey, the same shall be and constitute the "Survey" for purposes of this Agreement. In the event the Survey shows encroachments, easements, boundary overlaps or other matters objectionable to Purchaser, in its sole discretion, then Purchaser may, in its sole discretion, deliver to Seller written notice of same within the Objection Period and the same shall be treated as "Objections," as defined herein. The legal description of the Property set forth on the Survey shall be utilized in the documents of conveyance and in the Owner's Title Insurance Policy to be issued to Purchaser hereunder; provided however, if the legal description of the Property set forth on the Survey is different than the legal description of the Property set forth in Seller's vesting deeds, the surveyor shall execute a survey affidavit certifying to Seller that the legal description set forth on the Survey describes the exact same property as the legal description set forth in Seller's vesting deeds.

5.4 **Appraisal.** Purchaser, at Purchaser's expense, shall have received, reviewed, and approved two (2) real estate appraisals of the Property (the "**Appraisals**") prepared by appraisers approved and selected by Purchaser (in Purchaser's sole discretion) – which approval shall be evidenced by issuance of one or more review appraiser's statements ("**RASs**"), prepared by staff of the Orange County Real Estate Management Division, concluding that the Appraisals meet current Uniform Standards of Professional Appraisal Practice and applicable Orange County standard procedures. Purchaser shall order the Appraisals, and shall receive the Appraisals from Purchaser's selected appraisers, prior to the expiration of the Due Diligence Period. After the Appraisals have been approved by the Purchaser, Purchaser will provide, at no cost to Seller, an electronic copy of the Appraisals.

5.5 **Allocation of Roadway Portion and Green PLACE Acreage.** Notwithstanding any other provision of this Agreement, the Parties agree that the Roadway Portion shall be acquired using a County funding source designated for transportation or public roadway purposes and shall not be funded through the Green PLACE program. The acreage acquired for Green PLACE conservation purposes shall be reduced by the final acreage of the Roadway Portion which is determined by the final roadway plans and survey approved by the Purchaser.

5.6 To the extent that the Public Works Department ultimately utilizes less than the estimated ± 1.50 acres identified for the Roadway Portion, any unused acreage located adjacent to Avalon Road shall automatically remain part of the Green PLACE acquisition and shall be held for conservation purposes, at no additional cost to the Green PLACE program and without the need for further Board action.

Seller agrees that the final acreage of the Roadway Portion is intended to be used by Purchaser for public transportation and roadway purposes.

5.7 **Environmental Due Diligence.** Purchaser at Purchaser's expense shall perform its environmental due diligence as described in Exhibit A attached hereto and incorporated herein by this reference. The Environmental Due Diligence, set forth in Exhibit A, is a material condition of this Agreement.

5.8 **Property Investigation.** Purchaser at Purchaser's expense will investigate the physical, legal, and economic feasibility of acquiring, owning, improving, developing, using, occupying, operating, and maintaining the Property for Purchaser's intended uses including, without limitation, investigation of all applicable building, zoning, environmental, and other codes, ordinances, statutes, laws, rules, and regulations affecting the Property, stormwater management, zoning, and development standards, impact and development fees, drainage conditions, soils, other environmental factors, sewer and water utility capacity and availability factors, concurrency, moratoriums, entitlements, and any other factors whatsoever considered appropriate by Purchaser, in its sole and absolute discretion, to determine overall project feasibility.

6. **Rights and Responsibilities During Due Diligence.**

6.1 **Right to Access the Property.** For the purposes of conducting its due diligence, Purchaser shall have the right, both during the Due Diligence Period, and at all other times that this Agreement is in effect, during normal business hours, to personally or through its agents, employees, and independent contractors, to enter upon the Property (including any buildings, structures, or other improvements located thereon) for the purposes of inspecting the Property (including any buildings, structures, or other improvements located thereon), making additional surveys, soil tests, environmental tests, test borings, topographical studies, and conducting such other investigations of the Property (including any buildings, structures, or other improvements located thereon), which Purchaser deems appropriate, in Purchaser's sole and absolute discretion.

Notwithstanding the foregoing, prior to any entry pursuant to this Section 6.1 upon the Property, Purchaser shall provide Seller with reasonable prior notice of any intended entry so that Seller may arrange to provide Purchaser (and/or Purchasers' agents, employees, and independent contractors) access and to have a representative present during any time that Purchaser has entered upon the Property; notwithstanding the notice provisions of Section 12 below, the "prior notice" required by this Section 6.1 need not be in writing, may be provided by Purchaser to Seller's representative:

NAME Sandra L. Goldberg

PHONE 415-563-4603

EMAIL sandragoldberg@hotmail.com

and shall be considered "reasonable prior notice" if it is provided not less than 24 hours prior to Purchaser's intended entry. Purchaser shall also have the right to meet and consult with Seller's consultants with information relative to the Property, or development matters related thereto, for the sole purpose of Purchaser's proposed acquisition and development of the Property.

Parcel: 249

6.2 **Remediation.** Upon termination of this Agreement, Purchaser shall, at its cost, promptly repair any material damage to the Property caused by its entry thereon and restore the same to substantially the same condition in which it existed prior to such entry.

6.3 **Due Diligence Documents.** If Purchaser terminates this Agreement, upon such termination, Purchaser shall, at no cost to Seller, promptly deliver to Seller all documents, reports and plans Purchaser obtained in connection with its investigation of the Property (collectively the “**Due Diligence Documents**”). Purchaser will provide the Due Diligence Documents to Seller without any representations or warranties and Seller shall rely on the information at its own risk and releases Purchaser and Purchaser’s consultants from any claims relating to the preparation of the Due Diligence Documents. The foregoing obligation of the Purchaser shall survive termination of this Agreement. **Extension to Due Diligence Period.** If the Environmental Survey reveals any Environmental Exceptions (as defined in **Exhibit A**), or if any other testing performed by Purchaser reveals any condition of the Property which Purchaser deems to require further evaluation, in its sole and absolute discretion, then, upon written notice of such fact to Seller no later than **three (3) days** prior to the expiration of the Due Diligence Period, the Due Diligence Period shall be extended an additional **ninety (90) days** for further testing, provided Seller shall have the right to request reasonable documentation evidencing such fact(s) that Purchaser deems to require further evaluation. If the Environmental Survey or other testing results are unacceptable to Purchaser, then Purchaser may, in Purchaser's sole and absolute discretion, elect to terminate this Agreement by furnishing written notice thereof to Seller prior to the expiration of the Due Diligence Period (as it may be extended in accordance with the preceding sentence).

6.4 **Indemnification.** Purchaser, to the extent permitted by Section 768.28 of the Florida Statutes, agrees to indemnify and hold harmless Seller for any damage or injury that may occur on the Property attributable to Purchaser’s own negligent acts or omissions or those of its officials and employees acting within the scope of their employment. The foregoing shall not constitute an agreement by Purchaser to assume any liability for the acts, omissions, and/or negligence of any other party or person. Nothing in this Agreement is intended to act as a waiver of the Purchaser’s sovereign immunity pursuant to Section 768.28 of the Florida Statutes, and, notwithstanding anything in this Agreement to the contrary, under no circumstances shall Purchaser be liable to Seller under any contract, negligence, strict liability, or other legal or equitable theory for any amounts in excess of those limits per claim and per occurrence set forth for tort liability in Section 768.28 of the Florida Statutes, which limits are hereby made applicable to all manner of claims against Purchaser related to this Agreement and are not confined to tort liability. The terms and provisions of this paragraph shall survive both termination of this Agreement and Closing.

6.5 **Purchaser’s Right to Terminate.** In the event Purchaser determines, in its sole and absolute discretion, which may be exercised for any reason or no reason at all, that it is not desirable or feasible for Purchaser to acquire the Property – or that Purchaser is not satisfied with any other matter (including without limitation those other matters set forth in Section 5 above

Project: Green PLACE

or any other matter(s) which Purchaser deems relevant) – then, in such event, Purchaser may, in Purchaser’s sole and absolute discretion, elect to terminate this Agreement by furnishing written notice thereof to Seller prior to the expiration of the Due Diligence Period. In the event the Purchaser fails to provide notice of termination by the expiration of the Due Diligence Period or any extension thereof, Purchaser shall be deemed to have waived its right to terminate the Agreement pursuant to this Section.

6.5.1 After the Effective Date (and until this Agreement is terminated, if ever), Seller shall not change or cause the physical condition of the Property to change relative to its condition on the Effective Date, absent the prior written consent of Purchaser to any such change, which consent shall not be unreasonably withheld, conditioned or delayed.

7. Closing.

7.1 Unless otherwise agreed in writing between Purchaser and Seller, the closing of the purchase and sale of the Property contemplated herein (“**Closing**”) shall be a “mail away” closing (and all documents and funds necessary for Closing shall be received by the Closing Agent) on or before **thirty (30) days** after the expiration of the Due Diligence Period (the “**Closing Date**”) (except to the extent that the Closing Date is extended by other provisions of this Agreement).

7.2 At Closing:

7.2.1 Purchaser shall remit to the Closing Agent by wire transfer the Purchase Price, subject to the adjustments and prorations herein provided, and plus the Purchaser’s expenses, if any, herein provided.

7.2.2 Seller shall execute and deliver to Purchaser a special warranty deed (a “**Deed**”) conveying, in accordance with all applicable laws and ordinances, indefeasible fee simple title to the Property free and clear of all liens, special assessments, easements, reservations, restrictions, and encumbrances whatsoever except for the Permitted Exceptions in substantially the same form attached to this agreement as **Exhibit B**, incorporated and reference. The Deed shall also expressly transfer: (i) all tenements, hereditaments, and appurtenances belonging or in anywise appertaining to the Property; (ii) all improvements, buildings, and fixtures, if any, situated in, over, under, on, upon, through, or across the Property; (iii) all of Seller’s rights, titles, and interests in and to any streets, roads, avenues, alleys, or rights-of-way in front of, adjoining, and/or along the boundaries of the Property, whether public or private, whether dedicated or otherwise, and whether before or after vacation thereof and whether previously abandoned or vacated or hereafter abandoned or vacated; (iv) all of Seller’s rights, titles, and interests in and to any strips, hiatuses, gores, gaps, or boundary adjustment areas adjoining or affecting the Property; (v) all of Seller’s rights, titles, and interests in and to any body of water situated on, under, or adjacent to such Property; and (vi) any and all riparian and other water rights relating to such Property.

However, at Purchaser's election, the Bill of Sale may include all such Personal Property, or only those items of Personal Property that Purchaser requests be transferred, assigned, and conveyed to Purchaser at Closing.

7.2.4 Seller shall execute and deliver to Purchaser an Assignment of Intangible Property and Development Rights and Entitlements (the "**Assignment**," in substantially the same form as attached as **Exhibit D**, incorporated herein by reference) pursuant to which Seller shall transfer, assign, and convey to Purchaser without warranty or representation (but only to the extent Seller may transfer, assign, and convey, and only to the extent related to the Property), for no additional consideration, all of Seller's rights, titles, and interests in and to all permits, approvals, authorizations, licenses, and development entitlements, including without limitation all transferrable development rights issued to or for the benefit of the Property (including without limitation development approvals, if any, obtained by Purchaser) (collectively, "**Permits**"). However, at Purchaser's election, the Assignment may include all Permits, or only those Permits, that Purchaser requests be transferred, assigned, and conveyed to Purchaser at Closing.

7.2.5 Seller shall also execute and deliver, in such form reasonably acceptable to Purchaser, Seller, and the Title Company, as applicable:

7.2.6 Purchaser shall also execute and deliver, in such form reasonably acceptable to Purchaser, Seller, and the Title Company, as applicable, a closing statement, and such other documents as necessary or reasonably required by the Seller and/or the Title Company.

7.2.7 Ad valorem property taxes for the year of closing shall be prorated as of the Closing Date and said prorated amount shall be paid by Seller pursuant to Section 196.295, Florida Statutes. At Seller's election, Seller's share of prorated taxes may be deducted from the proceeds of sale and remitted by Purchaser or the Title Agent to the County Tax Collector on Seller's behalf. If, as of the Closing Date, there are any outstanding unpaid property taxes for years prior to the year of closing, then Seller shall be responsible for payment of the same, on the entirety of the tax parcels for which Purchaser is acquiring interest hereunder, the amount necessary to satisfy such outstanding property taxes shall be deducted from proceeds of sale.

7.2.8 Seller shall pay all pending, certified, confirmed, and/or ratified charges or assessments against the Property which are due and payable as of the day before the Closing Date. 7.3 Possession of the Property shall be delivered to Purchaser at Closing.

8. **Contingencies.**

8.1 **Contingencies Defined.** The Closing is contingent upon and subject to those matters specifically set forth hereinafter in this Section 8.1 (the “**Contingencies**”):

8.1.1 **Title Cures.** At or before Closing, Seller shall have cured all Objections that Seller agreed to cure pursuant to Section 5.2.1 above. Without limiting the foregoing, Seller shall have delivered to Purchaser and/or Title Company, as applicable, in recordable form, if applicable, all instruments necessary to convey clear title to the Property subject to the Permitted Exceptions.

8.1.2 **Marked-Up Commitment.** At or before Closing, Title Company shall have provided Purchaser with a “marked-up” version of the Commitment unconditionally obligating Title Company to issue an owner’s policy to Purchaser in the condition required by this Agreement.

8.1.3 **Termination of Leases.** Seller shall not have entered into any recorded or unrecorded licenses, leases, or other occupancy or use agreements of any kind or nature affecting all or any portion of the Property (“**Leases**”) after the Effective Date. Unless otherwise consented to in writing by Purchaser, any leases affecting all or any portion of the Property and in effect as of the Effective Date shall have been terminated by Seller, at no cost or expense to Purchaser, before the Closing Date, and any person(s) in possession of all or any part of the Property at any time prior to the Closing Date, shall have physically vacated the Property, and shall have removed all personal property (other than the fixtures constituting part of the Property) from the Property, before the Closing Date. As of the morning of the Closing Date, there shall be no person in possession of any part of the Property, other than Seller, such that, following Closing, there shall be no person in possession of any part of the Property, other than Purchaser. At or before Closing, Seller shall provide reasonable and sufficient proof to Purchaser and Title Company of Seller’s compliance with this paragraph. If requested by Purchaser, Seller shall allow Purchaser to conduct a walk-through inspection of the Property, within the **five (5) business days** prior to Closing, to ensure Seller’s compliance with this paragraph.

8.1.4 **Termination of Service Contracts.** Any and all Service Contracts, any leases affecting all or any portion of the Property, whether existing as of the Effective Date or entered into by Seller after the Effective Date, shall have been terminated by Seller, at no cost or expense to Purchaser, before the Closing Date. At or before Closing, Seller shall provide reasonable and sufficient proof to Purchaser and Title Company of Seller’s compliance with this paragraph.

8.2 **Waiver of Contingencies.** Any Contingency may be waived, lessened, or otherwise removed from this Agreement by Purchaser at any time by delivery of written notification from Purchaser to Seller.

8.3 **Effect of Failure of Contingency.** If all Contingencies have not been satisfied (by the person responsible for the satisfaction of the same) or waived in writing by

Parcel: 249

Purchaser on or before the Closing Date (or on or before such earlier date as may be specified for the satisfaction of any particular Contingency in Section 8.1 above), then this Agreement shall automatically terminate and be of no further force or effect.

8.4 **Mutual Extension of the Closing Date.** In the event that any (or all) of the Contingencies are not satisfied on or before the Closing Date, then the Parties by mutual agreement may (but shall not be required to) extend the Closing Date through one or more written extensions executed by Purchaser and Seller; provided, however that in no event shall the Closing Date be extended to a time later than **forty-five (45)** days beyond the expiration of the Due Diligence Period and Closing Date period, unless otherwise agreed in writing by the Parties

9. **Seller's Representations and Warranties.**
